

§ 460nnn-52. Advisory role in management activities**(a) Management recommendations**

The advisory committee¹ shall utilize sound science, existing plans for the management of Federal lands included in the Cooperative Management and Protection Area, and other tools to formulate recommendations for the Secretary regarding—

(1) new and unique approaches to the management of lands within the boundaries of the Cooperative Management and Protection Area; and

(2) cooperative programs and incentives for seamless landscape management that meets human needs and maintains and improves the ecological and economic integrity of the Cooperative Management and Protection Area.

(b) Preparation of management plan

The Secretary shall consult with the advisory committee¹ as part of the preparation and implementation of the management plan.

(c) Submission of recommendations

No recommendations may be presented to the Secretary by the advisory council without the agreement of at least nine members of the advisory council.

(Pub. L. 106-399, title I, §132, Oct. 30, 2000, 114 Stat. 1665.)

§ 460nnn-53. Science committee

The Secretary shall appoint, as needed or at the request of the advisory council, a team of respected, knowledgeable, and diverse scientists to provide advice on questions relating to the management of the Cooperative Management and Protection Area to the Secretary and the advisory council. The Secretary shall seek the advice of the advisory council in making these appointments.
