§ 460x-6. Taxing power

Nothing in this subchapter shall be construed as prohibiting any governmental jurisdiction in the State of Michigan from assessing taxes upon any interest in real estate retained under the provisions of section 460x-9 of this title to the owner of such interest.

(Pub. L. 91-479, §7, Oct. 21, 1970, 84 Stat. 1077.)

§ 460x-7. Acquisition of property**(a) Authority of Secretary; manner of acquisition; procedure for lands partly within designated area**

The Secretary is authorized to acquire by donation, purchase with donated or appropriated funds, transfer funds, transfer from any Federal agency, or exchange lands and interests therein for the purposes of this subchapter. When an individual tract of land is only partly within the area designated, the Secretary may acquire the entire tract by any of the above methods to avoid the payment of severance costs. Land so acquired outside the designated area may be exchanged by the Secretary for non-Federal lands within such area, and any portion of the land not utilized for such exchanges may be disposed of in accordance with the provisions of chapters 1 to 11 of title 40 and division C (except sections 3302, 3307(e), 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41.

(b) Sale offers; hardship from delay; time and manner of purchase

In exercising his authority to acquire property under this subchapter, the Secretary shall give immediate and careful consideration to any offer made by an individual owning property within the lakeshore to sell such property to the Secretary. An individual owning property within the lakeshore may notify the Secretary that the continued ownership by such individual of that property would result in hardship to him, and the Secretary shall immediately consider such evidence and shall within one year following the submission of such notice, subject to the availability of funds, purchase such property offered for a price which does not exceed its fair market value.

(c) State donations; transfer from Federal agency to administrative jurisdiction of Secretary

Any property or interests therein, owned by the State of Michigan or any political subdivisions thereof, may be acquired only by donation. Notwithstanding any other provision of law, any

property owned by the United States on October 21, 1970, located within such area may, with the concurrence of the agency having custody thereof, be transferred without consideration to the administrative jurisdiction of the Secretary for use by him in carrying out the provisions of this subchapter.

(d) Initiation of condemnation proceedings subsequent to failure of Secretary to negotiate for purchase of property; certificate of compliance with negotiation procedure

With respect to that property which the Secretary is authorized to acquire by condemnation under the terms of this subchapter, the Secretary shall initiate no condemnation proceedings until after he has made every reasonable effort to acquire such property by negotiation and purchase. The certificate of the determination by the Secretary or his designated representative that there has been compliance with the provisions of this subsection and of subsection (b) of this section shall be prima facie evidence of such compliance.

(e) Condemnation to acquire clear, marketable, and encumbrance-free title

Nothing in this subchapter shall be construed to prohibit the use of condemnation as a means of acquiring a clear and marketable title, free of any and all encumbrances.

“The Secretary of the Interior may not acquire any of the land described in subsection (b) of section 1 through any exchange or conveyance of lands that are within the boundary of the Sleeping Bear Dunes National Lakeshore as of the date of the enactment of this Act [May 28, 2004].”

§ 460x-8. Zoning bylaws**(a) Authority of Secretary to assist any township or county in or adjacent to lakeshore; payments for technical aid**

The Secretary shall, at the request of any township or county in or adjacent to the lakeshore affected by this subchapter, assist and consult with the appropriate officers and employees of such township or county in establishing zoning bylaws for the purpose of this subchapter. Such assistance may include payments to the county or township for technical aid.

(b) Suspension of condemnation power over improved property

No improved property within the area designated for inclusion in the lakeshore shall be acquired by the Secretary by condemnation so long as the affected county or township has in force and applicable thereto a duly adopted, valid zoning bylaw approved by the Secretary in accordance with the provisions of subsection (d) of this section and the use of improved property is in compliance therewith. In the event that the affected county or township does not have in effect and applicable to any improved property a duly adopted, valid zoning bylaw so approved, the Secretary shall be prohibited from acquiring such property by condemnation, if the owner thereof notifies the Secretary in writing of such owner's agreement to use his property in a manner consistent with the applicable standard set forth in subsection (d) of this section, and such prohibition against condemnation shall remain in effect for so long as such property is so used.

(c) Notification of owner by Secretary of use of property inconsistent with applicable bylaws or standards; requirements of notice; discontinuance of use by owner; condemnation upon failure to discontinue use

If the Secretary determines that any such property referred to in subsection (b) of this section covered by any such bylaw is being used in a way which is not in substantial compliance with such bylaw, or that any such property referred to in subsection (b) with respect to which an agreement has been made is being used in a manner which is not substantially consistent with such applicable standards, he shall so notify the owner of any such property in writing. Such notice shall contain a detailed statement as to why the Secretary believes that such use is not in substantial compliance with such zoning bylaw or why such use is not substantially consistent with such applicable standards, as the case may be. Any such owner shall have sixty days following the receipt by him of that written notification within which to discontinue the use referred to in such notification. Discontinuance of such use within such sixty-day period shall have the effect of prohibiting the Secretary from acquiring such property by condemnation by reason of such use. In any case in which such use is not discontinued within such sixty-day period, the Secretary may, in his discretion, acquire such property by condemnation.

(d) Conditions for approval by Secretary

Any zoning bylaw or amendment thereto submitted to the Secretary for approval for the pur-

poses of this subchapter shall be approved by him if such bylaw or amendment contains provisions which—

(1) contribute to the effect of prohibiting the commercial and industrial use (other than a use for a commercial purpose as authorized under section 460x-12 of this title) of all property within the boundaries of such area which is situated within the county or township adopting such bylaw or amendment;

(2) are consistent with the objectives and purposes of this subchapter so that, to the extent possible under Michigan law, the scenic and scientific values of the lakeshore area will be protected;

(3) are designed to preserve the lakeshore character of the area by appropriate restrictions upon the burning of cover, cutting of timber (except tracts managed for sustained yield), removal of sand or gravel, and dumping, storage, or piling of refuse and other unsightly objects or other uses which would detract from the natural or traditional lakeshore scene;

(4) provide that no construction, reconstruction, moving, alteration, or enlargement of any property, including improved property as defined in this subchapter, within the lakeshore area shall be permitted, if such construction, reconstruction, moving, alteration, or enlargement would afford less than a fifty-foot setback from all streets measured at a right angle with the street line, and a twenty-five-foot distance from all contiguous properties. Any owner or zoning authority may request the Secretary of the Interior to determine whether a proposed move, alteration, construction, reconstruction, or enlargement of any such property would subject such property to acquisition by condemnation, and the Secretary, within sixty days of the receipt of such request, shall advise the owner or zoning authority in writing whether the intended use will subject the property to acquisition by condemnation; and

(5) have the effect of providing that the Secretary shall receive notice of any variance granted under, and of any exception made to the application of, such bylaw or amendment.

(e) Withdrawal or revocation of approval by Secretary; retroactive effect

The approval of any bylaw or amendment pursuant to subsection (d) shall not be withdrawn or revoked by the Secretary for so long as such bylaw or amendment remains in effect as approved. Any such bylaw or amendment so approved shall not be retroactive in its application.

(Pub. L. 91-479, §9, Oct. 21, 1970, 84 Stat. 1078.)

§ 460x-9. Right of retention of residential use in improved lands**(a) Limited term; conforming use; payment for right; sale or lease of right**

Any owner or owners of improved property situated within the area designated for inclusion in the lakeshore on the date of its acquisition by the Secretary may, as a condition of such acquisition, retain, for a term of not to exceed twen-
