(c) REALLOCATIONS TO LOWER GRADES.—Whenever the number of officers serving in any grade for duty described in subsection (a) is less than the number authorized for that grade under this section, the difference between the two numbers may be applied to increase the number authorized under this section for any lower grade.

so, the Secretary of Defense may increase for a particular fiscal year the number of reserve officers that may be on full-time reserve component duty for a reserve component in a grade referred to in a table in subsection (a) by a number that does not exceed the number equal to 5 percent of the maximum number specified for the grade in that table.

(2) Whenever the Secretary exercises the authority provided in paragraph (1), the Secretary shall submit to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives notice in writing of the adjustment made.

(e) FULL-TIME RESERVE COMPONENT DUTY DEFINED.—In this section, the term “full-time reserve component duty” means the following duty:
