**§ 8454. Study of compliance problem of small electric utility systems**

**(a) Study**

The Secretary shall conduct a study of the problems of compliance with this chapter experienced by those electric utility systems which have a total system generating capacity of less than 2,000 megawatts. The Secretary shall report his findings and his recommendations to the Congress not later than 2 years after the effective date of this chapter.

**(b) Authorization of appropriations**

There is authorized to be appropriated to the Secretary for the fiscal year 1979 not to exceed \$500,000 to carry out the provisions of this section.

**§ 8456. Socioeconomic impacts of increased coal production and other energy development**

**(a) Committee**

There is hereby established an interagency committee composed of the heads of the Departments of Energy, Commerce, Interior, Transportation, Housing and Urban Development, and Health and Human Services, the Environmental Protection Agency, the Appalachian Regional

Commission, the Farmers' Home Administration, the Office of Management and Budget, and such other Federal agencies as the Secretary shall designate. In carrying out its functions the committee shall consult with the National Governors' Conference and interested persons, organizations, and entities. The chairman of the committee shall be designated by the President. The committee shall terminate 90 days after the submission of its report under subsection (c).

**(b) Functions of committee**

It is the function of the committee to conduct a study of the socioeconomic impacts of expanded coal production and rapid energy development in general, on States, including local communities, and on the public, including the adequacy of housing and public, recreational, and cultural facilities for coal miners and their families and the effect of any Federal or State laws or regulations on providing such housing and facilities. The committee shall gather data and information on—

(1) the level of assistance provided under this chapter and any other programs related to impact assistance,

(2) the timeliness of assistance in meeting impacts caused by Federal decisions on energy policy as well as private sector decisions, and

(3) the obstacles to effective assistance contained in regulations of existing programs related to impact assistance.

**(c) Report**

Within 1 year after the effective date of this chapter, the committee shall submit a detailed report on the results of such study to the Congress, together with any recommendations for additional legislation it may consider appropriate.

**§ 8457. Use of petroleum and natural gas in combustors**

The Secretary shall conduct a detailed study of the uses of petroleum and natural gas as a primary energy source for combustors and installations not subject to the prohibitions of this chapter. In conducting such study, the Secretary shall—

(1) identify those categories of major fuel-burning installations in which the substi-

tution of coal or other alternate fuels for petroleum and natural gas is economically and technically feasible, and

(2) determine the estimated savings of natural gas and petroleum expected from such substitution.

Within 1 year after the effective date of this chapter, the Secretary shall submit a detailed report on the results of such study to the Congress, together with any recommendations for legislation he may consider appropriate.

#### PART G—COORDINATION WITH OTHER PROVISIONS OF LAW

##### § 8471. Effect on environmental requirements

###### (a) Compliance with applicable environmental requirements

Except as provided in section 8374 of this title, nothing in this chapter shall be construed as permitting any existing or new electric powerplant to delay or avoid compliance with applicable environmental requirements.

###### (b) Local environmental requirements

In the case of any new or existing facility—

(1) which is subject to any prohibition under this chapter, and

(2) which is also subject to any requirement of any local environmental requirement which may be stricter than any Federal or State environmental requirement,

the existence of such local requirement shall not be construed to affect the validity or applicability of such prohibition to such facility, except

to the extent provided under section 8322(b) or section 8352(b) of this title; and the existence of such prohibition shall not be construed to preempt such local requirement with respect to that facility.

#### AMENDMENTS

1987—Subsec. (a). Pub. L. 100-42 struck out "or major fuel-burning installation" after "powerplant".

##### § 8472. Effect of orders under section 792 of title 15

###### (a) Effect of construction orders

Any electric powerplant or major fuel-burning installation issued an order pursuant to section 792(c) of title 15 that is pending on the effective date of this chapter shall, notwithstanding the provisions of such section 792(c) or any other provision of this chapter, be subject to the provisions of this chapter as if it were a new electric powerplant or new major fuel-burning installation, as the case may be, except that if such order became final before such date, the provisions of subchapter II of this chapter shall not apply to such powerplant or installation.

###### (b) Effect of prohibition orders

The provisions of subchapters II and III shall not apply to any powerplant or installation for which an order issued pursuant to section 792(a) of title 15 before the effective date of this chapter is pending or final or which, on review, was held unlawful and set aside on the merits; except that any installation issued such an order under such section 792(a) which is pending on the effective date of this chapter may elect to be covered by subchapter II or III (as the case may be) rather than such section 792. Such an election shall be irrevocable and shall be made in such form and manner as the Secretary shall, within 90 days after November 9, 1978, prescribe. Such an election shall be made not later than 60 days after the date on which the Secretary prescribes the form and manner of making such election.

###### (c) Validity of orders

The preceding provisions of this chapter shall not affect the validity of any order issued under subsection (a), or any final order under subsection (c), of section 792 of title 15, and the authority of the Secretary to amend, repeal, rescind, modify, or enforce any such order, or rules applicable thereto, shall remain in effect notwithstanding any limitation of time otherwise applicable to such authority. Except as provided in this section, the authority of the Secretary under section 792 of title 15 shall terminate on the effective date of this chapter.
