This Act, referred to in subsec. (f), is Pub. L. 95-238, Feb. 25, 1978, 92 Stat. 47, known as the Department of Energy Act of 1978—Civilian Applications. For complete classification of this Act to the Code, see Tables.

AMENDMENTS

1994—Subsec. (f)(3). Pub. L. 103-437 substituted “Committee on Science, Space, and Technology” for “Committee on Science and Technology”.

§ 2704. Evaluation by Secretary of Transportation on utilization of advanced technology by automobile industry

The Secretary of Transportation, in furtherance of the purposes of this chapter, shall evaluate the extent to which the automobile industry utilizes advanced automotive technology which is or could be made available to it.

(Pub. L. 95-238, title III, §305, Feb. 25, 1978, 92 Stat. 81; Pub. L. 104-66, title I, §1121(i), Dec. 21, 1995, 109 Stat. 724.)

AMENDMENTS

1995—Pub. L. 104-66 struck out at end “The Secretary of Transportation shall submit a report to the Congress each year on the results of such evaluation including any appropriate recommendations which may encourage the utilization of advanced automobile technology by the automobile industry.”

§ 2705. Coordinating and consulting requirements and authorities of Secretary of Energy

(a) Conduct of overall management responsibilities

The Secretary of Energy shall have overall management responsibility for carrying out the program under section 2703 of this title. In carrying out such program, the Secretary of Energy, consistent with such overall management responsibility—

(1) shall utilize the expertise of the Department of Transportation to the extent deemed appropriate by the Secretary of Energy; and

(2) may utilize any other Federal agency (except as provided in paragraph (1)) in accordance with subsection (c) in carrying out any activities under this chapter, to the extent that the Secretary of Energy determines that any such agency has capabilities which would allow such agency to contribute to the purposes of this chapter.

(b) Exercise of powers by Secretary of Transportation

The Secretary of Transportation, whenever the expertise of the Department of Transportation is utilized in accordance with subsection (a), may exercise the powers granted to the Secretary of Energy under subsection (c) and shall enter into contracts and make grants for such purpose, subject to the overall management responsibility of the Secretary of Energy.

(c) Requests for assistance of Federal departments, etc.

The Secretary of Energy may, in accordance with subsection (a), obtain the assistance of any

department, agency, or instrumentality of the executive branch of the Federal Government upon written request, on a reimbursable basis or otherwise and with the consent of such department, agency, or instrumentality. Each such request shall identify the assistance the Secretary of Energy deems necessary to carry out any duty under this chapter.

(d) Consultations with Administrator of Environmental Protection Agency and Secretary of Transportation; establishment of procedures for periodic consultation with interested groups; establishment and functions of advisory panels

The Secretary of Energy shall consult with the Administrator of the Environmental Protection Agency and the Secretary of Transportation, and shall establish procedures for periodic consultation with representatives of science, industry, and such other groups as may have special expertise in the area of automobile propulsion system research, development, and technology. The Secretary of Energy may establish such advisory panels as he deems appropriate to review and make recommendations with respect to applications for funding under this chapter.

(e) Responsibilities under other Federal automotive research, development, and demonstration provisions unaffected

Nothing contained in this chapter shall be construed to reduce in any way the responsibilities of the Secretary of Energy for automotive research, development, and demonstration under the Energy Reorganization Act of 1974 (42 U.S.C. 5801 et seq.) and the Federal Nonnuclear Energy Research and Development Act of 1974 (42 U.S.C. 5901 et seq.).
