#### § 7259. Use of facilities

##### (a) Facilities of United States and foreign governments

With their consent, the Secretary and the Federal Energy Regulatory Commission may, with or without reimbursement, use the research, equipment, and facilities of any agency or instrumentality of the United States or of any State, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States, or of any political subdivision thereof, or of any foreign government, in carrying out any function now or hereafter vested in the Secretary or the Commission.

##### (b) Facilities under custody of Secretary

In carrying out his functions, the Secretary, under such terms, at such rates, and for such periods not exceeding five years, as he may deem to be in the public interest, is authorized to permit the use by public and private agencies, corporations, associations, or other organizations or by individuals of any real property, or any facility, structure, or other improvement thereon, under the custody of the Secretary for Department purposes. The Secretary may require permittees under this section to recondition and maintain, at their own expense, the real property, facilities, structures, and improvements involved to a satisfactory standard. This section shall not apply to excess property as defined in section 102(3) of title 40.

##### (c) Use of reimbursement proceeds

Proceeds from reimbursements under this section shall be deposited in the Treasury and may be withdrawn by the Secretary or the head of the agency or instrumentality of the United States involved, as the case may be, to pay directly the costs of the equipment, or facilities provided, to repay or make advances to appropriations or funds which do or will initially bear all or a part of such costs, or to refund excess sums when necessary, except that such proceeds may be credited to a working capital fund otherwise established by law, including the fund established pursuant to section 7263 of this title, and used under the law governing such fund, if the fund is available for use for providing the equipment or facilities involved.

#### CODIFICATION

In subsec. (b), "section 102(3) of title 40" substituted for "section 3(e) of the Federal Property and Administrative Services Act of 1949" on authority of Pub. L. 107-217, §5(c), Aug. 21, 2002, 116 Stat. 1303, the first section of which enacted Title 40, Public Buildings, Property, and Works.

#### § 7259a. Activities of Department of Energy facilities

##### (a) Research and activities on behalf of non-department persons and entities

(1) The Secretary of Energy may conduct research and other activities referred to in paragraph (2) at facilities of the Department of Energy on behalf of other departments and agencies of the Government, agencies of State and local governments, and private persons and entities.

(2) The research and other activities that may be conducted under paragraph (1) are those which the Secretary is authorized to conduct by law, including research and activities authorized under the following provisions of law:

(A) The Atomic Energy Act of 1954 (42 U.S.C. 2011 et seq.).

(B) The Energy Reorganization Act of 1974 [42 U.S.C. 5801 et seq.].

(C) The Federal Nonnuclear Energy Research and Development Act of 1974 (42 U.S.C. 5901 et seq.).

##### (b) Charges

(1) The Secretary shall impose on the department, agency, or person or entity for which research and other activities are carried out under subsection (a) a charge for such research and activities in carrying out such research and activities, which shall include—

(A) the direct cost incurred in carrying out such research and activities; and

(B) the overhead cost, including site-wide indirect costs, associated with such research and activities.

(2)(A) Subject to subparagraph (B), the Secretary shall also impose on the department, agency, or person or entity concerned a Federal administrative charge (which includes any depreciation and imputed interest charges) in an amount not to exceed 3 percent of the full cost incurred in carrying out the research and activities concerned.

(B) The Secretary may waive the imposition of the Federal administrative charge required by subparagraph (A) in the case of research and other activities conducted on behalf of small business concerns, institutions of higher education, non-profit entities, and State and local governments.

(3) Not later than 2 years after October 17, 1998, the Secretary shall terminate any waiver of charges under section 33 of the Atomic Energy Act of 1954 (42 U.S.C. 2053) that were made before such date, unless the Secretary determines that such waiver should be continued.

##### (c) Pilot program of reduced facility overhead charges

(1) The Secretary may, with the cooperation of participating contractors of the contractor-operated facilities of the Department, carry out a pilot program under which the Secretary and such contractors reduce the facility overhead charges imposed under this section for research and other activities conducted under this section.

(2) The Secretary shall carry out the pilot program at contractor-operated facilities selected
