AMENDMENTS

2014—Pub. L. 113-281, title III, §320(b), Dec. 18, 2014, 128 Stat. 3054, added item 11113.

1986—Pub. L. 99-307, §1(19)(A), May 19, 1986, 100 Stat. 446, added item 11112.

§ 11101. Accommodations for seamen

(a) On a merchant vessel of the United States the construction of which began after March 4, 1915 (except a yacht, pilot vessel, or vessel of less than 100 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title)—

(1) each place appropriated to the crew of the vessel shall have a space of at least 120 cubic feet and at least 16 square feet, measured on the floor or deck of that place, for each seaman or apprentice lodged in the vessel;

(2) each seaman shall have a separate berth and not more than one berth shall be placed one above another;

(3) the place or berth shall be securely constructed, properly lighted, drained, heated, and ventilated, properly protected from weather and sea, and, as far as practicable, properly shut off and protected from the effluvia of cargo or bilge water; and

(4) crew space shall be kept free from goods or stores that are not the personal property of the crew occupying the place in use during the voyage.

(b) In addition to the requirements of subsection (a) of this section, a merchant vessel of

the United States that in the ordinary course of trade makes a voyage of more than 3 days' duration between ports and carries a crew of at least 12 seamen shall have a hospital compartment, suitably separated from other spaces. The compartment shall have at least one bunk for each 12 seamen constituting the crew (but not more than 6 bunks may be required).

(c) A steam vessel of the United States operating on the Mississippi River or its tributaries shall provide, under the direction and approval of the Secretary, an appropriate place for the crew that shall conform to the requirements of this section, as far as they apply to the steam vessel, by providing a properly heated sleeping room in the engine room of the steam vessel properly protected from the cold, wind, and rain by means of suitable awnings or screens on either side of the guards or sides and forward, reaching from the boiler deck to the lower or main deck.

(d) A merchant vessel of the United States, the construction of which began after March 4, 1915, having more than 10 seamen on deck, shall have at least one lighted, clean, and properly heated and ventilated washing place. There shall be provided at least one washing outfit for each 2 seamen of the watch. A separate washing place shall be provided for the fireroom and engine room seamen, if their number is more than 10, that shall be large enough to accommodate at least one-sixth of them at the same time, and have a hot and cold water supply and a sufficient number of washbasins, sinks, and shower baths.

(e) Forecastsles shall be fumigated at intervals provided by regulations prescribed by the Secretary of Health and Human Services, with the approval of the Secretary, and shall have at least 2 exits, one of which may be used in emergencies.

(f) The owner, charterer, managing operator, agent, master, or licensed individual of a vessel not complying with this section is liable to the United States Government for a civil penalty of at least \$50 but not more than \$500.
