

§ 2213. Limitation on acquisition of excess supplies

(a) TWO-YEAR SUPPLY.—The Secretary of Defense may not incur any obligation against a stock fund of the Department of Defense for the acquisition of any item of supply if that acquisition is likely to result in an on-hand inventory (excluding war reserves) of that item of supply in excess of two years of operating stocks.

(2) that the acquisition is necessary for purposes of maintaining the industrial base or for other reasons of national security.

(c) **TRANSFERS TO ACCOUNT.**—(1)(A) Upon a determination by the Secretary of a military department, or the Secretary of Defense with respect to Defense-wide appropriations accounts, of the availability and source of funds described in subparagraph (B), the Secretary concerned may transfer to the Defense Modernization Account during any fiscal year any amount of funds available to the Secretary described in that subparagraph. Such funds may be transferred to that account only after the Secretary concerned notifies the congressional defense committees in writing of the amount and source of the proposed transfer.

(B) This subsection applies to the following funds that have been appropriated for fiscal years after fiscal year 2016 and are available to the Secretary concerned:

(i) Unexpired funds in appropriations accounts that are available for new obligations and that, as a result of economies, efficiencies, and other savings achieved in carrying out an acquisition program, are excess to the requirements of that program.

(ii) Unexpired funds in appropriations accounts that are available for procurement or operation and maintenance of a system, if and to the extent that savings are achieved for such accounts through reductions in life cycle costs of such system that result from one or more projects undertaken with respect to such systems with funds made available from the Defense Modernization Account under subsection (b)(1).

(ii) the requirement for the items or services as approved by the Joint Requirements Oversight Council and reported to Congress by the Secretary of Defense; or
