It shall be unlawful for any person to engage in a security-based swap unless that person submits such security-based swap for clearing to a clearing agency that is registered under this chapter or a clearing agency that is exempt from registration under this chapter if the security-based swap is required to be cleared.

(2) Open access

(b) Commission review

(1) Commission-initiated review

(A) The Commission on an ongoing basis shall review each security-based swap, or any group, category, type, or class of security-based swaps to make a determination that such security-based swap, or group, category, type, or class of security-based swaps should be required to be cleared.

(2) Swap submissions
