

(2) on the west by a line fifty feet west of such electrical transmission line; and

(3) on the north and south by the northern and southern boundaries, respectively, of area VII-A.

(c) Boundaries of area VII-A

Area VII-A includes the bed of the railroad tracks forming the northern and northwestern boundaries of this area and extends to the northern edge of the bed of the railroad tracks forming the southern boundaries of this area.

(d) Inclusion in area I-D

Area I-D includes the bed of the railroad tracks along the northern boundary of this area.

(e) Exclusions from area VII-C

The area designated as area VII-C on the map referred to in section 460u of this title does not include approximately 1.3 acres of land on which the Linde Air Products plant is situated, nor does it include approximately 1 acre of land on which the Old Union Station building and the adjacent REA building are situated. Except as provided in the foregoing sentence, area VII-C extends to, but does not include, the beds of the railroad tracks forming the northern and southern boundaries of such area.

§ 460u-24. Little Calumet River and Burns/Portage Waterway

(a) Cooperative agreement

The Secretary may enter into a cooperative agreement with the Little Calumet River Basin Development Commission, the State of Indiana or any political subdivision thereof for the planning, management, and interpretation of recreational facilities on the tract within the boundaries of Indiana Dunes National Park identified as tract numbered 09-177¹ or on lands under the jurisdiction of the State of Indiana or political subdivision thereof along the Little Calumet River and Burns Waterway. The cooperative agreement may include provision for the planning of public facilities for boating, canoeing, fishing, hiking, bicycling, and other compatible recreational activities. Any recreational developments on lands under the jurisdiction of the National Park Service planned pursuant to this cooperative agreement shall be in a manner consistent with the purposes of this subchapter, including section 460u-6(b) of this title.

(b) Study

The Secretary shall conduct a study regarding the options available for linking the portions of the Park which are divided by the Little Calumet River and Burns/Portage Waterway so as to coordinate the management and recreational use of the Park. The Secretary shall submit the results of the study to the Committee on Interior and Insular Affairs of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate within two years after October 29, 1986. Effective October 1, 1986, there is author-

ized to be appropriated such sums as may be necessary for the purposes of conducting the study.

DUTCH JOHN FEDERAL PROPERTY DISPOSITION AND ASSISTANCE

Pub. L. 105-326, Oct. 30, 1998, 112 Stat. 3040, as amended by Pub. L. 106-176, title III, §303, Mar. 10, 2000, 114 Stat. 32, related to disposition of certain Federal properties located in Dutch John, Utah, and to assistance to local government in interim delivery of basic services to Dutch John community.

§ 460v-1. Administration, protection, and development by Secretary of Agriculture; administration of land or waters for Colorado River storage project by Secretary of the Interior

The administration, protection, and development of the recreation area shall be by the Secretary of Agriculture (hereinafter called the "Secretary") in accordance with the laws, rules, and regulations applicable to national forests, in a manner coordinated with the other purposes of the Colorado River storage project, and in such manner as in his judgment will best provide for (1) public outdoor recreation benefits; (2) conservation of scenic, scientific, historic, and other values contributing to public enjoyment; and (3) such management, utilization, and disposal of natural resources as in his judgment will promote or are compatible with, and do not significantly impair the purposes for which the recreation area is established: *Provided*, That lands or waters needed or used for the operation of the Colorado River storage project shall continue to be administered by the Secretary of the Interior to the extent he determines to be required for such operation.

(Pub. L. 90-540, §2, Oct. 1, 1968, 82 Stat. 904.)

§ 460v-2. Boundaries; adjustments; publication in Federal Register

Within six months after October 1, 1968, the Secretary shall publish in the Federal Register a detailed description of the boundaries of the recreation area. Following such publication, the Secretary may make minor adjustments in the boundary of the recreation area by publication of the amended description thereof in the Federal Register: *Provided*, That the total acreage of the recreation area within the adjusted boundary does not exceed the acreage of the recreation area as shown on the map referred to in section 460v of this title.

(Pub. L. 90-540, §3, Oct. 1, 1968, 82 Stat. 904.)

§ 460v-3. Hunting, fishing, and trapping

The Secretary shall permit hunting, fishing, and trapping on the lands and waters under his jurisdiction within the recreation area in accordance with the applicable Federal and State laws: *Provided*, That the Secretary, after consultation with the respective State fish and game commissions, may issue regulations designating zones where and establishing periods when no hunting, fishing, or trapping shall be permitted for reasons of public safety, administration, or public use and enjoyment. Nothing in this subchapter shall affect the jurisdiction or responsibilities of the States of Utah and Wyoming under other provisions of State laws with respect to hunting and fishing.

(Pub. L. 90-540, §4, Oct. 1, 1968, 82 Stat. 904.)

§ 460v-4. Lands withdrawn from location, entry, and patent under United States mining laws; removal of minerals; receipts, disposition

The lands within the recreation area, subject to valid existing rights, are hereby withdrawn from location, entry, and patent under the United States mining laws. The Secretary of the Interior, under such regulations as he deems appropriate, may permit the removal of the nonleasable minerals from lands or interests in lands within the recreation area in the manner prescribed by section 387 of title 43, and he may permit the removal of leasable minerals from lands or interests in lands within the recreation area in accordance with the Mineral Leasing Act of February 24, 1920,¹ as amended [30 U.S.C. 181 et seq.], or the Acquired Lands Mineral Leasing Act of August 7, 1947 [30 U.S.C. 351 et seq.], if he finds that such disposition would not have significant adverse effects on the purposes of the Colorado River storage project and the Secretary of Agriculture finds that such disposition would not have significant adverse effects on the purposes of the recreation area: *Provided*, That any lease or permit respecting such minerals in the recreation area shall be issued only with the consent of the Secretary of Agriculture and subject to such conditions as he may prescribe.

All receipts derived from permits and leases issued under the authority of this section for removal of nonleasable minerals shall be paid into the same funds or accounts in the Treasury of the United States and shall be distributed in the same manner as provided for receipts from national forests. Any receipts derived from permits or leases issued on lands in the recreation area under the Mineral Leasing Act of February 25, 1920, as amended, or the Act of August 7, 1947, shall be disposed of as provided in the applicable Act.

(Pub. L. 90-540, §5, Oct. 1, 1968, 82 Stat. 904.)
