§ 8262b. Intergovernmental energy management planning and coordination

(a) Conference workshops

The Administrator of General Services, in consultation with the Secretary and the Task Force, shall hold regular, biennial conference workshops in each of the 10 standard Federal regions on energy management, conservation, efficiency, and planning strategy. The Administrator shall work and consult with the Department of Energy and other Federal agencies to plan for particular regional conferences. The Administrator shall invite Department of Energy, State, local, tribal, and county public officials who have responsibilities for energy management or may have an interest in such conferences and shall seek the input of, and be responsive to, the views of such officials in the planning and organization of such workshops.

(b) Focus of workshops

Such workshops and conferences shall focus on the following (but may include other topics):

- (1) Developing strategies among Federal, State, tribal, and local governments to coordinate energy management policies and to maximize available intergovernmental energy management resources within the region regarding the use of governmental facilities and buildings.
- (2) The design, construction, maintenance, and retrofitting of governmental facilities to incorporate energy efficient techniques.
- (3) Procurement and use of energy efficient products.
- (4) Dissemination of energy information on innovative programs, technologies, and methods which have proven successful in government.
- (5) Technical assistance to design and incorporate effective energy management strategies.

(c) Establishment of workshop timetable

As a part of the first report to be submitted pursuant to section 8262a of this title, the Administrator shall set forth the schedule for the regional energy management workshops to be

conducted under this section. Not less than five such workshops shall be held by September 30, 1993, and at least one such workshop shall be held in each of the 10 Federal regions every two years beginning on September 30, 1993.

(Pub. L. 102-486, title I, §156, Oct. 24, 1992, 106 Stat. 2855.)

§ 8262c. Federal agency energy management training

(a) Energy management training

(1) Each executive department described under section 101 of title 5, the Environmental Protection Agency, the National Aeronautics and Space Administration, the General Services Administration, and the United States Postal Service shall establish and maintain a program to ensure that facility energy managers are trained energy managers. Such programs shall be managed—

- (A) by the department or agency representative on the Task Force; or
- (B) if a department or agency is not represented on the Task Force, by the designee of the head of such department or agency.

(2) Departments and agencies described in paragraph (1) shall encourage appropriate employees to participate in energy manager training courses. Employees may enroll in courses of study in the areas described in section 8262(3) of this title including, but not limited to, courses offered by—

- (A) private or public educational institutions;
- (B) Federal agencies; or
- (C) professional associations.

(b) Report to Task Force

(1) Each department and agency described in subsection (a)(1) shall, not later than 60 days following October 24, 1992, report to the Task Force the following information:

- (A) Those individuals employed by such department or agency on October 24, 1992, who qualify as trained energy managers.
- (B) The General Schedule (GS) or grade level at which each of the individuals described in subparagraph (A) is employed.
- (C) The facility or facilities for which such individuals are responsible or otherwise stationed.

(2) The Secretary shall provide a summary of the reports described in paragraph (1) to the Congress as part of the first report submitted under section 8258 of this title after October 24, 1992.

(c) Requirements at Federal facilities

(1) Not later than one year after October 24, 1992, the departments and agencies described under subsection (a)(1) shall upgrade their energy management capabilities by—

- (A) designating facility energy supervisors;
- (B) encouraging facility energy supervisors to become trained energy managers; and
