

transmission rights prior to August 8, 2005, but had not done so with respect to one or more load-serving entities' firm transmission rights held under contracts to which the preceding sentence applies (or held by reason of ownership or future ownership of transmission facilities), such load-serving entities may not be required, without their consent, to convert such firm transmission rights to tradable or financial rights, except where the load-serving entity has voluntarily joined the ISO as a participating transmission owner (or its successor) in accordance with the ISO tariff.

(g) Water pumping facilities

The Commission shall ensure that any entity described in section 824(f) of this title that owns transmission facilities used predominately to support its own water pumping facilities shall have, with respect to the facilities, protections for transmission service comparable to those provided to load-serving entities pursuant to this section.

(h) ERCOT

This section shall not apply within the area referred to in section 824k(k)(2)(A) of this title.

(i) Jurisdiction

This section does not authorize the Commission to take any action not otherwise within the jurisdiction of the Commission.

(j) TVA area

(1) Subject to paragraphs (2) and (3), for purposes of subsection (b)(1)(B), a load-serving entity that is located within the service area of the Tennessee Valley Authority and that has a firm wholesale power supply contract with the Tennessee Valley Authority shall be considered to hold firm transmission rights for the transmission of the power provided.

(2) Nothing in this subsection affects the requirements of section 824k(j) of this title.

(3) The Commission shall not issue an order on the basis of this subsection that is contrary to the purposes of section 824k(j) of this title.

(k) Effect of exercising rights

An entity that to the extent required to meet its service obligations exercises rights described in subsection (b) shall not be considered by such action as engaging in undue discrimination or preference under this chapter.

FERC RULEMAKING ON LONG-TERM TRANSMISSION RIGHTS IN ORGANIZED MARKETS

Pub. L. 109-58, title XII, §1233(b), Aug. 8, 2005, 119 Stat. 960, provided that: "Within 1 year after the date of enactment of this section [Aug. 8, 2005] and after notice and an opportunity for comment, the [Federal Energy Regulatory] Commission shall by rule or order, implement section 217(b)(4) of the Federal Power Act [16 U.S.C. 824q(b)(4)] in Transmission Organizations, as defined by that Act [16 U.S.C. 791a et seq.] with organized electricity markets."

§ 824r. Protection of transmission contracts in the Pacific Northwest

(a) Definition of electric utility or person

In this section, the term "electric utility or person" means an electric utility or person that—

(1) as of August 8, 2005, holds firm transmission rights pursuant to contract or by reason of ownership of transmission facilities; and

(2) is located—

(A) in the Pacific Northwest, as that region is defined in section 839a of this title; or

(B) in that portion of a State included in the geographic area proposed for a regional transmission organization in Commission Docket Number RT01-35 on the date on which that docket was opened.

(b) Protection of transmission contracts

Nothing in this chapter confers on the Commission the authority to require an electric utility or person to convert to tradable or financial rights—

(1) firm transmission rights described in subsection (a); or

(2) firm transmission rights obtained by exercising contract or tariff rights associated with the firm transmission rights described in subsection (a).

(June 10, 1920, ch. 285, pt. II, §218, as added Pub. L. 109-58, title XII, §1235, Aug. 8, 2005, 119 Stat. 960.)

§ 824s. Transmission infrastructure investment

(a) Rulemaking requirement

Not later than 1 year after August 8, 2005, the Commission shall establish, by rule, incentive-based (including performance-based) rate treatments for the transmission of electric energy in interstate commerce by public utilities for the purpose of benefitting consumers by ensuring reliability and reducing the cost of delivered power by reducing transmission congestion.

(b) Contents

The rule shall—

(1) promote reliable and economically efficient transmission and generation of electricity by promoting capital investment in the enlargement, improvement, maintenance, and operation of all facilities for the transmission of electric energy in interstate commerce, regardless of the ownership of the facilities;

(2) provide a return on equity that attracts new investment in transmission facilities (including related transmission technologies);

(3) encourage deployment of transmission technologies and other measures to increase the capacity and efficiency of existing transmission facilities and improve the operation of the facilities; and

(4) allow recovery of—

(A) all prudently incurred costs necessary to comply with mandatory reliability standards issued pursuant to section 824o of this title; and

(B) all prudently incurred costs related to transmission infrastructure development pursuant to section 824p of this title.

(c) Incentives

In the rule issued under this section, the Commission shall, to the extent within its jurisdiction, provide for incentives to each transmitting utility or electric utility that joins a Transmission Organization. The Commission shall ensure that any costs recoverable pursuant to this subsection may be recovered by such utility through the transmission rates charged by such utility or through the transmission rates charged by the Transmission Organization that provides transmission service to such utility.

(d) Just and reasonable rates

All rates approved under the rules adopted pursuant to this section, including any revisions to the rules, are subject to the requirements of sections 824d and 824e of this title that all rates, charges, terms, and conditions be just and reasonable and not unduly discriminatory or preferential.

(June 10, 1920, ch. 285, pt. II, §219, as added Pub. L. 109-58, title XII, §1241, Aug. 8, 2005, 119 Stat. 961.)

§ 824t. Electricity market transparency rules**(a) In general**

(1) The Commission is directed to facilitate price transparency in markets for the sale and transmission of electric energy in interstate commerce, having due regard for the public interest, the integrity of those markets, fair competition, and the protection of consumers.

(2) The Commission may prescribe such rules as the Commission determines necessary and appropriate to carry out the purposes of this section. The rules shall provide for the dissemination, on a timely basis, of information about the availability and prices of wholesale electric energy and transmission service to the Commission, State commissions, buyers and sellers of wholesale electric energy, users of transmission services, and the public.

(3) The Commission may—

(A) obtain the information described in paragraph (2) from any market participant; and

(B) rely on entities other than the Commission to receive and make public the information, subject to the disclosure rules in subsection (b).

(4) In carrying out this section, the Commission shall consider the degree of price transparency provided by existing price publishers and providers of trade processing services, and shall rely on such publishers and services to the maximum extent possible. The Commission may establish an electronic information system if it determines that existing price publications are not adequately providing price discovery or market transparency. Nothing in this section, however, shall affect any electronic information filing requirements in effect under this chapter as of August 8, 2005.

(b) Exemption of information from disclosure

(1) Rules described in subsection (a)(2), if adopted, shall exempt from disclosure information the Commission determines would, if disclosed, be detrimental to the operation of an effective market or jeopardize system security.

(2) In determining the information to be made available under this section and time to make the information available, the Commission shall seek to ensure that consumers and competitive markets are protected from the adverse effects of potential collusion or other anticompetitive behaviors that can be facilitated by untimely public disclosure of transaction-specific information.

(c) Information sharing

(1) Within 180 days of August 8, 2005, the Commission shall conclude a memorandum of understanding with the Commodity Futures Trading Commission relating to information sharing, which shall include, among other things, provisions ensuring that information requests to markets within the respective jurisdiction of each agency are properly coordinated to minimize duplicative information requests, and provisions regarding the treatment of proprietary trading information.

(2) Nothing in this section may be construed to limit or affect the exclusive jurisdiction of the Commodity Futures Trading Commission under the Commodity Exchange Act (7 U.S.C. 1 et seq.).

(d) Exemption from reporting requirements

The Commission shall not require entities who have a de minimis market presence to comply with the reporting requirements of this section.

(e) Penalties for violations occurring before notice

(1) Except as provided in paragraph (2), no person shall be subject to any civil penalty under this section with respect to any violation occurring more than 3 years before the date on which the person is provided notice of the proposed penalty under section 825o-1 of this title.

(2) Paragraph (1) shall not apply in any case in which the Commission finds that a seller that has entered into a contract for the sale of electric energy at wholesale or transmission service subject to the jurisdiction of the Commission has engaged in fraudulent market manipulation activities materially affecting the contract in violation of section 824v of this title.

(f) ERCOT utilities

This section shall not apply to a transaction for the purchase or sale of wholesale electric energy or transmission services within the area described in section 824k(k)(2)(A) of this title.

(June 10, 1920, ch. 285, pt. II, §220, as added Pub. L. 109-58, title XII, §1281, Aug. 8, 2005, 119 Stat. 978.)
