§ 77III. Bondholders' lists

(a) Periodic filing of information by obligor with trustee

Each obligor upon the indenture securities shall furnish or cause to be furnished to the institutional trustee thereunder at stated intervals of not more than six months, and at such other times as such trustee may request in writing, all information in the possession or control of such obligor, or of any of its paying agents, as to the names and addresses of the indenture security holders, and requiring such trustee to preserve, in as current a form as is reasonably practicable, all such information so furnished to it or received by it in the capacity of paying agent.

(b) Access of information to security holders

Within five business days after the receipt by the institutional trustee of a written application by any three or more indenture security holders stating that the applicants desire to communicate with other indenture security holders with respect to their rights under such indenture or under the indenture securities, and accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, and by reasonable proof that each such applicant has owned an indenture security for a period of at least six months preceding the date of such application, such institutional trustee shall, at its election, either—

(1) afford to such applicants access to all information so furnished to or received by such trustee; or

(2) inform such applicants as to the approximate number of indenture security holders according to the most recent information so furnished to or received by such trustee, and as to the approximate cost of mailing to such indenture security holders the form of proxy or other communication, if any, specified in such application.

If such trustee shall elect not to afford to such applicants access to such information, such trustee shall, upon the written request of such applicants, mail to all such indenture security holders copies of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to such trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of such mailing, unless within five days after such tender, such trustee shall mail to such applicants, and file with the Commission together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of such trustee, such mailing would be contrary to the best interests of the indenture security holders or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. After opportunity for hearing upon the objections specified in the written statement so filed, the Commission may, and if demanded by such trustee or by such applicants shall, enter an order either sustaining one or more of such ob-

jections or refusing to sustain any of them. If the Commission shall enter an order refusing to sustain any of such objections, or if, after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all objections so sustained have been met, and shall enter an order so declaring, such trustee shall mail copies of such material to all such indenture security holders with reasonable promptness after the entry of such order and the renewal of such tender.

(c) Disclosure of information deemed not violative of any law

The disclosure of any such information as to the names and addresses of the indenture security holders in accordance with the provisions of this section, regardless of the source from which such information was derived, shall not be deemed to be a violation of any existing law, or of any law hereafter enacted which does not specifically refer to this section, nor shall such trustee be held accountable by reason of mailing any material pursuant to a request made under subsection (b) of this section.

(a) Periodic reports

Each person who, as set forth in the registration statement or application, is or is to be an obligor upon the indenture securities covered thereby shall—

(1) file with the indenture trustee copies of the annual reports and of the information, documents, and other reports (or copies of such portions of any of the foregoing as the Commission may by rules and regulations prescribe) which such obligor is required to file with the Commission pursuant to section 78m or 78o(d) of this title; or, if the obligor is not required to file information, documents, or reports pursuant to either of such sections, then to file with the indenture trustee and the Commission, in accordance with rules and regulations prescribed by the Commission, such of the supplementary and periodic information, documents, and reports which may be required pursuant to section 78m of this title, in respect of a security listed and registered on a national securities exchange as may be prescribed in such rules and regulations;

For purposes of this paragraph, such compliance shall be determined without regard to any period of grace or requirement of notice provided under the indenture.

The rules and regulations prescribed under this subsection shall be such as are necessary or ap-

(2) at least annually after the execution and delivery of the indenture, an opinion of counsel (who may be of counsel for such obligor) either stating that in the opinion of such counsel such action has been taken with respect to the recording, filing, re-recording, and refiling of the indenture as is necessary to maintain the lien of such indenture, and reciting the details of such action, or stating that in the opinion of such counsel no such action is necessary to maintain such lien.

Such evidence shall consist of the following:
