

**§ 2539. Industrial mobilization: plants; lists**

(a) LIST OF PLANTS EQUIPPED TO MANUFACTURE ARMS OR AMMUNITION.—The Secretary of Defense may maintain a list of all privately owned plants in the United States, and the territories, Commonwealths, and possessions of the United States, that are equipped to manufacture for the armed forces arms or ammunition, or parts thereof, and may obtain complete information of the kinds of those products manufactured or capable of being manufactured by each of those plants, and of the equipment and capacity of each of those plants.

(b) LIST OF PLANTS CONVERTIBLE INTO AMMUNITION FACTORIES.—The Secretary of Defense may maintain a list of privately owned plants in the United States, and the territories, Commonwealths, and possessions of the United States, that are capable of being readily transformed into factories for the manufacture of ammunition for the armed forces and that have a capacity sufficient to warrant conversion into ammunition plants in time of war or when war is imminent, and may obtain complete information as to the equipment of each of those plants.

(c) CONVERSION PLANS.—The Secretary of Defense may prepare comprehensive plans for converting each plant listed pursuant to subsection (b) into a factory for the manufacture of ammunition or parts thereof.

**§ 2539b. Availability of samples, drawings, information, equipment, materials, and certain services**

(a) AUTHORITY.—The Secretary of Defense and the Secretaries of the military departments, under regulations prescribed by the Secretary of Defense and when determined by the Secretary of Defense or the Secretary concerned to be in the interest of national defense, may each—

(1) sell, rent, lend, or give samples, drawings, and manufacturing or other information (subject to the rights of third parties) to any person or entity;

(2) sell, rent, or lend government equipment or materials to any person or entity—

(A) for use in independent research and development programs, subject to the condition that the equipment or material be used exclusively for such research and development; or

(B) for use in demonstrations to a friendly foreign government;

(3) make available to any person or entity, at an appropriate fee, the services of any government laboratory, center, range, or other testing facility for the testing of materials, equipment, models, computer software, and other items; and

(4) make available to any person or entity, through leases, contracts, or other appropriate arrangements, facilities, services, and equipment of any government laboratory, research center, or range, if the facilities, services, and equipment provided will not be in direct competition with the domestic private sector.

(b) CONFIDENTIALITY OF TEST RESULTS.—The results of tests performed with services made available under subsection (a)(3) are confidential and may not be disclosed outside the Federal Government without the consent of the persons for whom the tests are performed.

(c) FEES.—Fees made available under subsections (a)(3) and (a)(4) shall be established in
