AMENDMENTS

2018—Pub. L. 115-387, §2(a)(8)(A), in introductory provisions, substituted “Assistant Secretary” for “Director for Domestic Nuclear Detection” and “section 592” for “paragraphs (6) and (7) of section 592(a)”.

Par. (2). Pub. L. 115-387, §2(a)(8)(B), substituted “section 592” for “paragraphs (6) and (7) of section 592(a)”.

2007—Pub. L. 110-53, §104(a)(4), made technical amendment to reference in original act which appears in two places in text as reference to section 592(a) of this title.

**§ 596a. Joint annual interagency review of global nuclear detection architecture**

**(a) Annual review**

**(1) In general**

The Secretary, the Attorney General, the Secretary of State, the Secretary of Defense, the Secretary of Energy, and the Director of National Intelligence shall jointly ensure interagency coordination on the development and implementation of the global nuclear detection architecture by ensuring that, not less frequently than once each year—

(A) each relevant agency, office, or entity—

(i) assesses its involvement, support, and participation in the development, revision,

and implementation of the global nuclear detection architecture; and

(ii) examines and evaluates components of the global nuclear detection architecture (including associated strategies and acquisition plans) relating to the operations of that agency, office, or entity, to determine whether such components incorporate and address current threat assessments, scenarios, or intelligence analyses developed by the Director of National Intelligence or other agencies regarding threats relating to nuclear or radiological weapons of mass destruction;

(B) each agency, office, or entity deploying or operating any nuclear or radiological detection technology under the global nuclear detection architecture—

(i) evaluates the deployment and operation of nuclear or radiological detection technologies under the global nuclear detection architecture by that agency, office, or entity;

(ii) identifies performance deficiencies and operational or technical deficiencies in nuclear or radiological detection technologies deployed under the global nuclear detection architecture; and

(iii) assesses the capacity of that agency, office, or entity to implement the responsibilities of that agency, office, or entity under the global nuclear detection architecture; and

(C) the Assistant Secretary and each of the relevant departments that are partners in the National Technical Forensics Center—

(i) include, as part of the assessments, evaluations, and reviews required under this paragraph, each office's or department's activities and investments in support of nuclear forensics and attribution activities and specific goals and objectives accomplished during the previous year pursuant to the national strategic five-year plan for improving the nuclear forensic and attribution capabilities of the United States required under section 1036 of the National Defense Authorization Act for Fiscal Year 2010;

(ii) attaches, as an appendix to the Joint Interagency Annual Review, the most current version of such strategy and plan; and

(iii) includes a description of new or amended bilateral and multilateral agreements and efforts in support of nuclear forensics and attribution activities accomplished during the previous year.

**(2) Technology**

Not less frequently than once each year, the Secretary shall examine and evaluate the development, assessment, and acquisition of radiation detection technologies deployed or implemented in support of the domestic portion of the global nuclear detection architecture.

**(b) Annual report on joint interagency review**

**(1) In general**

Not later than March 31 of each year, the Secretary, the Attorney General, the Sec-
