

(2) expands on the information otherwise provided in an Asset Management Report, in accordance with subsection (b).

(b) Infrastructure maintenance needs assessment
(1) In general

The Asset Management Report submitted under subsection (a) shall include—

(A) a detailed assessment of major repair and rehabilitation needs for all reserved works at all Reclamation projects; and

(B) to the maximum extent practicable, an itemized list of major repair and rehabilitation needs of individual Reclamation facilities at each Reclamation project.

(2) Inclusions

To the maximum extent practicable, the itemized list of major repair and rehabilitation needs under paragraph (1)(B) shall include—

(A) a budget level cost estimate of the appropriations needed to complete each item; and

(B) an assignment of a categorical rating for each item, consistent with paragraph (3).

(3) Rating requirements

(A) In general

The system for assigning ratings under paragraph (2)(B) shall be—

(i) consistent with existing uniform categorization systems to inform the annual budget process and agency requirements; and

(ii) subject to the guidance and instructions issued under subparagraph (B).

(B) Guidance

As soon as practicable after March 12, 2019, the Secretary shall issue guidance that describes the applicability of the rating system applicable under paragraph (2)(B) to Reclamation facilities.

(4) Public availability

Except as provided in paragraph (5), the Secretary shall make publicly available, including on the internet, the Asset Management Report required under subsection (a).

(5) Confidentiality

The Secretary may exclude from the public version of the Asset Management Report made available under paragraph (4) any information that the Secretary identifies as sensitive or classified, but shall make available to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives a version of the report containing the sensitive or classified information.

(c) Updates

Not later than 2 years after the date on which the Asset Management Report is submitted under subsection (a) and biennially thereafter, the Secretary shall update the Asset Management Report, subject to the requirements of section 505a-2(b)(2) of this title.

(d) Consultation

To the extent that such consultation would assist the Secretary in preparing the Asset Man-

agement Report under subsection (a) and updates to the Asset Management Report under subsection (c), the Secretary shall consult with—

(1) the Secretary of the Army (acting through the Chief of Engineers); and

(2) water and power contractors.

DEFINITION OF “SECRETARY”

Secretary means the Secretary of the Interior, see section 2 of Pub. L. 116-9, set out as a note under section 1 of Title 16, Conservation.

§ 505a-2. Asset Management Report enhancements for transferred works

(a) In general

The Secretary shall coordinate with the non-Federal entities responsible for the operation and maintenance of transferred works in developing reporting requirements for Asset Management Reports with respect to major repair and rehabilitation needs for transferred works that are similar to the reporting requirements described in section 505a-1(b) of this title.

(b) Guidance

(1) In general

After considering input from water and power contractors of the Bureau, the Secretary shall develop and implement a rating system for transferred works that incorporates, to the maximum extent practicable, the rating system for major repair and rehabilitation needs for reserved works developed under section 505a-1(b)(3) of this title.

(2) Updates

The ratings system developed under paragraph (1) shall be included in the updated Asset Management Reports under section 505a-1(c) of this title.

(Pub. L. 116-9, title VIII, §8603, Mar. 12, 2019, 133 Stat. 828.)

DEFINITION OF “SECRETARY”
