

(ii) grant to the Secretary a right-of-way for the Piedra Lisa Trail within the Piedra Lisa tract generally depicted on the map entitled “Sandia Pueblo Settlement Technical Amendment Act” and dated October 18, 2013.

(c) Land acquisition and other compensation

(1) In general

The Secretary may acquire land owned by the Pueblo within the Evergreen Hills Subdivision in Sandoval County or any other privately held land inside of the exterior boundaries of the Area. The boundaries of the Cibola National Forest and the Area shall be adjusted to encompass any land acquired pursuant to this section.

(2) Piedra Lisa tract

Subject to the availability of appropriations, the Secretary shall compensate the Pueblo for the fair market value of—

- (A) the right-of-way established pursuant to section 539m-7(h)(3)(C) of this title; and
- (B) the conservation easement established by the limitations on use of the Piedra Lisa tract pursuant to section 539m-7(b)(2) of this title.

(d) Reimbursement of certain costs

(1) In general

The Pueblo, the County of Bernalillo, New Mexico, and any person that owns or has owned property inside of the exterior boundaries of the Area as designated on the map, and who has incurred actual and direct costs as a result of participating in the case of Pueblo of Sandia v. Babbitt, Civ. No. 94-2624 HHG (D.D.C.), or other proceedings directly related to resolving the issues litigated in that case, may apply for reimbursement in accordance with this section. Costs directly related to such participation which shall qualify for reimbursement shall be—

- (A) dues or payments to a homeowner association for the purpose of legal representation; and
- (B) legal fees and related expenses.

(2) Treatment of reimbursement

Any reimbursement provided in this subsection shall be in lieu of that which might otherwise be available pursuant to the Equal Access to Justice Act (24¹ U.S.C. 2412).

(3) Payments

Subject to the availability of appropriated funds the Secretary of the Treasury shall make reimbursement payments as provided in this section.

(4) Applications

Not later than 180 days after February 20, 2003, applications for reimbursement shall be filed with the Department of the Treasury, Financial Management Service, Washington, D.C.

(5) Maximum reimbursement

No party shall be reimbursed in excess of \$750,000 under this section, and the total

amount reimbursed in accordance with this section shall not exceed \$3,000,000.

¹ See References in Text note below.

aged by the Forest Service, as generally depicted on the map entitled “Crystal Springs Watershed Special Resources Management Unit”, dated June 2006 (referred to in this section as the “map”), to be known as the “Crystal Springs Watershed Special Resources Management Unit” (referred to in this section as the “Management Unit”).

(B) Exclusion of certain land

The Management Unit does not include any National Forest System land otherwise covered by subparagraph (A) that is designated as wilderness by section 1202.¹

(C) Withdrawal

(i) In general

Subject to valid rights in existence on March 30, 2009, the Federal land designated as the Management Unit is withdrawn from all forms of—

- (I) entry, appropriation, or disposal under the public land laws;
- (II) location, entry, and patent under the mining laws; and
- (III) disposition under all laws pertaining to mineral and geothermal leasing or mineral materials.

(ii) Exception

Clause (i)(I) does not apply to the parcel of land generally depicted as “HES 151” on the map.

(2) Purposes

The purposes of the Management Unit are—

- (A) to ensure the protection of the quality and quantity of the Crystal Springs watershed as a clean drinking water source for the residents of Hood River County, Oregon; and
- (B) to allow visitors to enjoy the special scenic, natural, cultural, and wildlife values of the Crystal Springs watershed.

(3) Map and legal description

(A) Submission of legal description

As soon as practicable after March 30, 2009, the Secretary shall file a map and a legal description of the Management Unit with—

- (i) the Committee on Energy and Natural Resources of the Senate; and
- (ii) the Committee on Natural Resources of the House of Representatives.

(B) Force of law

The map and legal description filed under subparagraph (A) shall have the same force and effect as if included in this subtitle, except that the Secretary may correct typographical errors in the map and legal description.

(C) Public availability

The map and legal description filed under subparagraph (A) shall be on file and available for public inspection in the appropriate offices of the Forest Service.

(4) Administration

(A) In general

The Secretary shall—

- (i) administer the Management Unit—
 - (I) in accordance with the laws (including regulations) and rules applicable to units of the National Forest System; and

(II) consistent with the purposes described in paragraph (2); and

- (i) only allow uses of the Management Unit that are consistent with the purposes described in paragraph (2).

(B) Fuel reduction in proximity to improvements and primary public roads

To protect the water quality, water quantity, and scenic, cultural, natural, and wildlife values of the Management Unit, the Secretary may conduct fuel reduction and forest health management treatments to maintain and restore fire-resilient forest structures containing late successional forest structure characterized by large trees and multistoried canopies, as ecologically appropriate, on National Forest System land in the Management Unit—

- (i) in any area located not more than 400 feet from structures located on—

- (I) National Forest System land; or
- (II) private land adjacent to National Forest System land;

- (ii) in any area located not more than 400 feet from the Cooper Spur Road, the Cloud Cap Road, or the Cooper Spur Ski Area Loop Road; and

- (iii) on any other National Forest System land in the Management Unit, with priority given to activities that restore previously harvested stands, including the removal of logging slash, smaller diameter material, and ladder fuels.

(5) Prohibited activities

Subject to valid existing rights, the following activities shall be prohibited on National Forest System land in the Management Unit:

- (A) New road construction or renovation of existing non-System roads, except as necessary to protect public health and safety.
- (B) Projects undertaken for the purpose of harvesting commercial timber (other than activities relating to the harvest of merchantable products that are byproducts of activities conducted to further the purposes described in paragraph (2)).
- (C) Commercial livestock grazing.
- (D) The placement of new fuel storage tanks.
- (E) Except to the extent necessary to further the purposes described in paragraph (2), the application of any toxic chemicals (other than fire retardants), including pesticides, rodenticides, or herbicides.

(6) Forest road closures

(A) In general

Except as provided in subparagraph (B), the Secretary may provide for the closure or gating to the general public of any Forest Service road within the Management Unit.

(B) Exception

Nothing in this section requires the Secretary to close the road commonly known as “Cloud Cap Road”, which shall be administered in accordance with otherwise applicable law.

(7) Private land

(A) Effect

Nothing in this section affects the use of, or access to, any private property within the area

identified on the map as the “Crystal Springs Zone of Contribution” by—

- (i) the owners of the private property; and
- (ii) guests to the private property.

(B) Cooperation

The Secretary is encouraged to work with private landowners who have agreed to cooperate with the Secretary to further the purposes of this section.

(8) Acquisition of land

(A) In general

The Secretary may acquire from willing landowners any land located within the area identified on the map as the “Crystal Springs Zone of Contribution”.

(B) Inclusion in Management Unit

On the date of acquisition, any land acquired under subparagraph (A) shall be incorporated in, and be managed as part of, the Management Unit.

§ 539o. Ancient Bristlecone Pine Forest

(a) Designation

To conserve and protect the Ancient Bristlecone Pines by maintaining near-natural conditions and to ensure the survival of the Pines for the purposes of public enjoyment and scientific study, the approximately 31,700 acres of public land in the State, as generally depicted on the map entitled “Ancient Bristlecone Pine Forest—Proposed” and dated July 16, 2008, is designated as the “Ancient Bristlecone Pine Forest”.

(b) Map and legal description

(1) In general

As soon as practicable, but not later than 3 years after March 30, 2009, the Secretary shall file a map and legal description of the Forest with—

(A) the Committee on Natural Resources of the House of Representatives; and

(B) the Committee on Energy and Natural Resources of the Senate.

(2) Force of law

The map and legal description filed under paragraph (1) shall have the same force and effect as if included in this subtitle, except that the Secretary may correct any errors in the map and legal description.

(3) Public availability

The map and legal description filed under paragraph (1) shall be on file and available for public inspection in the appropriate offices of the Forest Service.

(c) Management

(1) In general

The Secretary shall administer the Forest—

(A) in a manner that—

(i) protect¹ the resources and values of the area in accordance with the purposes for which the Forest is established, as described in subsection (a); and

(ii) promotes the objectives of the applicable management plan (as in effect on March 30, 2009), including objectives relating to—

(I) the protection of bristlecone pines for public enjoyment and scientific study;

(II) the recognition of the botanical, scenic, and historical values of the area; and

(III) the maintenance of near-natural conditions by ensuring that all activities are subordinate to the needs of protecting and preserving bristlecone pines and wood remnants; and

(B) in accordance with the National Forest Management Act of 1976 (16 U.S.C. 1600 et seq.), this section, and any other applicable laws.

(2) Uses

(A) In general

The Secretary shall allow only such uses of the Forest as the Secretary determines would further the purposes for which the Forest is established, as described in subsection (a).

(B) Scientific research

Scientific research shall be allowed in the Forest in accordance with the Inyo National Forest Land and Resource Management Plan (as in effect on March 30, 2009).

(3) Withdrawal

Subject to valid existing rights, all Federal land within the Forest is withdrawn from—

(A) all forms of entry, appropriation or disposal under the public land laws;

(B) location, entry, and patent under the mining laws; and

(C) disposition under all laws relating to mineral and geothermal leasing or mineral materials.
