

chemical, or biological sciences, designed to prepare a student to work as a technician or at the semiprofessional level in engineering, scientific, or other technological fields requiring the understanding and application of basic engineering, scientific, or mathematical principles of knowledge.

**(b) Functions**

**(1) Establishment**

**(A) In general**

The Secretary shall establish a program to be known as the “New Era Rural Technology Program”, to make grants available for technology development, applied research, and training to aid in the development of an agriculture-based renewable energy workforce.

**(B) Support**

The initiative under this section shall support the fields of—

- (i) bioenergy;
- (ii) pulp and paper manufacturing;
- (iii) agriculture-based renewable energy resources; and
- (iv) precision agriculture.

**(2) Requirements for funding**

To receive funding under this section, an entity shall—

(A) be a community college or advanced technological center, located in a rural area and in existence on the date of the enactment of this section, that participates in agricultural or bioenergy research and applied research;

(B) have a proven record of development and implementation of programs to meet the needs of students, educators, and business and industry to supply the agriculture-based, renewable energy or pulp and paper manufacturing fields with certified technicians, as determined by the Secretary; and

(C) have the ability to leverage existing partnerships and occupational outreach and training programs for secondary schools, 4-year institutions, and relevant nonprofit organizations.

**(c) Grant priority**

In providing grants under this section, the Secretary shall give preference to eligible entities working in partnership—

- (1) to improve information-sharing capacity; and
- (2) to maximize the ability to meet the requirements of this section.

**(d) Authorization of appropriations**

There are authorized to be appropriated to carry out this section such sums as are necessary for each of fiscal years 2019 through 2023.
