

tion area in a manner that conserves, protects, and enhances its resources and values, including those resources and values specified in subsection¹ 460ppp-2(a) of this title, in accordance with this subchapter, the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.), and other applicable provisions of law.

(b) Access

(1) In general

The Secretary shall maintain adequate access for the reasonable use and enjoyment of the conservation area.

(2) Private land

The Secretary shall provide reasonable access to privately owned land or interests in land within the boundaries of the conservation area.

(3) Existing public roads

The Secretary is authorized to maintain existing public access within the boundaries of the conservation area in a manner consistent with the purposes for which the conservation area was established.

(c) Uses

(1) In general

The Secretary shall only allow such uses of the conservation area as the Secretary finds will further the purposes for which the conservation area is established.

(2) Off-highway vehicle use

Except where needed for administrative purposes or to respond to an emergency, use of motorized vehicles in the conservation area shall be permitted only on roads and trails and in other areas designated for use of motorized vehicles as part of the management plan prepared pursuant to subsection (e).

(3) Permitted events

The Secretary may continue to permit large-scale events in defined, low impact areas of the Black Rock Desert playa in the conservation area in accordance with the management plan prepared pursuant to subsection (e).

(d) Hunting, trapping, and fishing

Nothing in this subchapter shall be deemed to diminish the jurisdiction of the State of Nevada with respect to fish and wildlife management, including regulation of hunting and fishing, on public lands within the conservation area.

(e) Management plan

Within three years following December 21, 2000, the Secretary shall develop a comprehensive resource management plan for the long-term protection and management of the conservation area. The plan shall be developed with full public participation and shall describe the appropriate uses and management of the conservation area consistent with the provisions of this subchapter. The plan may incorporate appropriate decisions contained in any current management or activity plan for the area and may use information developed in previous studies of the lands within or adjacent to the conservation area.

¹ So in original. Probably should be "section".

(f) Grazing

Where the Secretary of the Interior currently permits livestock grazing in the conservation area, such grazing shall be allowed to continue subject to all applicable laws, regulations, and executive orders.

(g) Visitor service facilities

The Secretary is authorized to establish, in cooperation with other public or private entities as the Secretary may deem appropriate, visitor service facilities for the purpose of providing information about the historical, cultural, ecological, recreational, and other resources of the conservation area.

(h) Road maintenance

Within the conservation area the Secretary may permit the use of gravel pits for the maintenance of roads within the conservation area under the Materials Act of 1947 (30 U.S.C. 601 et seq.) to the extent consistent with this subchapter and subject to such regulations, policies, and practices as the Secretary considers necessary.

§ 460ppp-5. No buffer zones

The Congress does not intend for the establishment of the conservation area to lead to the creation of protective perimeters or buffer zones around the conservation area. The fact that there may be activities or uses on lands outside the conservation area that would not be permitted in the conservation area shall not pre-

clude such activities or uses on such lands up to the boundary of the conservation area consistent with other applicable laws.

§ 460ppp-6. Wilderness

(a) Designation

In furtherance of the purposes of the Wilderness Act of 1964 (16 U.S.C. 1131 et seq.), the following lands in the State of Nevada are designated as wilderness, and, therefore, as components of the National Wilderness Preservation System:

(1) Certain lands in the Black Rock Desert Wilderness Study Area comprised of approximately 315,700 acres, as generally depicted on a map entitled “Black Rock Desert Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the Black Rock Desert Wilderness.

(2) Certain lands in the Pahute Peak Wilderness Study Area comprised of approximately 57,400 acres, as generally depicted on a map entitled “Pahute Peak Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the Pahute Peak Wilderness.

(3) Certain lands in the North Black Rock Range Wilderness Study Area comprised of approximately 30,800 acres, as generally depicted on a map entitled “North Black Rock Range Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the North Black Rock Range Wilderness.

(4) Certain lands in the East Fork High Rock Canyon Wilderness Study Area comprised of approximately 52,800 acres, as generally depicted on a map entitled “East Fork High Rock Canyon Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the East Fork High Rock Canyon Wilderness.

(5) Certain lands in the High Rock Lake Wilderness Study Area comprised of approximately 59,300 acres, as generally depicted on a map entitled “High Rock Lake Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the High Rock Lake Wilderness.

(6) Certain lands in the Little High Rock Canyon Wilderness Study Area comprised of approximately 48,700 acres, as generally depicted on a map entitled “Little High Rock Canyon Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the Little High Rock Canyon Wilderness.

(7) Certain lands in the High Rock Canyon Wilderness Study Area and Yellow Rock Canyon Wilderness Study Area comprised of approximately 46,600 acres, as generally depicted on a map entitled “High Rock Canyon Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the High Rock Canyon Wilderness.

(8) Certain lands in the Calico Mountains Wilderness Study Area comprised of approximately 65,400 acres, as generally depicted on a map entitled “Calico Mountains Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the Calico Mountains Wilderness.

(9) Certain lands in the South Jackson Mountains Wilderness Study Area comprised of approximately 56,800 acres, as generally depicted on a map entitled “South Jackson Mountains Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the South Jackson Mountains Wilderness.

(10) Certain lands in the North Jackson Mountains Wilderness Study Area comprised of approximately 24,000 acres, as generally depicted on a map entitled “North Jackson Mountains Wilderness—Proposed” and dated October 3, 2001, and which shall be known as the North Jackson Mountains Wilderness.

(b) Administration of wilderness areas

Subject to valid existing rights, each wilderness area designated by this subchapter shall be administered by the Secretary in accordance with the provisions of the Wilderness Act [16 U.S.C. 1131 et seq.], except that any reference in such provisions to the effective date of the Wilderness Act shall be deemed to be a reference to December 21, 2000, and any reference to the Secretary of Agriculture shall be deemed to be a reference to the Secretary of the Interior.

(c) Maps and legal description

As soon as practicable after December 21, 2000, the Secretary shall submit to Congress a map and legal description of the wilderness areas designated under this subchapter. The map and legal description shall have the same force and effect as if included in this subchapter, except the Secretary may correct clerical and typographical errors in such map and legal description. Copies of the map and legal description shall be on file and available for public inspection in the appropriate offices of the Bureau of Land Management.

(d) Grazing

Within the wilderness areas designated under subsection (a), the grazing of livestock, where established prior to December 21, 2000, shall be permitted to continue subject to such reasonable regulations, policies, and practices as the Secretary deems necessary, as long as such regulations, policies, and practices fully conform with and implement the intent of Congress regarding grazing in such areas as such intent is expressed in the Wilderness Act and section 101(f) of Public Law 101-628.

(e) Hunting, trapping, and fishing

(1) In general

Nothing in this subchapter diminishes the jurisdiction of the State of Nevada with respect to fish and wildlife management, including regulation of hunting and fishing on public land in the areas designated as wilderness under subsection (a).

(2) Applicable law

Any action in the areas designated as wilderness under subsection (a) shall be consistent with the Wilderness Act (16 U.S.C. 1131 et seq.).

(f) Wildland fire protection

Nothing in this subchapter or the Wilderness Act (16 U.S.C. 1131 et seq.) precludes a Federal, State, or local agency from conducting wildland fire management operations (including pre-
