

implement revisions in the administration of the marketing assistance loan program for upland cotton to more accurately and efficiently reflect market values for upland cotton.

(B) Mandatory revisions

Revisions under subparagraph (A) shall include—

(i) the elimination of warehouse location differentials;

(ii) the establishment of differentials for the various quality factors and staple lengths of cotton based on a 3-year, weighted moving average of the weighted designated spot market regions, as determined by regional production;

(iii) the elimination of any artificial split in the premium or discount between upland cotton with a 32 or 33 staple length due to micronaire; and

(iv) a mechanism to ensure that no premium or discount is established that exceeds the premium or discount associated with a leaf grade that is 1 better than the applicable color grade.

(C) Discretionary revisions

Revisions under subparagraph (A) may include—

(i) the use of non-spot market price data, in addition to spot market price data, that would enhance the accuracy of the price information used in determining quality adjustments under this subsection;

(ii) adjustments in the premiums or discounts associated with upland cotton with a staple length of 33 or above due to micronaire with the goal of eliminating any unnecessary artificial splits in the calculations of the premiums or discounts; and

(iii) such other adjustments as the Secretary determines appropriate, after consultations conducted in accordance with paragraph (3).

(3) Consultation with private sector

(A) Prior to revision

In making adjustments to the loan rate for cotton (including any review of the adjustments) as provided in this subsection, the Secretary shall consult with representatives of the United States cotton industry.

(B) Inapplicability of Federal Advisory Committee Act

The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to consultations under this subsection.

(4) Review of adjustments

The Secretary may review the operation of the upland cotton quality adjustments implemented pursuant to this subsection and may make further revisions to the administration of the loan program for upland cotton, by—

(A) revoking or revising any actions taken under paragraph (2)(B); or

(B) revoking or revising any actions taken or authorized to be taken under paragraph (2)(C).

(e) Rice

The Secretary shall not make adjustments in the loan rates for long grain rice and medium

grain rice, except for differences in grade and quality (including milling yields).

SUBCHAPTER III—PEANUTS

§ 8751. Definitions

In this subchapter:

(1) Base acres for peanuts

(A) In general

The term “base acres for peanuts” means the number of acres assigned to a farm pursuant to section 7952 of this title, as in effect on September 30, 2007, subject to any adjustment under section 8752 of this title.

(B) Covered commodities

The term “base acres”, with respect to a covered commodity, has the meaning given the term in section 8711 of this title.

(2) Counter-cyclical payment

The term “counter-cyclical payment” means a payment made to producers on a farm under section 8754¹ of this title.

(3) Direct payment

The term “direct payment” means a direct payment made to producers on a farm under section 8753¹ of this title.

(4) Effective price

The term “effective price” means the price calculated by the Secretary under section

¹ See References in Text note below.

8754¹ of this title for peanuts to determine whether counter-cyclical payments are required to be made under that section for a crop year.

(5) Payment acres

The term “payment acres” means, in the case of direct payments and counter-cyclical payments—

(A) except as provided in subparagraph (B), 85 percent of the base acres of peanuts on a farm on which direct payments or counter-cyclical payments are made; and

(B) in the case of direct payments for each of the 2009 through 2011 crop years, 83.3 percent of the base acres for peanuts on a farm on which direct payments are made.

(6) Payment yield

The term “payment yield” means the yield established for direct payments and the yield established for counter-cyclical payments under section 7952 of this title, as in effect on September 30, 2007, for a farm for peanuts.

(7) Producer

(A) In general

The term “producer” means an owner, operator, landlord, tenant, or sharecropper that shares in the risk of producing a crop on a farm and is entitled to share in the crop available for marketing from the farm, or would have shared had the crop been produced.

(B) Hybrid seed

In determining whether a grower of hybrid seed is a producer, the Secretary shall—

(i) not take into consideration the existence of a hybrid seed contract; and

(ii) ensure that program requirements do not adversely affect the ability of the grower to receive a payment under this subchapter.

(8) State

The term “State” means—

(A) a State;

(B) the District of Columbia;

(C) the Commonwealth of Puerto Rico; and

(D) any other territory or possession of the United States.

(9) Target price

The term “target price” means the price per ton of peanuts used to determine the payment rate for counter-cyclical payments.

(10) United States

The term “United States”, when used in a geographical sense, means all of the States.

§ 8752. Base acres for peanuts for a farm

(a) Adjustment of base acreage for peanuts

(1) In general

The Secretary shall provide for an adjustment, as appropriate, in the base acres for peanuts for a farm whenever any of the following circumstances occur:

(A) A conservation reserve contract entered into under section 1231 of the Food Security Act of 1985 (16 U.S.C. 3831) with respect to the farm expires or is voluntarily terminated, or was terminated or expired during the period beginning on October 1, 2007, and ending on the date of enactment of this Act.

(B) Cropland is released from coverage under a conservation reserve contract by the Secretary, or was released during the period beginning on October 1, 2007, and ending on the date of enactment of this Act.

(C) The producer has eligible pulse crop acreage, which shall be determined in the same manner as eligible oilseed acreage under section 7911(a)(2) of this title.

(D) The producer has eligible oilseed acreage as the result of the Secretary designating additional oilseeds, which shall be determined in the same manner as eligible oilseed acreage under section 7911(a)(2) of this title.

(2) Special conservation reserve acreage payment rules

For the crop year in which a base acres for peanuts adjustment under subparagraph (A) or (B) of paragraph (1) is first made, the owner of the farm shall elect to receive either direct payments and counter-cyclical payments with respect to the acreage added to the farm under this subsection or a prorated payment under the conservation reserve contract, but not both.

(b) Prevention of excess base acres for peanuts

(1) Required reduction

If the sum of the base acres for peanuts for a farm, together with the acreage described in paragraph (2), exceeds the actual cropland acreage of the farm, the Secretary shall reduce the base acres for peanuts for the farm or the base acres for 1 or more covered commodities for the farm so that the sum of the base acres for peanuts and acreage described in paragraph (2) does not exceed the actual cropland acreage of the farm.

(2) Other acreage

For purposes of paragraph (1), the Secretary shall include the following:

(A) Any base acres for the farm for a covered commodity.

(B) Any acreage on the farm enrolled in the conservation reserve program or wetlands reserve program under chapter 1 of subtitle D of title XII of the Food Security Act of 1985 (16 U.S.C. 3830 et seq.).
