

“(4) the Congress has authorized the National Park Service, the Bureau of Land Management, and the United States Fish and Wildlife Service to contract for the provision of certain facilities, accommodations, and services by non-Federal entities, but with certain limitations that reflect the values and appropriate management policies of the various conservation areas, parks, wildlife refuges, and other public lands;

“(5) expansion of the contracting authority of the managers of these conservation areas, parks, wildlife refuges, and lands should be considered only after careful study of the existing management mandates and contracting authorities; and

“(6) management and regulation of natural resources on Federal lands are inherently Government functions and should be performed by Federal employees.

“(b)(1)(A) The provisions of Office of Management and Budget Circular A-76 and any similar provisions in any other order or directive shall not apply to activities conducted by the National Park Service, United States Fish and Wildlife Service, and the Bureau of Land Management which involve ten full time equivalents (FTE) or less.

“(B) For fiscal years 1985 through and including 1988, no contracts, for activities conducted by the National Park Service, United States Fish and Wildlife Service, or the Bureau of Land Management which have been subject to the provisions of Office of Management and Budget Circular A-76 or any similar provision in any other order or directive, shall be entered into by the United States until funds have been specifically provided therefore by an Act of Congress.

“(2) Nothing in this section shall prevent the National Park Service, United States Fish and Wildlife Service, and the Bureau of Land Management from entering into contracts for services and materials under provisions of law and rules, regulations, orders, and policies other than the circular referred to in paragraph (1) or any similar order or directive.”
