

(1) make general factual assessments of the impact of proposed rate changes and other proposed regulatory actions upon all affected consumers;

(2) assist consumers in the presentation of their positions before utility regulatory commissions; and

(3) advocate, on its own behalf, a position which it determines represents the position most advantageous to consumers, taking into account developments in rate design reform.

**(b) Grants subject to State assurances on funds**

Grants pursuant to subsection (a) of this section shall be made only to States which furnish such assurances as the Secretary may require that funds made available under such section will be in addition to, and not in substitution for, funds made available to offices of consumer services from other sources.

**(c) Offices established by Tennessee Valley Authority**

Assistance may be provided under this section to an office of consumer services established by the Tennessee Valley Authority, if such office is operated independently of the Tennessee Valley Authority.

AMENDMENTS

1980—Pub. L. 96-470 substituted “The Secretary shall include in each annual report submitted under section 7267 of this title a statement” for “Not later than the last day in December in each year, the Secretary shall transmit to the Congress a report”.

1978—Pub. L. 95-617 substituted “Secretary” for “Administrator”, meaning Administrator of the Federal Energy Administration.

**§ 6807. State utility regulatory assistance**

**(a) Grants to State utility regulatory commissions and nonregulated electric utilities**

The Secretary may make grants to State utility regulatory commissions and nonregulated electric utilities (as defined in the Public Utility Regulatory Policies Act of 1978 [16 U.S.C. 2602]) to carry out duties and responsibilities under titles I [16 U.S.C. 2601 et seq.] and III [15 U.S.C. 3201 et seq.], and section 210 [16 U.S.C. 824a-3], of the Public Utility Regulatory Policies Act of 1978. No grant may be made under this section to any Federal agency.

**(b) Unnecessary requirements prohibited**

Any requirements established by the Secretary with respect to grants under this section may be only such requirements as are necessary to assure that such grants are expended solely to carry out duties and responsibilities referred to in subsection (a) or such as are otherwise required by law.

**(c) Application for grant**

No grant may be made under this section unless an application for such grant is submitted to the Secretary in such form and manner as the Secretary may require. The Secretary may not approve an application of a State utility regulatory commission or nonregulated electric utility unless such commission or nonregulated electric utility assures the Secretary that funds made available under this section will be in addition to, and not in substitution for, funds made available to such commission or nonregulated electric utility from other governmental sources.

**(d) Apportionment of funds**

The funds appropriated for purposes of this section shall be apportioned among the States in such manner that grants made under this section in each State shall not exceed the lesser of—

(1) the amount determined by dividing equally among all States the total amount available under this section for such grants, or

(2) the amount which the Secretary is authorized to provide pursuant to subsections (b) and (c) of this section for such State.
