Subsec. (f). Pub. L. 87-211 substituted "In the event of a vacancy in any appointive or elective directorship, such vacancy shall be filled through appointment by the Board for the unexpired term" for "Any director appointed or elected as provided in this section to fill a vacancy shall hold office only until the expiration of the term of his predecessor", and inserted proviso stating that if any director ceases to have the qualifications set forth in this section his office shall immediately become vacant but permits him to act as such director until his successor assumes the vacated office or the term of his office expires, whichever first occurs.

Subsec. (g). Pub. L. 87-211 reenacted subsec. (g) without change.

Subsec. (h). Pub. L. 87-211 authorized Board, prior to filing of the certificate mentioned in section 1432 of this title, to appoint directors and required Board to designate appointees as either appointive or elective directors, and struck out provisions which permitted directors appointed under this subsection to serve until expiration of the calendar year during which they took office.

§ 1428. Examination of State laws, regulations, and procedures; studies of values, etc.

The Director shall cause to be made from time to time examinations of the laws of the various

States of the United States and the regulations and procedure thereunder governing conditions under which institutions of the kinds which may become members or nonmember borrowers under this chapter are permitted to be formed or to do business, or relating to the conveying or recording of land titles, or to homestead and other rights, or to the enforcement of the rights of holders of mortgages on lands securing loans, or otherwise. If any such examination shall indicate, in the opinion of the Director, that under the laws of any such State or the regulations or procedure thereunder there would be inadequate protection to a Federal Home Loan Bank in making or collecting advances under this chapter, the Director may withhold or limit the operation of any Federal Home Loan Bank in such State until satisfactory conditions of law, regulation, or procedure shall be established. In any State where State examination of members or nonmember borrowers is deemed inadequate for the purposes of the Federal Home Loan Banks, the Director shall establish such examination, all or part of the cost of which may be considered as part of the cost of making advances in such State. The banks and/or the Director may make studies of trends of home and other property values, methods of appraisals, and other subjects such as they may deem useful for the general guidance of their policies and operations and those of institutions authorized to secure advances.
