

“Emergency Mass Transportation Assistance Plan” for the purpose of conserving energy by expanding and improving public mass transportation systems and encouraging increased ridership as alternatives to automobile travel.

(c) Recommendations in plan

Such plan shall include, but shall not be limited to—

(1) recommendations for emergency temporary grants to assist States and local public bodies and agencies thereof in the payment of operating expenses incurred in connection with the provision of expanded mass transportation service in urban areas;

(2) recommendations for additional emergency assistance for the purchase of buses and rolling stock for fixed rail, including the feasibility of accelerating the timetable for such assistance under section 142(a)(2) of title 23 for the purpose of providing additional capacity for and encouraging increased use of public mass transportation systems;

(3) recommendations for a program of demonstration projects to determine the feasibility of fare-free and low-fare urban mass transportation systems, including reduced rates for elderly and handicapped persons during nonpeak hours of transportation;

(4) recommendations for additional emergency assistance for the construction of fringe and transportation corridor parking facilities to serve bus and other mass transportation passengers;

(5) recommendations on the feasibility of providing tax incentives for persons who use public mass transportation systems.

(Pub. L. 93-319, § 8, June 22, 1974, 88 Stat. 260.)

TRANSFER OF FUNCTIONS

Federal Energy Administration terminated and functions vested by law in Administrator thereof transferred to Secretary of Energy (unless otherwise specifically provided) by sections 7151(a) and 7293 of Title 42, The Public Health and Welfare.

§ 795. Report to Congress by January 31, 1975

The Administrator of the Environmental Protection Agency shall report to Congress not later than January 31, 1975, on the implementation of sections 3 through 7 of the Energy Supply and Environmental Coordination Act of 1974.

(Pub. L. 93-319, § 9, June 22, 1974, 88 Stat. 261.)

REFERENCES IN TEXT

Sections 3 through 7 of the Energy Supply and Environmental Coordination Act of 1974, referred to in text, are sections 3 through 7 of Pub. L. 93-319, June 22, 1974, 88 Stat. 248-260, which sections enacted section 793 of this title and section 1857c-10 of Title 42, The Public Health and Welfare, and amended sections 1857c-5, 1857c-8, 1857c-9, 1857d-1, 1857f-1, and 1857h-5 of Title 42. Section 1857c-10 of Title 42 was repealed by Pub. L. 95-95, § 112(b)(1). On enactment of Pub. L. 95-95, sections 1857c-5, 1857c-8, 1857c-9, 1857d-1, 1857f-1, and 1857h-5 were reclassified to sections 7410, 7413, 7414, 7416, 7521, and 7607, respectively, of Title 42.

§ 796. Reporting of energy information

(a) Authority of Federal Energy Administrator to request, acquire, and collect energy information; rules and regulations

For the purpose of assuring that the Federal Energy Administrator, the Congress, the States,

and the public have access to and are able to obtain reliable energy information, the Federal Energy Administrator shall request, acquire, and collect such energy information as he determines to be necessary to assist in the formulation of energy policy or to carry out the purposes of this chapter or the Emergency Petroleum Allocation Act of 1973 [15 U.S.C. 751 et seq.].¹ The Federal Energy Administrator shall promptly promulgate rules pursuant to subsection (b)(1)(A) of this section requiring reports of such information to be submitted to the Federal Energy Administrator at least every ninety calendar days.

(b) Powers of Federal Energy Administrator in obtaining energy information; verification of accuracy; compliance orders

(1) In order to obtain energy information for the purpose of carrying out the provisions of subsection (a), the Federal Energy Administrator is authorized—

(A) to require, by rule, any person who is engaged in the production, processing, refining, transportation by pipeline, or distribution (at other than the retail level) of energy resources to submit reports;

(B) to sign and issue subpoenas for the attendance and testimony of witnesses and the production of books, records, papers, and other documents;

(C) to require any person, by general or special order, to submit answers in writing to interrogatories, requests for reports or for other information; and such answers or other submissions shall be made within such reasonable period, and under oath or otherwise, as the Federal Energy Administrator may determine; and

(D) to administer oaths.

(2) For the purpose of verifying the accuracy of any energy information requested, acquired, or collected by the Federal Energy Administrator, the Federal Energy Administrator, or any officer or employer² duly designated by him, upon presenting appropriate credentials and a written notice from the Federal Energy Administrator to the owner, operator, or agent in charge, may—

(A) enter, at reasonable times, any business premise or facility; and

(B) inspect, at reasonable times and in a reasonable manner, any such premise or facility, inventory and sample any stock of energy resources therein, and examine and copy books, records, papers, or other documents, relating to any such energy information.

(3) Any United States district court within the jurisdiction of which any inquiry is carried on may, upon petition by the Attorney General at the request of the Federal Energy Administrator, in the case of refusal to obey a subpoena or order of the Federal Energy Administrator issued under this section, issue an order requiring compliance therewith; and any failure to obey the order of the court may be punished by the court as a contempt thereof.
