§ 510b. Extraordinary operation and maintenance work performed by the Secretary

(a) In general

The Secretary or the transferred works operating entity may carry out, in accordance with subsection (b) and consistent with existing transfer contracts, any extraordinary operation and maintenance work on a project facility that the Secretary determines to be reasonably required to preserve the structural safety of the project facility.

(b) Reimbursement of costs arising from extraordinary operation and maintenance work

(1) Treatment of costs

For reserved works, costs incurred by the Secretary in conducting extraordinary operation and maintenance work will be allocated to the authorized reimbursable purposes of the project and shall be repaid within 50 years, with interest, from the year in which work undertaken pursuant to this subchapter is substantially complete.

(2) Authority of Secretary

For transferred works, the Secretary is authorized to advance the costs incurred by the transferred works operating entity in conducting extraordinary operation and maintenance work and negotiate appropriate 50-year repayment contracts with project beneficiaries providing for the return of reimbursable costs, with interest, under this subsection: Provided, however, That no contract entered into pursuant to this subchapter shall be deemed to be a new or amended contract for the purposes of section 390cc(a) of this title.

(3) Determination of interest rate

The interest rate used for computing interest on work in progress and interest on the unpaid balance of the reimbursable costs of extraordinary operation and maintenance work authorized by this subchapter shall be determined by the Secretary of the Treasury, as of the beginning of the fiscal year in which extraordinary operation and maintenance work is commenced, on the basis of average market yields on outstanding marketable obligations of the United States with the remaining periods of maturity comparable to the applicable reimbursement period of the project, adjusted to the nearest $\frac{1}{8}$ of 1 percent on the unamortized balance of any portion of the loan.

(c) Emergency extraordinary operation and maintenance work

(1) In general

The Secretary or the transferred works operating entity shall carry out any emergency extraordinary operation and maintenance work on a project facility that the Secretary deter-

mines to be necessary to minimize the risk of imminent harm to public health or safety, or property.

(2) Reimbursement

The Secretary may advance funds for emergency extraordinary operation and maintenance work and shall seek reimbursement from the transferred works operating entity or benefitting entity upon receiving a written assurance from the governing body of such entity that it will negotiate a contract pursuant to this section for repayment of costs incurred by the Secretary in undertaking such work.

(3) Funding

If the Secretary determines that a project facility inspected and maintained pursuant to the guidelines and criteria set forth in section 510a(a) of this title requires extraordinary operation and maintenance pursuant to paragraph (1), the Secretary may provide Federal funds on a nonreimbursable basis sufficient to cover 35 percent of the cost of the extraordinary operation and maintenance allocable to the transferred works operating entity, which is needed to minimize the risk of imminent harm. The remaining share of the Federal funds advanced by the Secretary for such work shall be repaid under subsection (b).

SUBCHAPTER XII—CONTRACTS WITH STATE IRRIGATION DISTRICTS FOR PAYMENT OF CHARGES

§ 511. Authority to contract with irrigation district

In carrying out the purposes of the Act of June 17, 1902 (32 Stat. 388), and Acts amendatory thereof and supplementary thereto and known as the reclamation law, the Secretary of the Interior may enter into contract with any legally organized irrigation district whereby such irri-

gation district shall agree to pay the moneys required to be paid to the United States, and in such event water-right applications on the part of landowners and entrymen, in the discretion of the Secretary of the Interior, may be dispensed with. In the event of such contract being made with an irrigation district, the Secretary of the Interior, in his discretion, may contract that the payments, both for the construction of irrigation works and for operation and maintenance, on the part of the district shall be made upon such dates as will best conform to the district and taxation laws of the respective States under which such irrigation districts shall be formed, and if he deem it advisable he may contract for such penalties or interest charges in case of delinquency in payments as he may deem proper and consistent with such State laws, notwithstanding the provisions of sections 471, 472, 475, 478 to 481, 492, 493, 494 to 497 and 499 of this title. The Secretary of the Interior may accept a partial payment of the amount due from any district to the United States, providing such acceptance shall not constitute a waiver of the balance remaining due nor the interest or penalties, if any, accruing upon said balance: *Provided*, That no contract with an irrigation district under this section and sections 512 and 513 of this title shall be binding on the United States until the proceedings on the part of the district for the authorization of the execution of the contract with the United States shall have been confirmed by decree of a court of competent jurisdiction, or pending appellate action if ground for appeal be laid.

§ 512. Release of Government liens after contract with irrigation districts

Patents and water-right certificates which shall be issued after May 15, 1922, under the terms of subchapter XIV of this chapter, for lands lying within any irrigation district with which the United States shall have contracted, by which the irrigation district agrees to make the payment of all charges for the building of irrigation works and for operation and maintenance, shall not reserve to the United States a lien for the payment of such charges; and where such a lien shall have been reserved in any patent or water-right certificate issued under said subchapter, the Secretary of the Interior is empowered to release such lien in such manner and form as may be deemed effective; and the Secretary of the Interior is further empowered to release liens in favor of the United States contained in water-right applications and to assent to the release of liens to secure reimbursement of moneys due to the United States pursuant to water-right applications running in favor of the water users' association and contained in stock subscription contracts to such associations, when the lands covered by such liens shall be subject to assessment and levy for the collection

of all moneys due and to become due to the United States by irrigation districts formed pursuant to State law and with which the United States shall have entered into contract therefor: *Provided*, That no such lien so reserved to the United States in any patent or water-right certificate shall be released until the owner of the land covered by the lien shall consent in writing to the assessment, levy, and collection by such irrigation district of taxes against said land for the payment to the United States of the contract obligation: *Provided further*, That before any lien is released under this section the Secretary of the Interior shall file a written report finding that the contracting irrigation district is legally organized under the laws of the State in which its lands are located, with full power to enter into the contract and to collect by assessment and levy against the lands of the district the amount of the contract obligation.

SUBCHAPTER XIII—SALE OR LEASE OF SURPLUS WATERS, WATER POWER, STORAGE CAPACITY, AND WATER TRANSPORTATION FACILITIES

§ 521. Sale of surplus waters generally

The Secretary of the Interior in connection with the operations under the reclamation law is authorized to enter into contract to supply water from any project irrigation system for other purposes than irrigation, upon such conditions of delivery, use, and payment as he may deem proper: *Provided*, That the approval of such contract by the water-users' association or associations shall have first been obtained: *Provided*, That no such contract shall be entered into except upon a showing that there is no other practicable source of water supply for the purpose: *Provided further*, That no water shall be furnished for the uses aforesaid if the delivery of such water shall be detrimental to the water service for such irrigation project, nor to the rights of any prior appropriator: *Provided further*, That the moneys derived from such con-
