AMENDMENTS

1958—Subsecs. (h) to (k). Pub. L. 85-611 repealed subsec. (h) which defined "annual returns" and "normal returns", and redesignated subsecs. (i) to (k) as (h) to (j), respectively.

§ 485b. Amendment of existing repayment contracts

In connection with any repayment contract or other form of obligation, existing on August 4, 1939, to pay construction charges, providing for repayment on the basis of a definite period, the Secretary is authorized, upon request by the water users involved or their duly authorized representatives for amendment under this section of said contract or other form of obligation, and if in the Secretary's judgement such amendment is both practicable and in keeping with the general purpose of this subchapter, to amend said contract or other form of obligation so as to provide that the construction charges remaining unaccrued on the date of the amendment, or any later date agreed upon, shall be spread in definite annual installments on the basis of a longer definite period fixed in each case by the Secretary: *Provided*, That for any construction charges said longer period shall not exceed forty years, exclusive of 1931 and subsequent years to the extent of moratoria or deferments of construction charges due and payable for such years effected pursuant to Acts of Congress, from the date when the first installment of said construction charges become due and payable under the original obligation to pay said construction charges and in no event shall the unexpired part of said longer period exceed double the number of remaining years, as of the date of the amendment made pursuant to this subchapter, in which installments of said construction charges would become due and payable under said existing repayment contract or other form of obligation to pay construction charges. (Aug. 4, 1939, ch. 418, §3, 53 Stat. 1188.)

EXTENSION OF DATE OF MODIFICATION OF REPAYMENT CONTRACTS

Act Mar. 6, 1952, ch. 94, 66 Stat. 16, as amended by acts Aug. 31, 1954, ch. 1168, 68 Stat. 1044; Pub. L. 85-156, Aug. 21, 1957, 71 Stat. 390; Pub. L. 85-611, §3, Aug. 8, 1958, 72 Stat. 543; Pub. L. 86-308, §2, Sept. 21, 1959, 73 Stat. 585, provided that the authority vested in the Secretary of the Interior by sections 485b and 485f of this title should be extended through Dec. 31, 1960.

§ 485b-1. Deferment of installments under repayment contracts; determination of undue burden; conditions; supplemental contract; report to Congress

(a) The authority granted in section 485b of this title for modification of existing repayment contracts or other forms of obligations to pay construction charges shall continue through December 31, 1960.

(b) The Secretary is authorized, subject to the provisions of this subsection to defer the time for the payment of such part of any installments of construction charges under any repayment contract or other form of obligation as he deems necessary to adjust such installments to amounts within the probable ability of the water users to pay. Any such deferment shall be effected only after findings by the Secretary that the installments under consideration probably cannot be paid on their due date without undue burden on the water users, considering the various factors which in the Secretary's judgment bear on the ability of the water users so to pay.

The Secretary may effect the deferments hereunder subject to such conditions and provisions relating to the operation and maintenance of the project involved as he deems to be in the interest of the United States. If, however, any deferments would affect installments to accrue more than twelve months after the action of deferment, they shall be effected only by a formal supplemental contract. Such a contract shall provide by its terms that, it being only an interim solution of the repayment problems dealt with therein, its terms are not, in themselves, to be construed as a criterion of the terms of any amendatory contract that may be negotiated and that any such amendatory contract must be approved by the Congress unless it does not lengthen the repayment period for the project in question beyond that permitted by the laws applicable to that project, involves no reduction in the total amount payable by the water users, and is not in other respects less advantageous to the Government than the existing contract arrangements. The Secretary shall report to the Congress all deferments granted under this subsection.

1945—Subsec. (a). Subsec. (b). Act Apr. 24, 1945, authorized Secretary, subject to provisions of this subsection, to defer the time for the payment of such part of any installments of construction charges under any repayment contract or other form of obligation that are due and unpaid as of Apr. 24, 1945, or which would become due prior to the expiration of authority under subsec. (a).

APPLICABILITY TO OTHER IRRIGATION PROJECTS

Pub. L. 86-308, §3, Sept. 21, 1959, 73 Stat. 585, provided that: "The provisions of section 17, subsection (b), of the Reclamation Project Act of 1939 [subsec. (b) of this section], as amended by section 1 of this Act, shall apply to any project within the administrative jurisdiction of the Bureau of Reclamation to which, if it had been constructed as a project under the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 383) and Acts amendatory thereof or supplementary thereto [see Short Title note set out under section 371 of this title], these provisions would be applicable."

§ 485c. Repealed. Pub. L. 85-611, § 3, Aug. 8, 1958, 72 Stat. 543

Section, acts Aug. 4, 1939, ch. 418, §4, 53 Stat. 1189; Apr. 24, 1945, ch. 94, §1, 59 Stat. 75, related to repayment contracts with the United States. See section 485h(d)(3) of this title.

§ 485d. Time of payments to the United States

The Secretary in this discretion may require, in connection with any contract entered into

pursuant to the authority of this subchapter, that the contract provide (1) that the payments for each year to be made to the United States shall become due and payable on such date or dates, not exceeding two, in each year as the Secretary determines will be substantially contemporaneous with the time or times in each year when water users receive crop returns and (2) if the contract be with an organization, that assessments or levies for the purpose of obtaining moneys sufficient to meet the organization's payments under said contract shall be made and shall become due and payable within a certain period or periods of time prior to the date or dates on which the organization's payments to the United States are due and payable, said period or periods of time to be agreed upon in each said contract.

The Secretary may provide such deferments of construction charges as in his judgment are necessary to prevent said requirements from resulting in inequitable pyramiding of payments of said charges.

(Aug. 4, 1939, ch. 418, §5, 53 Stat. 1191.)

EXTENSION OF SECRETARY'S AUTHORITY TO ENTER INTO AMENDATORY CONTRACTS

Secretary's authority extended through Dec. 31, 1960, see section 485b-1 of this title.

§ 485e. Maintenance and operation of project works; delinquency penalties

In connection with any contract, relating to construction charges, entered into pursuant to the authority of this subchapter, the Secretary is authorized to require such provisions as he deems proper to secure the adoption of proper accounting, to protect the condition of project works and to provide for the proper use thereof, and to protect project lands against deterioration due to improper use of water. Any such contract shall require advance payment of adequate operation and maintenance charges. The Secretary is further authorized, in his discretion, to require such provisions as he deems proper to penalize delinquencies in payments of construction charges or operation and maintenance charges: *Provided*, That in any event there shall be penalties imposed on account of delinquencies of not less than one-half of 1 per centum per month of the delinquent charge from and after the date when such charge becomes due and payable: *Provided further*, That any such contract shall require that no water shall be delivered to lands or parties which are in arrears in the advance payment of operation and maintenance or toll charges, or to lands or parties which are in arrears for more than twelve months in the payment of construction charges due from such lands or parties to the United States or to the organization in which the lands or parties are included, or to any lands or parties included in an organization which is in arrears in the advance payment of operation and maintenance or toll charges or in arrears more than twelve months in the payment of construction charges due from such organization to the United States.
