

(ii) the date of completion of the project.

(B) Reporting for middle mile projects

The Secretary shall require any entity receiving assistance under section 950bb-1 of this title to submit a semiannual report for 5 years after completion of the project, in a format specified by the Secretary, that describes—

(i) the use by the entity of the assistance to construct, improve, or acquire middle mile infrastructure;

(ii) the progress towards meeting the end-user connection plan submitted under section 950bb-1(d)(1)(A)(iii) of this title; and

(iii) any additional metrics the Secretary determines to be appropriate.

(C) Additional reporting

The Secretary may require any additional reporting and information by any recipient of any broadband assistance under this chapter so as to ensure compliance with this section.

(d) Annual report on broadband projects and service to Congress

Each year, the Secretary shall submit to the Congress a report that describes the extent of participation in the broadband assistance programs administered by the Secretary for the preceding fiscal year, including a description of—

(1) the number of applications received and accepted, including any special loan terms or conditions for which the Secretary provided additional assistance to unserved areas;

(2)(A) the communities proposed to be served in each application submitted for the fiscal year; and

(B) the communities served by projects funded by broadband assistance programs;

(3) the period of time required to approve each loan application under broadband programs;

(4) any outreach activities carried out by the Secretary to encourage entities in rural areas without broadband service to submit applications under this chapter;

(5) the method by which the Secretary determines that a service enables a subscriber to originate and receive high-quality voice, data, graphics, and video for purposes of providing broadband service under this chapter;

(6) each broadband service, including the type and speed of broadband service, for which assistance was sought, and each broadband service for which assistance was provided, under this chapter; and

(7) the overall progress towards fulfilling the goal of improving the quality of rural life by expanding rural broadband access, as demonstrated by metrics, including—

(A) the number of residences and businesses receiving new broadband services;

(B) network improvements, including facility upgrades and equipment purchases;

(C) average broadband speeds and prices on a local and statewide basis;

(D) any changes in broadband adoption rates; and

(E) any specific activities that increased high speed broadband access for educational institutions, health care providers, and public safety service providers.

(e) Limitations on reservation of funds

Not less than 3 but not more than 5 percent of program level amounts available pursuant to amounts appropriated to carry out subchapter VI shall be set aside to be used for—

(1) conducting oversight under such subchapter;

(2) implementing accountability measures and related activities authorized under such subchapter; and

(3) carrying out this section.

§ 950cc-1. Environmental reviews

The Secretary may obligate, but not disperse, funds under this chapter before the completion of otherwise required environmental, historical, or other types of reviews if the Secretary determines that a subsequent site-specific review shall be adequate and easily accomplished for the location of towers, poles, or other broadband facilities in the service area of the borrower without compromising the project or the required reviews.

(May 20, 1936, ch. 432, title VII, §702, as added Pub. L. 115-334, title VI, §6208, Dec. 20, 2018, 132 Stat. 4743.)

§ 950cc-2. Use of loan proceeds to refinance loans for deployment of broadband service

Notwithstanding any other provision of this chapter, the proceeds of any loan made or guaranteed by the Secretary under this chapter may be used by the recipient of the loan for the purpose of refinancing an outstanding obligation of the recipient on another telecommunications loan made under this chapter, or on any other loan if that loan would have been for an eligible telecommunications purpose under this chapter.

(May 20, 1936, ch. 432, title VII, §703, as added Pub. L. 115-334, title VI, §6209, Dec. 20, 2018, 132 Stat. 4743.)
