

Arapaho National Recreation Area and the Secretary may convey in exchange therefor any federally owned lands or interests inlands within the State of Colorado which are classified by the Secretary as suitable for exchange and which are under the Secretary's administrative jurisdiction. The values of any lands or interests in lands so exchanged shall be approximately equal, or if they are not approximately equal, they shall be equalized by the payment of cash to the grantor or to the Secretary so long as payment does not exceed 25 per centum of the total value of the land or interest in land. In utilizing cash equalization in exchanges the Secretary shall try to reduce the amount of the payment of money to as small an amount as possible. In the exercise of his exchange authority, the Secretary may utilize authorities and procedures available to him in making exchanges of national forest lands.

(d) State land

Any land or interest in land owned by the State of Colorado or any of its political subdivisions may be acquired only by donation or exchange.

(e) Transfer of Federal land

Notwithstanding any other provision of law, any Federal lands or interests in lands located within the Arapaho National Recreation Area shall be transferred without consideration to the administrative jurisdiction of the Secretary for use by the Secretary in carrying out this subchapter. Lands within the Arapaho National Recreation Area acquired by the Secretary or transferred to the Secretary's administrative jurisdiction shall become part of that recreation area and of the national forest within or adjacent to which they are located: *Provided*, That the operation and facilities of the Colorado Big Thompson project shall remain under the jurisdiction of the United States Bureau of Reclamation.

SUBCHAPTER XCV—SANTA MONICA
MOUNTAINS NATIONAL RECREATION AREA

§ 460kk. Establishment

(a) Findings

The Congress finds that—

(1) there are significant scenic, recreational, educational, scientific, natural, archeological, and public health benefits provided by the Santa Monica Mountains and adjacent coastline area;

(2) there is a national interest in protecting and preserving these benefits for the residents of and visitors to the area; and

(3) the State of California and its local units of government have authority to prevent or minimize adverse uses of the Santa Monica Mountains and adjacent coastline area and can, to a great extent, protect the health, safety, and general welfare by the use of such authority.

(b) Establishment; management

There is hereby established the Santa Monica Mountains National Recreation Area (hereinafter referred to as the “recreation area”). The Secretary shall manage the recreation area in a manner which will preserve and enhance its scenic, natural, and historical setting and its public health value as an airshed for the Southern California metropolitan area while providing for the recreational and educational need of the visiting public.

(c) **Description; boundary revisions: notice to Congressional committees, publication in Federal Register; acquisition of property; manner, transfer from Federal agency to administrative jurisdiction of Secretary, exchange of lands with city of Los Angeles, development of municipal cultural resource management program; Nike Site transfer to Secretary**

(1) The recreation area shall consist of the lands and waters and interests generally depicted as the recreation area on the map entitled “Santa Monica Mountains National Recreation Area and Santa Monica Mountains Zone, California, Boundary Map”, numbered 80,047-C and dated August 2001, which shall be on file and available for inspection in the offices of the National Park Service, Department of the Interior, Washington, District of Columbia, and in the offices of the General Services Administration in the Federal Office Building in West Los Angeles, California, and in the main public library in Ventura, California. After advising the Committee on Resources of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States

Senate, in writing, the Secretary may make minor revisions of the boundaries of the recreation area when necessary by publication of a revised drawing or other boundary description in the Federal Register.

(2)(A) Not later than ninety days after November 10, 1978, the Secretary, after consultation with the Governor of the State of California, the California Coastal Commission, and the Santa Monica Mountains Comprehensive Planning Commission, shall commence acquisition of lands, improvements, waters, or interests therein within the recreation area. Such acquisition may be by donation, purchase with donated or appropriated funds, transfer from any Federal agency, exchange, or otherwise. Except as provided in subparagraph (B), any lands or interests therein owned by the State of California or any political subdivision thereof (including any park district or other public entity) may be acquired only by donation, except that such lands acquired after November 10, 1978, by the State of California or its political subdivisions may be acquired by purchase or exchange if the Secretary determines that the lands were acquired for purposes which further the national interest in protecting the area and that the purchase price or value on exchange does not exceed fair market value on the date that the State acquired the land or interest: *Provided, however*, That the value of any lands acquired by the Secretary under the exception in this sentence shall be deducted from the amount of moneys available for grants to the State under subsection (n) of this section. Lands within the “Wildlife Corridor Expansion Zone” identified on the boundary map referred to in paragraph (1) may be acquired only by donation or with donated funds. Notwithstanding any other provision of law, any Federal property located within the boundaries of the recreation area shall, with the concurrence of the head of the agency having custody thereof, be transferred without cost, to the administrative jurisdiction of the Secretary for the purposes of the recreation area.

(B) The Secretary shall negotiate, and carry out, and exchange with the city of Los Angeles (acting through its department of water and power) certain federally owned lands managed by the Bureau of Land Management in the vicinity of the Haiwee Reservoir in Inyo County for certain lands owned by the city of Los Angeles which are associated with the Upper Franklin Reservoir in the city of Los Angeles. Lands acquired by the Secretary pursuant to such exchange shall be transferred without cost to the administrative jurisdiction of the National Park Service for inclusion within the recreation area. The Secretary shall include in such exchange a provision for an easement to be granted to the city of Los Angeles for the existing water pipeline associated with the Upper Franklin Reservoir and for the city of Los Angeles to provide for replacement water to maintain the water elevations of the Franklin Reservoir to the current levels. The values of lands exchanged under this provision shall be equal, or shall be equalized, in the same manner as provided in section 1716 of title 43.

(C) The city shall assume full responsibility for the protection of cultural resources and shall
