L. 104-327, §2, Oct. 19, 1996, 110 Stat. 4003, established Northern Great Plains Rural Development Commission to study and make recommendations regarding economic needs and economic development of rural Northern Great Plains by seeking and encouraging participation of interested citizens, public officials, groups, agencies, businesses, and other entities in developing 10-year rural economic development plan for Northern Great Plains, defined terms, provided for membership and organization of Commission, duties and powers of Commission, compensation of members, administrative provisions, interim and final reports to Congress, appropriations, and for termination of Commission on Sept. 30, 1997.

§ 2662. Programs authorized

The Secretary of Agriculture (referred to in this subchapter as the "Secretary") may conduct, in cooperation and coordination with colleges and universities, the following programs to carry out the purposes and achieve the goals of this subchapter.

(a) Rural development extension programs

Rural development extension programs shall consist of the collection, interpretation, and dissemination of useful information and knowledge from research and other sources to units of multistate regional agencies, State, county, municipal, and other units of government, multi-county planning and development districts, organizations of citizens contributing to community and rural development, businesses, Indian tribes on Federal or State reservations or other

federally recognized Indian tribal groups, and industries that employ or may employ people in rural areas. The rural development extension programs shall also promote coordinated and integrated rural community initiatives that advance and empower capacity building through leadership development, entrepreneurship, business development and management training, and strategic planning to increase jobs, income, and quality of life in rural communities. These programs also shall include technical services and educational activities, including instruction for persons not enrolled as students in colleges or universities, to facilitate and encourage the use and practical application of this information. These programs may also include feasibility studies and planning assistance.

(b) Rural development research

Rural development research shall consist of research, investigations, and basic feasibility studies in any field or discipline that may develop principles, facts, scientific and technical knowledge, new technology, and other information that may be useful to agencies of Federal, State, and local government, industries in rural areas, Indian tribes on Federal and State reservations or other federally recognized Indian tribal groups, and other organizations involved in community and rural development programs and activities in planning and carrying out such programs and activities or otherwise be practical and useful in achieving the purposes and goals of this subchapter.

(c) Small farm research programs

Small farm research programs shall consist of programs of research to develop new approaches for initiating and upgrading small farm operations through management techniques, agricultural production techniques, farm machinery technology, new products, new marketing techniques, and small farm finance; to develop new enterprises that can use labor, skills, or natural resources available to the small farm family; or that will help to increase the quality and availability of services and facilities needed by the small farm family.

(d) Small farm extension programs

Small farm extension programs shall consist of extension programs to improve small farm operations, including management techniques, agricultural production techniques, farm machinery technology, marketing techniques and small farm finance; to increase use by small farm families of existing services offered by the Department of Agriculture and other public and private agencies and organizations; to assist small farm families in establishing and operating cooperatives for the purpose of improving their family income from farming or other economic activities; to increase the quality and availability of services and facilities needed by small farm families; and to develop new enterprises that can use labor, skills, or natural resources available to the small farm family.

(e) Special grants programs

Special grants programs shall consist of extension and research programs to strengthen research and education on national and regional

issues in rural development, including the assessment of alternative policies and strategies for rural development and balanced growth; to develop alternative strategies for national and regional investment, and the creation of employment, in rural areas; to develop alternative energy policies to meet rural development needs; and to strengthen rural development programs of agencies of the Department of Agriculture and those in other Federal departments and agencies.

(f), (g) Repealed. Pub. L. 104-127, title VII, § 792(a), title VIII, § 871, Apr. 4, 1996, 110 Stat. 1152, 1175

(h) Rural development extension work

(1) National program

The Secretary shall establish a national program, to be administered by the National Institute of Food and Agriculture, to provide rural citizens with training in, technical and management assistance regarding, and educational opportunities to enhance their knowledge of—

- (A) beginning businesses through entrepreneurship;
- (B) the procedures necessary to establish new businesses in rural areas;
- (C) self-employment opportunities in rural areas;
- (D) the uses of modern telecommunications and computer technologies;
- (E) business and financial planning; and
- (F) such other training, assistance, and educational opportunities as the Secretary determines are necessary to carry out the program established under this subsection.

(2) Leadership abilities

The program established under this subsection shall provide assistance designed to increase the leadership abilities of residents in rural areas. Such assistance shall include—

- (A) information relevant to the development of community goals;
- (B) instruction regarding the methods by which State or Federal funding for rural development projects might be obtained;
- (C) instruction regarding the successful writing of applications for loan or grant funds from government and private sources;
- (D) an updated listing of State, Federal, and other economic development programs available to rural areas; and
- (E) such other training, information, and assistance as the Secretary determines necessary to increase the leadership abilities of residents in rural areas.

(3) Catalog of programs

The National Rural Information Center Clearinghouse of the National Agricultural Library, in cooperation with the Extension Service in each State, should develop, maintain, and provide to each community, and make accessible to any other interested party, a catalog of available State, Federal, or private programs that provide leadership training or other information or services similar or complementary to the training or services required by this subsection. Such catalog should

include, at a minimum, the following entities within the State that provide such training or services:

- (A) Any rural electric cooperative.
- (B) Any nonprofit company development corporation.
- (C) Any economic development district that serves a rural community.
- (D) Any nonprofit subsidiary of any private entity.
- (E) Any nonprofit organization whose principal purpose is to promote economic development in rural areas.
- (F) Any investor or publicly owned electric utility.
- (G) Any small business development center or small business investment company.
- (H) Any regional development organization.
- (I) Any vocational or technical school.
- (J) Any Federal, State, or local government agency or department.
- (K) Any other entity that the Secretary deems appropriate.

The extension service in each State should include in the catalog information on the specific training or services provided by each entity in the catalog.

(4) Employee training

The Secretary shall provide training for appropriate State extension service employees, assigned to programs other than rural development, to ensure that such employees understand the availability of rural development programs in their respective States and the availability of National Institute of Food and Agriculture staff qualified to provide to rural citizens and to State extension staff training and materials for technical, management, and educational assistance.

(5) Coordination of assistance

The Secretary shall ensure, to the extent practicable, that assistance provided under this subsection is coordinated with and delivered in cooperation with similar services or assistance provided by other Federal agencies or programs for rural residents.

(i) Rural health and safety education programs

(1) Programs authorized

(A) Individual and family health education

The Secretary may make grants for the establishment of individual and family health education programs that shall provide individuals and families with—

- (i) information concerning the value of good health;
- (ii) information to increase the individual or families motivation to take more responsibility for their own health;
- (iii) access to health promotion activities; and
- (iv) training for volunteers and health services providers concerning health promotion and health care services, in cooperation with the Department of Health and Human Services.

(B) Farm safety education

The Secretary may make grants for the establishment of farm safety education pro-

grams that shall provide information and training to farm workers, timber harvesters, and farm families concerning safety in the work place, including information and training concerning—

- (i) the reduction of occupational injury and death rates;
- (ii) the reduction and prevention of exposure to farm chemicals;
- (iii) the reduction of agricultural respiratory diseases and dermatitis;¹
- (iv) the reduction and prevention of noise induced hearing loss;
- (v) the occupational rehabilitation of farmers and timber harvesters with physical disabilities; and
- (vi) farm accident rescue procedures.

(C) Rural health leadership development

The Secretary, in consultation with the Office of Rural Health Policy of the Department of Health and Human Services, may make grants to academic medical centers or land grant colleges and universities, or any combination thereof, for the establishment of rural health leadership development education programs that shall assist rural communities in developing health care services and facilities that will provide the maximum benefit for the resources invested and assist community leaders and public officials in understanding their roles and responsibilities relative to rural health services and facilities, including—

- (i) community decisions regarding funding for and retention of rural hospitals;
- (ii) rural physician and allied health professionals recruitment and retention;
- (iii) the aging rural population and senior services required to care for the population;
- (iv) the establishment and maintenance of rural emergency medical services systems; and
- (v) the application of computer-assisted capital budgeting decision aids for rural health services and facilities.

(2) Coordination of programs

Educational programs conducted with grants awarded under this subsection shall be coordinated with the State offices of rural health and other appropriate programs of the Department of Health and Human Services.

(3) Dissemination of information

Educational programs conducted with grants awarded under this subsection shall provide leadership within the State for the dissemination of appropriate rural health and safety information resources possessed by the Rural Information Center established at the National Agricultural Library.

(4) Procedures and limitations

The Secretary shall establish policies, procedures and limitations that shall apply to States or entities described in paragraph (1)(C) that desire to receive a grant under this subsection. In States with land-grant colleges and

universities that are eligible to receive funds under the Act of July 2, 1862 (7 U.S.C. 301 et seq.), and the Act of August 30, 1890 (7 U.S.C. 321 et seq.), including Tuskegee University, and universities which receive Rural Health Research Center grants, such eligible institutions shall mutually determine the type of rural health and safety education program needed in the State within which such institutions reside.

(5) Limitations on authorization of appropriations

For grants under this subsection, there are authorized to be appropriated \$5,000,000 for fiscal year 1991, \$10,000,000 for fiscal year 1992, \$15,000,000 for fiscal year 1993, and \$20,000,000 for fiscal year 1994 and each subsequent fiscal year. Amounts appropriated under this subsection shall remain available until expended.

EFFECTIVE DATE

Section effective Dec. 22, 1981, see section 1801 of Pub. L. 97-98, set out as a note under section 4301 of this title.

EFFECT OF AMENDMENTS ON CURRENT GRANT RECIPIENTS

Pub. L. 101-624, title XXIII, § 2389(d), Nov. 28, 1990, 104 Stat. 4055, provided that 8 States receiving grants

under 7 U.S.C. 2662(f) during fiscal year 1990 could continue to be eligible to receive grants (in an amount not to exceed the amount received during that fiscal year) under that section notwithstanding that such grants be awarded competitively, so long as such States complied with requirement that not less than one-half of such grant amount was to be used for clinical outreach counseling and crisis management assistance, prior to repeal by Pub. L. 104-127, title VII, §792(b)(1), Apr. 4, 1996, 100 Stat. 1152.

RURAL HEALTH INFRASTRUCTURE IMPROVEMENT

Pub. L. 101-624, title XXIII, §2391, Nov. 28, 1990, 104 Stat. 4057, provided for award of grant for establishment of project to demonstrate model approach to improving rural health infrastructure, which was to carry out systematic, community-based rural health needs assessments, identify and coordinate available health services resources, improve community infrastructure through health education and information and leadership development and training, and develop community generated health improvement strategies, and further provided for project implementation and limitations on authorization of appropriations, prior to repeal by Pub. L. 104-127, title VII, §709, Apr. 4, 1996, 110 Stat. 1112.

§ 2662a. Repealed. Pub. L. 104-127, title VII, § 706, title VIII, § 867, Apr. 4, 1996, 110 Stat. 1112, 1174

Section, Pub. L. 101-624, title XXIII, §2348, Nov. 28, 1990, 104 Stat. 4037, required Secretary to establish program of competitive grants to rural areas to serve as demonstration areas for rural economic development and as models of such development for other areas, and set forth criteria for award of such grants.

§ 2663. Funding

(a) Authorization of appropriations

There are authorized to be appropriated such sums as are necessary to carry out the purposes of this subchapter.

(b) Distributions

Such sums as are appropriated to carry out the provisions of section 2662(a) and (b) of this title shall be distributed by the Secretary as follows:

- (1) 4 per centum shall be retained by the Secretary for program administration and national coordination of State programs, and program assistance to the States;
- (2) 10 per centum shall be used to finance work serving two or more States in which colleges or universities in two or more States cooperate or that is conducted by one college or university to serve two or more States;
- (3) 20 per centum shall be allocated equally among the States; and
- (4) 66 per centum shall be allocated to each State as follows: One-half in an amount that bears the same ratio to the total amount to be allotted as the rural population of the State bears to the total rural population of all the States, as determined by the last preceding decennial census current at that time; and one-half in an amount that bears the same ratio to the total amount to be allotted as the farm population of the State bears to the total farm population of all the States, as determined by the last preceding decennial census current at that time:

Provided, That, beginning with the fiscal year ending September 30, 1982, no State may receive

more than \$75,000 until all States have been allotted a minimum of \$75,000.

(c) Additional distributions

Such sums as are appropriated to carry out subsections (e) and (i) of section 2662 of this title shall be distributed by the Secretary to colleges and universities, on a competitive or matching fund basis, according to the Secretary's determination of the projects and manner of funding that show the most promise of fulfilling the objectives of those subsections.

(d) Administration of programs

Funds appropriated under this subchapter may be used to pay salaries and other expenses of personnel employed to carry out the functions authorized by this subchapter; to obtain necessary supplies, equipment, and services; and to rent, repair, and maintain facilities needed, but not to purchase or construct buildings.

(e) Development of plans of work and budgets by eligible institutions

Payment of funds to any State for programs authorized under section 2662(a), (b), (c), and (d) of this title shall be contingent upon approval by the Secretary of a plan of work and budget for such programs and compliance with such regulations as the Secretary may issue under this subchapter. Plans for work shall be jointly developed in each State by the land-grant colleges and universities eligible to receive funds under the Act of July 2, 1862 (7 U.S.C. 301 et seq.), and the Act of August 30, 1890 (7 U.S.C. 321 et seq.), including Tuskegee Institute. In States in which there is no land-grant institution eligible to receive funds under the Act of August 30, 1890, the land-grant institution eligible to receive funds under the Act of July 2, 1862, shall be responsible for developing plans of work and budgets. In the development of the plans of work and budgets, consideration shall be given to involvement of the resources and expertise of the colleges and universities serving the region in which the plans and budgets are to be applied.

(f) Availability; budgets and accounts

Funds shall be available for use by each State in the fiscal year for which appropriated and the next fiscal year following the fiscal year for which appropriated. Funds shall be budgeted and accounted for on such forms and at such times as the Secretary shall prescribe.

(g) Financing of programs at other than cooperating institutions

Funds provided to each State under this subchapter may be used to finance programs through or at private and publicly supported colleges and universities other than the institutions responsible for administering the programs, as provided under section 2664 of this title.
