

the start of that academic year, the Secretary of Defense determines, and certifies to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives, that providing instruction to private sector employees under this section during that year will further national security interests of the United States.

(d) PROGRAM REQUIREMENTS.—The Secretary of Defense shall ensure that—

(1) the curriculum for the professional military education program in which private sector employees may be enrolled under this section is not readily available through other schools and concentrates on national security relevant issues; and

(2) the course offerings at the National Defense University continue to be determined solely by the needs of the Department of Defense.

(e) TUITION.—The President of the National Defense University shall charge students enrolled under this section a rate—

(1) that is at least the rate charged for employees of the United States outside the Department of Defense, less infrastructure costs, and

(2) that considers the value to the school and course of the private sector student.

(f) STANDARDS OF CONDUCT.—While receiving instruction at the National Defense University, students enrolled under this section, to the extent practicable, are subject to the same regulations governing academic performance, attendance, norms of behavior, and enrollment as apply to Government civilian employees receiving instruction at the university.

(g) USE OF FUNDS.—Amounts received by the National Defense University for instruction of students enrolled under this section shall be retained by the university to defray the costs of such instruction. The source, and the disposition, of such funds shall be specifically identified in records of the university.

§ 2167a. Defense Cyber Investigations Training Academy: admission of private sector civilians to receive instruction

(a) AUTHORITY FOR ADMISSION.—The Secretary of Defense may permit eligible private sector employees to receive instruction at the Defense Cyber Investigations Training Academy oper-

ating under the direction of the Defense Cyber Crime Center. No more than the equivalent of 200 full-time student positions may be filled at any one time by private sector employees enrolled under this section, on a yearly basis. Upon successful completion of the course of instruction in which enrolled, any such private sector employee may be awarded an appropriate certification or diploma.

(b) ELIGIBLE PRIVATE SECTOR EMPLOYEES.—For purposes of this section, an eligible private sector employee is an individual employed by a private firm that is engaged in providing to the Department of Defense or other Government departments or agencies significant and substantial defense-related systems, products, or services, or whose work product is relevant to national security policy or strategy. A private sector employee remains eligible for such instruction only so long as that person remains employed by an eligible private sector firm.

(c) PROGRAM REQUIREMENTS.—The Secretary of Defense shall ensure that—

(1) the curriculum in which private sector employees may be enrolled under this section is not readily available through other schools; and

(2) the course offerings at the Defense Cyber Investigations Training Academy continue to be determined solely by the needs of the Department of Defense.

(d) TUITION.—The Secretary of Defense shall charge private sector employees enrolled under this section tuition at a rate that is at least equal to the rate charged for employees of the United States. In determining tuition rates, the Secretary shall include overhead costs of the Defense Cyber Investigations Training Academy.

(e) STANDARDS OF CONDUCT.—While receiving instruction at the Defense Cyber Investigations Training Academy, students enrolled under this section, to the extent practicable, are subject to the same regulations governing academic performance, attendance, norms of behavior, and enrollment as apply to Government civilian employees receiving instruction at the Academy.

(f) USE OF FUNDS.—Amounts received by the Defense Cyber Investigations Training Academy for instruction of students enrolled under this section shall be retained by the Academy to defray the costs of such instruction. The source, and the disposition, of such funds shall be specifically identified in records of the Academy.
