§ 2278. Notification of foreign interference of national security space

(a) NOTICE REQUIRED.—The Commander of the United States Space Command shall, with respect to each intentional attempt by a foreign actor to disrupt, degrade, or destroy a United States national security space capability, provide to the appropriate congressional committees—

(1) not later than 48 hours after the Commander determines that there is reason to believe such attempt occurred, notice of such attempt; and

(2) not later than 10 days after the date on which the Commander determines that there is reason to believe such attempt occurred, a notification described in subsection (b) with respect to such attempt.

(b) NOTIFICATION DESCRIPTION.—A notification described in this subsection is a written notification that includes—

(1) the name and a brief description of the national security space capability that was impacted by an attempt by a foreign actor to disrupt, degrade, or destroy a United States national security space capability;

(2) a description of such attempt, including the foreign actor, the date and time of such attempt, and any related capability outage and the mission impact of such outage; and

(3) any other information the Commander considers relevant.

(c) APPROPRIATE CONGRESSIONAL COMMITTEES DEFINED.—In this section, the term “appropriate congressional committees” means—
