 (xxiii) such agencies and offices as the President may designate.

(b) The Co-Chairs may invite independent regulatory agencies with energy-related responsibilities, including the Federal Energy Regulatory Commission and the Nuclear Regulatory Commission, to participate in the Task Force, as determined to be appropriate by those agencies.

(c) The Co-Chairs shall regularly convene and preside at meetings of the Task Force and shall determine its agenda. Under the direction of the Co-Chairs, the Task Force shall:

(i) gather ideas and advice from State and local governments, tribes, large and small businesses, universities, national laboratories, nongovernmental and labor organizations, consumers, and other stakeholders and interested parties; and

(ii) coordinate the efforts of agencies and offices related to the development of the Quadrennial Energy Review Report, as described in sections 1 and 2 of this memorandum.

(d) The Secretary of Energy shall provide support to the Task Force, including support for coordination activities related to the preparation of the Quadrennial Energy Review Report, policy analysis and modeling, and stakeholder engagement.

(e) The Task Force shall submit a Quadrennial Energy Review Report to the President every 4 years beginning with a report delivered by January 31, 2015. Intermediate reports and other material may be prepared by the Task Force as required by the President.

SEC. 2. *The Quadrennial Energy Review Report.* The Task Force shall establish integrated guidance to strengthen U.S. energy policy. Building on the *Blueprint for a Secure Energy Future* and the *Climate Action Plan*, and taking into consideration applicable laws and regulations, the Task Force shall prepare a Quadrennial Energy Review Report that:

(a) provides an integrated view of, and recommendations for, Federal energy policy in the context of economic, environmental, occupational, security, and health and safety priorities, with attention in the first report given to the challenges facing the Nation's energy infrastructures;

(b) reviews the adequacy, with respect to energy policy, of existing executive and legislative actions, and recommends additional executive and legislative actions as appropriate;

(c) assesses and recommends priorities for research, development, and demonstration programs to support key energy-innovation goals; and

(d) identifies analytical tools and data needed to support further policy development and implementation.

SEC. 3. *Outreach.* In order to gather information and recommendations and to provide for a transparent process in developing the Quadrennial Energy Review Report, the Task Force shall engage with State and local governments, tribes, large and small businesses, universities, national laboratories, nongovernmental and labor organizations, and other stakeholders and interested parties. The Task Force shall develop an integrated outreach strategy that relies on both traditional meetings and the use of information technology.

SEC. 4. *General Provisions.* (a) This memorandum shall be implemented consistent with applicable law and subject to the availability of appropriations.

(b) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to any agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(c) Nothing in this memorandum shall be construed to require the disclosure of confidential business information or trade secrets, classified information, law enforcement sensitive information, or other information that must be protected in the interest of national security or public safety.

(d) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(e) The Director of the Office of Science and Technology Policy is authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

### § 7322. Congressional review

(a) Each proposed Plan shall be referred to the appropriate committees in the Senate and the House of Representatives.

(b) Each such committee shall review the proposed Plan and, if it deems appropriate and necessary, report to the Senate or the House of Representatives legislation regarding such Plan which may contain such alternatives to, modifications of, or additions to the proposed Plan submitted by the President as the committee deems appropriate.

(Pub. L. 95–91, title VIII, §802, Aug. 4, 1977, 91 Stat. 611.)

### SUBCHAPTER IX—EFFECTIVE DATE AND INTERIM APPOINTMENTS

#### § 7341. Effective date

The provisions of this chapter shall take effect one hundred and twenty days after the Secretary first takes office, or on such earlier date as the President may prescribe and publish in the Federal Register, except that at any time after August 4, 1977, (1) any of the officers provided for in subchapters II and IV of this chapter may be nominated and appointed, as provided in those subchapters, and (2) the Secretary and the Commission may promulgate regulations pursuant to section 7295(b)(2) of this title at any time after August 4, 1977. Funds available to any department or agency (or any official or component thereof), functions of which are transferred to the Secretary or the Commission by this chapter, may with the approval of the Director of the Office of Management and Budget, be used to pay the compensation and expenses of any officer appointed pursuant to this subsection<sup>1</sup> until such time as funds for that purpose are otherwise available.

SUBCHAPTER X—SUNSET PROVISIONS

**§ 7351. Submission of comprehensive review**

Not later than January 15, 1982, the President shall prepare and submit to the Congress a comprehensive review of each program of the Department. Each such review shall be made available to the committee or committees of the Senate and House of Representatives having jurisdiction with respect to the annual authorization of funds, pursuant to section 7270 of this title, for such programs for the fiscal year beginning October 1, 1982.

(Pub. L. 95-91, title X, § 1001, Aug. 4, 1977, 91 Stat. 612.)

**§ 7352. Contents of review**

Each comprehensive review prepared for submission under section 7351 of this title shall include—

- (1) the name of the component of the Department responsible for administering the program;
- (2) an identification of the objectives intended for the program and the problem or need which the program was intended to address;
- (3) an identification of any other programs having similar or potentially conflicting or duplicative objectives;
- (4) an assessment of alternative methods of achieving the purposes of the program;
- (5) a justification for the authorization of new budget authority, and an explanation of

the manner in which it conforms to and integrates with other efforts;

(6) an assessment of the degree to which the original objectives of the program have been achieved, expressed in terms of the performance, impact, or accomplishments of the program and of the problem or need which it was intended to address, and employing the procedures or methods of analysis appropriate to the type or character of the program;

(7) a statement of the performance and accomplishments of the program in each of the previous four completed fiscal years and of the budgetary costs incurred in the operation of the program;

(8) a statement of the number and types of beneficiaries or persons served by the program;

(9) an assessment of the effect of the program on the national economy, including, but not limited to, the effects on competition, economic stability, employment, unemployment, productivity, and price inflation, including costs to consumers and to businesses;

(10) an assessment of the impact of the program on the Nation’s health and safety;

(11) an assessment of the degree to which the overall administration of the program, as expressed in the rules, regulations, orders, standards, criteria, and decisions of the officers executing the program, are believed to meet the objectives of the Congress in establishing the program;

(12) a projection of the anticipated needs for accomplishing the objectives of the program, including an estimate if applicable of the date on which, and the conditions under which, the program may fulfill such objectives;

(13) an analysis of the services which could be provided and performance which could be achieved if the program were continued at a level less than, equal to, or greater than the existing level; and

(14) recommendations for necessary transitional requirements in the event that funding for such program is discontinued, including proposals for such executives or legislative action as may be necessary to prevent such discontinuation from being unduly disruptive.
