

such land is in imminent danger of being used for different purposes or in a different manner from the use or uses existing on June 1, 1974. The Secretary shall publish, within one hundred and eighty days of December 22, 1974, guidelines which shall be used by him to determine what constitutes a substantial change in land use or maintenance for the non-federally-owned lands within the Area. Within the estuary and associated wetlands subarea the Secretary may acquire any land or interest in land without the consent of the owner or owners at any time, after public hearing.

(c) Substantial change in land use or maintenance; notice by owner; time; manner

At least thirty days prior to any substantial change in the use or maintenance of any non-federally-owned land within the Area, the owner or owners of such land shall provide notice of such proposed change to the Secretary or his designee, in accordance with such guidelines as the Secretary may establish.

(Pub. L. 93-535, § 5, Dec. 22, 1974, 88 Stat. 1733.)

§ 541e. Availability of funds for acquisition of lands, etc., within added area

Notwithstanding the provisions of section 200306(a)(2) of title 54, moneys appropriated from the Land and Water Conservation Fund shall be available for the acquisition of any lands, waters, or interests therein within the area added to the Siuslaw National Forest by this subchapter.

(Pub. L. 93-535, § 6, Dec. 22, 1974, 88 Stat. 1733; Pub. L. 113-287, § 5(d)(15), Dec. 19, 2014, 128 Stat. 3265.)

AMENDMENTS

2014—Pub. L. 113-287 substituted “section 200306(a)(2) of title 54” for “section 460L-9(a)(1) of this title”.

§ 541f. Withdrawal from location, entry and patent under mining laws; withdrawal from disposition under mineral leasing laws

The lands within the Area, subject to valid existing rights, are hereby withdrawn from location, entry, and patent under the United States mining laws and from disposition under all laws pertaining to mineral leasing and all amendments thereto.

(Pub. L. 93-535, § 7, Dec. 22, 1974, 88 Stat. 1733.)

§ 541g. Advisory council for scenic-research area; membership; designation of chairman; compensation; consultation by Secretary

(a) Advisory council; establishment; consultation; members; term; appointment

The Secretary, pursuant to the Federal Advisory Committee Act, shall establish an advisory council for the Area, and shall consult on a periodic and regular basis with such council with respect to matters relating to management of the Area. The members of the advisory council, who shall not exceed eleven in number, shall serve for the individual staggered terms of three years each and shall be appointed by the Secretary as follows—

(1) a member to represent each county in which a portion of the Area is located, each

such appointee to be designated by the respective governing body of the county involved;

(2) a member appointed to represent the State of Oregon, who shall be designated by the Governor of Oregon; and

(3) not to exceed eight members appointed by the Secretary from among persons who, individually or through association with national or local organizations, have an interest in the administration of the Area.

(b) Chairman; vacancies

The Secretary shall designate one member to be chairman and shall fill vacancies in the same manner as the original appointment.

(c) Compensation; reimbursement for expenses

The members shall not receive any compensation for their services as members of the advisory council, but they shall be reimbursed for travel expenses and shall be allowed, as appropriate, per diem or actual subsistence expenses.

(d) Consultation by Secretary with private groups, etc.; cooperation with other Federal, State, etc., agencies and organizations

In addition to his consultation with the advisory council, the Secretary shall seek the views of other private groups, individuals, and the public, and shall seek the views and assistance of, and cooperate with all other Federal, State, and local agencies with responsibilities for zoning, planning, migratory fish, waterfowl, and marine animals, water, and natural resources, and all nonprofit agencies and organizations which may contribute information or expertise about the resources, and the management, of the Area, in order that the knowledge, expertise and views of all agencies and groups may contribute affirmatively to the most sensitive present and future use of the Area and its various subareas for the benefit of the public.

§ 542d. Comprehensive management plan

(a) Boundaries

The research site shall consist of approximately thirty-one thousand acres, including a principle¹ research facility of approximately one thousand acres. The boundaries are depicted on a map entitled "Langmuir Research Site", dated August 1980, which is on file and available for public inspection in the office of the Chief, Forest Service, United States Department of Agriculture.

(b) Development of plan

As soon as practicable, after December 19, 1980, the Secretary of Agriculture shall develop a comprehensive management plan for the research site consistent with requirements of the National Forest Management Act of 1976 (Public Law 94-588) (16 U.S.C. 1604), which shall be incorporated into the initial Cibola National Forest land and resource management plan as provided for under that Act.

(c) Adjustment in boundaries

Following timely notice in writing to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate of his intention to do so, the Secretary may make minor adjustments in the boundaries of the research site to provide for more effective management or to encourage further research activity. For the purposes of this subsection, minor boundary adjustments shall not increase or decrease the amount of land within the research site by more than seven thousand acres.

(d) Consultation with other public interest groups

In developing the plan, the Secretary shall consult with the National Science Foundation, the New Mexico Institute of Mining and Technology, the New Mexico Academy of Science and appropriate conservation, wilderness, wildlife, industry, and other public interest groups.

(e) Objectives of plan

The plan shall prescribe specific research and management objectives necessary for the protection, management, and regulation of the research site as outlined in subsection (f) of this section.

(f) Management of site in accordance with the objectives

The research site shall be managed in accordance with the following objectives:

- (1) The principal research facility shall be managed primarily for scientific research purposes. Dispersed recreation, grazing, and other uses which the Secretary determines to be compatible with scientific research may be permitted.

¹ So in original. Probably should be "principal".
