§ 7257d. Expanded research by Secretary of Energy

(a) Detection and identification research

(1) In general

In conjunction with the working group under section 247d-6(a) of this title, the Secretary of Energy and the Administrator of the National Nuclear Security Administration shall expand, enhance, and intensify research relevant to the rapid detection and identification of pathogens likely to be used in a bioterrorism attack or other agents that may cause a public health emergency.

(2) Authorized activities

Activities carried out under paragraph (1) may include—

(A) the improvement of methods for detecting biological agents or toxins of potential use in a biological attack and the testing of such methods under variable conditions;

(B) the improvement or pursuit of methods for testing, verifying, and calibrating new detection and surveillance tools and techniques; and

(C) carrying out other research activities in relevant areas.

(3) Report

Not later than 180 days after June 12, 2002, the Administrator of the National Nuclear Security Administration shall submit to the Committee on Energy and Natural Resources and the Committee on Armed Services of the Senate, and the Committee on Energy and Commerce and the Committee on Armed Services of the House of Representatives, a report setting forth the programs and projects that will be funded prior to the obligation of funds appropriated under subsection (b).

(b) Authorization

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary in each of fiscal years 2002 through 2006.

(Pub. L. 107-188, title I, §152, June 12, 2002, 116 Stat. 630.)

CODIFICATION

Section was enacted as part of the Public Health Security and Bioterrorism Preparedness and Response Act of 2002, and not as part of the Department of Energy Organization Act which comprises this chapter.

§ 7258. Facilities construction

(a) Employees and dependents stationed at remote locations

As necessary and when not otherwise available, the Secretary is authorized to provide for, construct, or maintain the following for employees and their dependents stationed at remote locations:

- (1) Emergency medical services and supplies;
- (2) Food and other subsistence supplies;
- (3) Messing facilities;
- (4) Audio-visual equipment, accessories, and supplies for recreation and training;
- (5) Reimbursement for food, clothing, medicine, and other supplies furnished by such employees in emergencies for the temporary relief of distressed persons;
- (6) Living and working quarters and facilities; and
- (7) Transportation of schoolage dependents of employees to the nearest appropriate educational facilities.

(b) Medical treatment at reasonable prices

The furnishing of medical treatment under paragraph (1) of subsection (a) and the furnishing of services and supplies under paragraphs (2) and (3) of subsection (a) shall be at prices reflecting reasonable value as determined by the Secretary.

(c) Use of reimbursement proceeds

Proceeds from reimbursements under this section shall be deposited in the Treasury and may be withdrawn by the Secretary to pay directly the cost of such work or services, to repay or make advances to appropriations of funds which will initially bear all or a part of such cost, or to refund excess sums when necessary. Such payments may be credited to a working capital fund otherwise established by law, including the fund established pursuant to section 7263 of this
