§ 2017. Value of allotment

(a) Calculation

The value of the allotment which State agencies shall be authorized to issue to any households certified as eligible to participate in the supplemental nutrition assistance program shall be equal to the cost to such households of the thrifty food plan reduced by an amount equal to 30 per centum of the household's income, as determined in accordance with section 2014(d) and (e) of this title, rounded to the nearest lower whole dollar: *Provided*, That for households of one and two persons the minimum allotment shall be 8 percent of the cost of the thrifty food plan for a household containing 1 member, as determined by the Secretary under section 2012 of this title, rounded to the nearest whole dollar increment.

(b) Benefits not deemed income or resources for certain purposes

The value of benefits that may be provided under this chapter shall not be considered income or resources for any purpose under any Federal, State, or local laws, including, but not limited to, laws relating to taxation, welfare, and public assistance programs, and no participating State or political subdivision thereof

shall decrease any assistance otherwise provided an individual or individuals because of the receipt of benefits under this chapter.

(c) First month benefits prorated

(1) The value of the allotment issued to any eligible household for the initial month or other initial period for which an allotment is issued shall have a value which bears the same ratio to the value of the allotment for a full month or other initial period for which the allotment is issued as the number of days (from the date of application) remaining in the month or other initial period for which the allotment is issued bears to the total number of days in the month or other initial period for which the allotment is issued, except that no allotment may be issued to a household for the initial month or period if the value of the allotment which such household would otherwise be eligible to receive under this subsection is less than \$10. Households shall receive full months' allotments for all months within a certification period, except as provided in the first sentence of this paragraph with respect to an initial month.

(2) As used in this subsection, the term “initial month” means (A) the first month for which an allotment is issued to a household, (B) the first month for which an allotment is issued to a household following any period in which such household was not participating in the supplemental nutrition assistance program under this chapter after the expiration of a certification period or after the termination of the certification of a household, during a certification period, when the household ceased to be eligible after notice and an opportunity for a hearing under section 2020(e)(10) of this title, and (C) in the case of a migrant or seasonal farmworker household, the first month for which allotment is issued to a household that applies following any period of more than 30 days in which such household was not participating in the supplemental nutrition assistance program after previous participation in such program.

(3) OPTIONAL COMBINED ALLOTMENT FOR EXPEDITED HOUSEHOLDS.—A State agency may provide to an eligible household applying after the 15th day of a month, in lieu of the initial allotment of the household and the regular allotment of the household for the following month, an allotment that is equal to the total amount of the initial allotment and the first regular allotment. The allotment shall be provided in accordance with section 2020(e)(3) of this title in the case of a household that is not entitled to expedited service and in accordance with paragraphs (3) and (9) of section 2020(e) of this title in the case of a household that is entitled to expedited service.

(d) Reduction of public assistance benefits

(1) In general

If the benefits of a household are reduced under a Federal, State, or local law relating to a means-tested public assistance program for the failure of a member of the household to perform an action required under the law or program, for the duration of the reduction—

in the income of the household to the extent that the decrease is the result of the reduction; and

(B) the State agency may reduce the allotment of the household by not more than 25 percent.

(2) Rules and procedures

If the allotment of a household is reduced under this subsection for a failure to perform an action required under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), the State agency may use the rules and procedures that apply under part A of title IV of the Act to reduce the allotment under the supplemental nutrition assistance program.

(f) Alternative procedures for residents of certain group facilities

(ii) Issuance to departed residents

On receiving a notification under clause (i)(I) concerning the departure of a resident, the State agency—

(I) shall promptly issue the departed resident an allotment for the days of the month after the departure of the resident (calculated in a manner prescribed by the Secretary) unless the departed resident reapplies to participate in the supplemental nutrition assistance program; and

(II) may issue an allotment for the month following the month of the departure (but not any subsequent month) based on this paragraph unless the departed resident reapplies to participate in the supplemental nutrition assistance program.

(iii) State option

The State agency may elect not to issue an allotment under clause (ii)(I) if the State agency lacks sufficient information on the location of the departed resident to provide the allotment.

(iv) Effect of reapplication

If the departed resident reapplies to participate in the supplemental nutrition assistance program, the allotment of the departed resident shall be determined without regard to this paragraph.

(2) Pilot projects

(A) In general

Before the Secretary authorizes implementation of paragraph (1) in all States, the Secretary shall carry out, at the request of 1 or more State agencies and in 1 or more areas of the United States, such number of pilot projects as the Secretary determines to be sufficient to test the feasibility of determin-

(B) Project plan

To be eligible to participate in a pilot project under subparagraph (A), a State agency shall submit to the Secretary for approval a project plan that includes—

(I) shall not authorize implementation of paragraph (1) in all States; and

(II) shall terminate all pilot projects under paragraph (2) within a reasonable period of time (as determined by the Secretary).

(ii) Finding

The finding referred to in clause (i) is that—

(I) an insufficient number of project plans that the Secretary determines to be eligible for approval are submitted by State agencies under paragraph (2)(B); or

(II)(aa) a sufficient number of pilot projects have been carried out under paragraph (2)(A); and

(bb) authorization of implementation of paragraph (1) in all States is not in the best interest of the supplemental nutrition assistance program.

Pub. L. 95-113, title XIII, § 1301, Sept. 29, 1977, 91 Stat. 958, provided that the amendment made by section 1301 is effective Oct. 1, 1977.

§ 2018. Approval of retail food stores and wholesale food concerns

(a) Authorization to accept and redeem benefits

(1) APPLICATIONS.—

(A) IN GENERAL.—Regulations issued pursuant to this chapter shall provide for the submission of applications for approval by retail food stores and wholesale food concerns which desire to be authorized to accept and redeem benefits under the supplemental nutrition assistance program and for the approval of those applicants whose participation will effectuate the purposes of the supplemental nutrition assistance program.

(B) FACTORS FOR CONSIDERATION.—In determining the qualifications of applicants, there shall be considered among such other factors as may be appropriate, the following:

- (i) the nature and extent of the food business conducted by the applicant;
- (ii) the volume of benefit transactions which may reasonably be expected to be conducted by the applicant food store or wholesale food concern;
- (iii) whether the applicant is located in an area with significantly limited access to food;
- (iv) any information, if available, about the ability of the anticipated or existing electronic benefit transfer equipment and service provider of the applicant to provide sufficient information through the electronic benefit transfer system to minimize the risk of fraudulent transactions; and
- (v) the business integrity and reputation of the applicant.

(C) CERTIFICATE.—Approval of an applicant shall be evidenced by the issuance to such ap-

plicant of a nontransferable certificate of approval.

(D) VISIT REQUIRED.—No retail food store or wholesale food concern of a type determined by the Secretary, based on factors that include size, location, and type of items sold, shall be approved to be authorized or reauthorized for participation in the supplemental nutrition assistance program unless an authorized employee of the Department of Agriculture, a designee of the Secretary, or, if practicable, an official of the State or local government designated by the Secretary has visited the store or concern for the purpose of determining whether the store or concern should be approved or reauthorized, as appropriate.

(2) The Secretary shall issue regulations providing for—

(A) the periodic reauthorization of retail food stores and wholesale food concerns; and

(B) periodic notice to participating retail food stores and wholesale food concerns of the definitions of “retail food store”, “staple foods”, “eligible foods”, and “perishable foods”.

(3) AUTHORIZATION PERIODS.—The Secretary shall establish specific time periods during which authorization to accept and redeem benefits shall be valid under the supplemental nutrition assistance program.

(4) ELECTRONIC BENEFIT TRANSFER EQUIPMENT AND SERVICE PROVIDERS.—Before implementing clause (iv) of paragraph (1)(B), the Secretary shall issue guidance for retail food stores on how to select electronic benefit transfer equipment and service providers that are able to meet the requirements of that clause.

(b) Effective and efficient operation of program; effect of disqualification; posting of bond

(1) No wholesale food concern may be authorized to accept and redeem benefits unless the Secretary determines that its participation is required for the effective and efficient operation of the supplemental nutrition assistance program. No co-located wholesale-retail food concern may be authorized to accept and redeem benefits as a retail food store, unless (A) the concern does a substantial level of retail food business, or (B) the Secretary determines that failure to authorize such a food concern as a retail food store would cause hardship to households that receive supplemental nutrition assistance program benefits. In addition, no firm may be authorized to accept and redeem benefits as both a retail food store and as a wholesale food concern at the same time.

(2)(A) A buyer or transferee (other than a bona fide buyer or transferee) of a retail food store or wholesale food concern that has been disqualified under section 2021(a) of this title may not accept or redeem benefits until the Secretary receives full payment of any penalty imposed on such store or concern.

(B) A buyer or transferee may not, as a result of the sale or transfer of such store or concern, be required to furnish a bond under section 2021(d) of this title.
