

nity's assets, including local government information systems, schools, libraries, transportation systems, hospitals, power plants, law enforcement, and other community services with the goal of promoting quality of life through the use of technology in ways that improve the efficiency of services and meet residents' needs.

(B) Jobs accelerator working group

(i) Establishment

The Council shall establish a Jobs Accelerator Working Group.

(ii) Goals

The Jobs Accelerator Working Group shall support rural jobs accelerators (as defined in section 2008w(a)(4) of this title)—

(I) to improve the ability of rural communities to create high-wage jobs, accelerate the formation of new businesses with high-growth potential, and strengthen regional economies, including by helping to build capacity in the applicable region to achieve those goals; and

(II) to help rural communities identify and maximize local assets and connect to regional opportunities, networks, and industry clusters that demonstrate high growth potential.

(iii) Duties

The Jobs Accelerator Working Group shall—

(I) provide the public with available information and technical assistance on Federal resources relevant to a project and region;

(II) establish a Federal support team comprised of staff from participating agencies in the working group that shall provide coordinated and dedicated support services to rural jobs accelerators; and

(III) provide opportunities for rural jobs accelerators to share best practices and further collaborate with one another.

REFERENCES IN TEXT

Executive Order 13790, referred to in subsec. (b)(2), is Ex. Ord. No. 13790, §6, Apr. 25, 2017, 82 F.R. 20239, which is not classified to the Code.

DEFINITION OF "SECRETARY"

"Secretary" means the Secretary of Agriculture, see section 2 of Pub. L. 115-334, set out as a note under section 9001 of this title.

§ 2204c. Water management for rural areas

(a) In general

The Secretary of Agriculture is authorized, directly or in coordination with any other Federal agency, entity, corporation, department, unit of State or local government, cooperative, confederation, individual, public or private organization, Indian tribe, or university, to—

(1) conduct research and demonstration projects;

(2) provide technical assistance and extension services;

(3) make grants, loans, and loan guarantees; and

(4) provide other forms of assistance, for the purpose of helping rural areas make better and more efficient use of water resources and to alleviate problems arising in such areas from droughts or lack of water.

(b) Activities

The Secretary is authorized to provide assistance under this section for the promotion or establishment of irrigation, watersheds, and other water management and drought management activities, including water transmission, application, and activation.

(c) Cooperation

In implementing this section, the Secretary—

(1) should address the general, special, and unique problems of water management existing in rural areas;

(2) may take action independently or in cooperation with Federal, State, public, or private entities and agencies; and

(3) shall cooperate with—

(A) cooperatives, public or private organizations, confederations, authorities, or other entities (including such entities that may be organized under multiple State agreements or compacts and entities created under State law) to carry out projects authorized under this section; and

(B) water, watershed, and sewer authorities, rural electric cooperatives, Federal agencies, and other State or local governments or agencies.

(d) Regulations

(1) The Secretary shall issue regulations to carry out this section.

(2) Such regulations shall—

(A) specify the terms and conditions that the entities described in subsections (a) and (c) must meet in order to participate in programs carried out under this section;

(B) establish a procedure under which entities described in subsections (a) and (c) may apply for assistance under this section; and

(C) foster cooperation between such entities and other Federal, State, or local agencies for the purposes of carrying out the provisions of this section.

(e) "University" defined

As used in this section, the term "university" means—

(1) a land grant university established under the Act of July 2, 1862 (known as the "First Morrill Act"; 12 Stat. 503, chapter 130; 7 U.S.C. 301 et seq.);

(2) a land grant university established under the Act of August 30, 1890 (known as the "Second Morrill Act"; 26 Stat. 419, chapter 841; 7 U.S.C. 321 et seq.);

(3) the Tuskegee Institute; and

(4) any other support research organization.

(f) Funding

(1) There are authorized to be appropriated each fiscal year such sums as are necessary to carry out this section.

(2) The Secretary is authorized to accept funds from non-Federal sources to carry out the activities authorized by this section.

(g) No waivers

Nothing in this section shall authorize the waiver of a cost-share requirement under a program established under any other provision of law.

(Pub. L. 100-387, title IV, §401, Aug. 11, 1988, 102 Stat. 956.)

REFERENCES IN TEXT

Act of July 2, 1862, referred to in subsec. (e)(1), is act July 2, 1862, ch. 130, 12 Stat. 503, popularly known as the "Morrill Act" and also as the "First Morrill Act", which is classified generally to subchapter I (§301 et seq.) of chapter 13 of this title. For complete classification of this Act to the Code, see Short Title note set out under section 301 of this title and Tables.

Act of August 30, 1890, referred to in subsec. (e)(2), is act Aug. 30, 1890, ch. 841, 26 Stat. 417, as amended, popularly known as the Agricultural College Act of 1890 and also as the Second Morrill Act, which is classified generally to subchapter II (§321 et seq.) of chapter 13 of this title. For complete classification of this Act to the Code, see Short Title note set out under section 321 of this title and Tables.

§ 2204d. Encouragement of private contracting

(a) In general

For the purpose of promoting local job creation and private sector investment in rural communities, the Secretary of Agriculture is encouraged, where appropriate and feasible, to use private enterprise concerns located in rural areas, rather than government employees or government enterprises, to provide commercial activities or products to carry out the purposes of this title.¹

(b) Plan required

The Secretary shall develop and implement a plan that will result in increasing the use of contracts awarded to private firms by the Department of Agriculture, and maximizing the use of grant, loan, or other financial assistance made for the purpose of rural development to provide the goods and services purchased to carry out the purposes of this title.¹

(Pub. L. 101-624, title XXIII, §2394, Nov. 28, 1990, 104 Stat. 4057.)

This title, referred to in text, is title XXIII of Pub. L. 101-624, Nov. 28, 1990, 104 Stat. 3979, known as the Rural Economic Development Act of 1990. For complete classification of this Act to the Code, see Short Title of 1990 Amendment note set out under section 1921 of this title and Tables.

§ 2204e. Office of Risk Assessment and Cost-Benefit Analysis

(a) Office of Risk Assessment and Cost-Benefit Analysis

The Secretary of Agriculture shall establish in the Department of Agriculture an Office of Risk Assessment and Cost-Benefit Analysis, which shall be under the direction of a Director appointed by the Secretary.

¹ See References in Text note below.

(b) Functions

The Director shall ensure that any regulatory analysis that is conducted under this section includes a risk assessment and cost-benefit analysis that is performed consistently and uses reasonably obtainable and sound scientific, technical, economic, and other data.

(1) In general

Effective six months after October 13, 1994, the Secretary of Agriculture shall publish in the Federal Register, for each proposed major regulation the primary purpose of which is to regulate issues of human health, human safety, or the environment that is promulgated by the Department after October 13, 1994, an analysis with as much specificity as practicable, of—

(A) the risk, including the effect of the risk, to human health, human safety, or the environment, and any combination thereof, addressed by the regulation, including, where applicable and practicable, the health and safety risks to persons who are disproportionately exposed or particularly sensitive;

(B) the costs associated with the implementation of, and compliance with, the regulation;

(C) where appropriate and meaningful, a comparison of that risk relative to other similar risks regulated by the Department or other Federal Agency, resulting from comparable activities and exposure pathways (such comparisons should consider relevant distinctions among risks, such as the voluntary or involuntary nature of risks and the preventability or nonpreventability of risks); and

(D) the quantitative and qualitative benefits of the regulation, including the reduction or prevention of risk expected from the regulation.

Where such a regulatory analysis is not practicable because of compelling circumstances, the Director shall provide an explanation in lieu of conducting an analysis under this section.

(2) Evaluation

The regulatory analysis referred to in paragraph (1) should also contain a statement that the Secretary of Agriculture evaluated—

(A) whether the regulation will advance the purpose of protecting against the risk referred to in paragraph (1)(A); and

(B) whether the regulation will produce benefits and reduce risks to human health, human safety, or the environment, and any combination thereof, in a cost-effective manner as a result of the implementation of and compliance with the regulation, by local, State, and Federal Government and other public and private entities, as estimated in paragraph (1)(B).

(3) Construction

This section shall not be construed to amend, modify, or alter any statute and shall not be subject to judicial review. This section shall not be construed to grant a cause of ac-
