### § 2374. Merit-based award of grants for research and development

(a) It is the policy of Congress that an agency named in section 2303(a) of this title should not be required by legislation to award a new grant for research, development, test, or evaluation to a non-Federal Government entity. It is further the policy of Congress that any program, project, or technology identified in legislation be awarded through merit-based selection procedures.

(b) A provision of law may not be construed as requiring a new grant to be awarded to a specified non-Federal Government entity unless that provision of law—

- (1) specifically refers to this subsection;
- (2) specifically identifies the particular non-Federal Government entity involved; and
- (3) specifically states that the award to that entity is required by such provision of law in contravention of the policy set forth in subsection (a).

(c) For purposes of this section, a grant is a new grant unless the work provided for in the grant is a continuation of the work performed by the specified entity under a preceding grant.

(d) This section shall not apply with respect to any grant that calls upon the National Academy

of Sciences to investigate, examine, or experiment upon any subject of science or art of significance to an agency named in section 2303(a) of this title and to report on such matters to the Congress or any agency of the Federal Government.

(Added Pub. L. 103–355, title VII, § 7203(a)(2), Oct. 13, 1994, 108 Stat. 3380.)

### § 2374a. Prizes for advanced technology achievements

(a) **AUTHORITY.**—The Secretary of Defense, acting through the Under Secretary of Defense for Research and Engineering, the Under Secretary of Defense for Acquisition and Sustainment, and the service acquisition executive for each military department, may carry out programs to award cash prizes and other types of prizes that the Secretary determines are appropriate to recognize outstanding achievements in basic, advanced, and applied research, technology development, and prototype development that have the potential for application to the performance of the military missions of the Department of Defense.

(b) **COMPETITION REQUIREMENTS.**—Each program under subsection (a) shall use a competitive process for the selection of recipients of cash prizes. The process shall include the widely-advertised solicitation of submissions of research results, technology developments, and prototypes.

(c) **LIMITATIONS.**—(1) No prize competition may result in the award of a prize with a fair market value of more than \$10,000,000.

(2) No prize competition may result in the award of more than \$1,000,000 in cash prizes without the approval of the Under Secretary of Defense for Research and Engineering.

(3) No prize competition may result in the award of a solely nonmonetary prize with a fair market value of more than \$10,000 without the approval of the Under Secretary of Defense for Research and Engineering.

(d) **RELATIONSHIP TO OTHER AUTHORITY.**—A program under subsection (a) may be carried out
