§ 460bbb-6. Minerals

(a) Withdrawal

Subject to valid existing rights, Federal lands within the exterior boundary of the recreation area are hereby withdrawn from all forms of location, entry, and patent under the United States mining laws and from disposition under the mineral leasing laws, including all laws pertaining to geothermal leasing.

(b) Patents

Patents may not be issued under the mining laws of the United States after November 16, 1990, for locations and claims made before November 16, 1990, on Federal lands located within the exterior boundaries of the recreation area.

(c) Administration

Subject to valid existing rights except for extraction of common variety minerals such as stone, sand, and gravel for use in construction and maintenance of roads and other facilities within the recreation area and the excluded areas, all other mineral development on federally owned lands within the recreation area is prohibited.

(d) Regulations

The Secretary is authorized and directed to issue supplementary regulations to promote and

protect the purposes for which the recreation area is designated.

§ 460bbb-7. Management planning

The Secretary shall revise the document entitled “Smith River National Recreation Area Management Plan” dated February 1990 to conform to the provisions of this subchapter, and such revised plan shall guide management of the recreation area and shall be incorporated in its entirety into the forest plan for the Six Rivers National Forest. This incorporation shall not be deemed a revision or amendment to the forest plan for purposes of the¹ section 1604 of this title. The Secretary shall make such further revisions to the management plan as are necessary in order to include more specific development and use plans for the recreation areas. Such revisions shall be made no later than 5 years after November 16, 1990. Such revisions and any other modifications of the management plan shall be made only through the processes of revision or amendment of the forest plan pursuant to section 1604 of this title, including appropriate consultation with State and local government officials and provision for full public participation considering the views of all interested parties, organizations, and individuals.

MANAGEMENT

Pub. L. 101-612, §10(c), Nov. 16, 1990, 104 Stat. 3219, provided that: “The management plan prepared under section 9 of this Act [this section] shall be deemed to satisfy the requirement for a comprehensive management plan required under section 3(d)(1) of the Wild and Scenic Rivers Act [section 1274(d)(1) of this title].”

§ 460bbb-8. Streamside protection zones

(a) Three hundred foot zones

For each of the rivers and river segments specified in this subsection, there is hereby established a streamside protection zone in which timber harvesting shall be prohibited except as permitted by section 460bbb-3(a)(7) of this title. Such zone shall extend 300 feet from each bank of the rivers and river segments, or 100 feet from the inner gorge of said rivers and river segments, or within the limit of high and extreme landslide hazards on said rivers and river segments, whichever is greater. The provisions of this subsection shall apply to the following rivers and river segments:

- (1) Rowdy Creek (from California-Oregon border to NRA boundary).
- (2) Shelly Creek (from its headwaters to Patrick Creek).
- (3) East Fork Patrick Creek (from its headwaters to Patrick Creek).
