PART A—STEENS MOUNTAIN COOPERATIVE MANAGEMENT AND PROTECTION AREA

SUBPART 1—DESIGNATION AND PURPOSES

§ 460nnn-11. Designation of Steens Mountain Cooperative Management and Protection Area

(a) Designation

The Secretary shall designate the Steens Mountain Cooperative Management and Protection Area consisting of approximately 425,550 acres of Federal land located in Harney County, Oregon, in the vicinity of Steens Mountain, as generally depicted on the map entitled “Steens Mountain Boundary Map” and dated September 18, 2000.

(b) Contents of map

In addition to the general boundaries of the Cooperative Management and Protection Area, the map referred to in subsection (a) also depicts the general boundaries of the following:

- (1) The no livestock grazing area described in section 460nnn-23(e) of this title.
- (2) The mineral withdrawal area designated by part D.
- (3) The wildlands juniper management area established by part E.

(Pub. L. 106-399, title I, §101, Oct. 30, 2000, 114 Stat. 1658.)

§ 460nnn-12. Purpose and objectives of Cooperative Management and Protection Area

(a) Purpose

The purpose of the Cooperative Management and Protection Area is to conserve, protect, and manage the long-term ecological integrity of Steens Mountain for future and present generations.

(b) Objectives

To further the purpose specified in subsection (a), and consistent with such purpose, the Secretary shall manage the Cooperative Management and Protection Area for the benefit of present and future generations—

- (1) to maintain and enhance cooperative and innovative management projects, programs and agreements between tribal, public, and private interests in the Cooperative Management and Protection Area;
- (2) to promote grazing, recreation, historic, and other uses that are sustainable;

(3) to conserve, protect and to ensure traditional access to cultural, gathering, religious, and archaeological sites by the Burns Paiute Tribe on Federal lands and to promote cooperation with private landowners;

(4) to ensure the conservation, protection, and improved management of the ecological, social, and economic environment of the Cooperative Management and Protection Area, including geological, biological, wildlife, riparian, and scenic resources; and

(5) to promote and foster cooperation, communication, and understanding and to reduce conflict between Steens Mountain users and interests.

SUBPART 2—MANAGEMENT OF FEDERAL LANDS

§ 460nnn-21. Management authorities and purposes

(a) In general

The Secretary shall manage all Federal lands included in the Cooperative Management and Protection Area pursuant to the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.) and other applicable provisions of law, including this subchapter, in a manner that—

- (1) ensures the conservation, protection, and improved management of the ecological, social and economic environment of the Cooperative Management and Protection Area, including geological, biological, wildlife, riparian, and scenic resources, North American Indian tribal and cultural and archaeological resource sites, and additional cultural and historic sites; and
- (2) recognizes and allows current and historic recreational use.

(b) Management plan

Within 4 years after October 30, 2000, the Secretary shall develop a comprehensive plan for the long-range protection and management of the Federal lands included in the Cooperative Management and Protection Area, including the Wilderness Area. The plan shall—

- (1) describe the appropriate uses and management of the Cooperative Management and Protection Area consistent with this subchapter;
- (2) incorporate, as appropriate, decisions contained in any current or future management or activity plan for the Cooperative Management and Protection Area and use information developed in previous studies of the lands within or adjacent to the Cooperative Management and Protection Area;
- (3) provide for coordination with State, county, and private local landowners and the Burns Paiute Tribe; and
- (4) determine measurable and achievable management objectives, consistent with the management objectives in section 460nnn-12 of this title, to ensure the ecological integrity of the area.

(c) Monitoring

The Secretary shall implement a monitoring program for Federal lands in the Cooperative
