The Federal Advisory Committee Act, referred to in subsec. (f)(6)(D), is Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 770, as amended, which is set out in the Appendix to Title 5, Government Organization and Employees.

#### AMENDMENTS

1996—Subsecs. (a)(1), (c)(2)(B)(ii), (l). Pub. L. 104-208 made technical amendment to references in original act which appear in text as references to sections 1802 and 1824(b) of this title.

#### EFFECTIVE DATE OF 1996 AMENDMENT

Pub. L. 104-208, div. A, title I, §101(a) [title II, §211(b)], Sept. 30, 1996, 110 Stat. 3009, 3009-41, provided that the amendment made by that section is effective 15 days after Oct. 11, 1996.

#### ABOLITION OF HOUSE COMMITTEE ON MERCHANT MARINE AND FISHERIES

Committee on Merchant Marine and Fisheries of House of Representatives abolished and its jurisdiction transferred by House Resolution No. 6, One Hundred Fourth Congress, Jan. 4, 1995. Committee on Merchant Marine and Fisheries of House of Representatives treated as referring to Committee on Resources of House of Representatives in case of provisions relating to fisheries, wildlife, international fishing agreements, marine affairs (including coastal zone management) except for measures relating to oil and other pollution of navigable waters, or oceanography by section 1(b)(3) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Resources of House of Representatives changed to Committee on Natural Resources of House of Representatives by House Resolution No. 6, One Hundred Tenth Congress, Jan. 5, 2007.

### § 1388. Marine mammal cooperative agreements in Alaska

#### (a) In general

The Secretary may enter into cooperative agreements with Alaska Native organizations to conserve marine mammals and provide co-management of subsistence use by Alaska Natives.

#### (b) Grants

Agreements entered into under this section may include grants to Alaska Native organizations for, among other purposes—

- (1) collecting and analyzing data on marine mammal populations;
- (2) monitoring the harvest of marine mammals for subsistence use;
- (3) participating in marine mammal research conducted by the Federal Government, States, academic institutions, and private organizations; and
- (4) developing marine mammal co-management structures with Federal and State agencies.

#### (c) Effect of jurisdiction

Nothing in this section is intended or shall be construed—

- (1) as authorizing any expansion or change in the respective jurisdiction of Federal, State, or tribal governments over fish and wildlife resources; or
- (2) as altering in any respect the existing political or legal status of Alaska Natives, or the governmental or jurisdictional status of Alas-

ka Native communities or Alaska Native entities.

#### (d) Authorization of appropriations

There are authorized to be appropriated for the purposes of carrying out this section—

- (1) \$1,500,000 to the Secretary of Commerce for each of the fiscal years 1994, 1995, 1996, 1997, 1998, and 1999; and
- (2) \$1,000,000 to the Secretary of the Interior for each of the fiscal years 1994, 1995, 1996, 1997, 1998, and 1999.

The amounts authorized to be appropriated under this subsection are in addition to the amounts authorized to be appropriated under section 1384 of this title.

(Pub. L. 92-522, title I, §119, as added Pub. L. 103-238, §19, Apr. 30, 1994, 108 Stat. 559.)

### § 1389. Pacific Coast Task Force; Gulf of Maine

#### (a) Pinniped removal authority

Notwithstanding any other provision of this subchapter, the Secretary may permit the intentional lethal taking of pinnipeds in accordance with this section.

#### (b) Application

(1) A State may apply to the Secretary to authorize the intentional lethal taking of individually identifiable pinnipeds which are having a significant negative impact on the decline or recovery of salmonid fishery stocks which—

- (A) have been listed as threatened species or endangered species under the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.);
- (B) the Secretary finds are approaching threatened species or endangered species status (as those terms are defined in that Act); or
- (C) migrate through the Ballard Locks at Seattle, Washington.

(2) Any such application shall include a means of identifying the individual pinniped or pinnipeds, and shall include a detailed description of the problem interaction and expected benefits of the taking.

#### (c) Actions in response to application

(1) Within 15 days of receiving an application, the Secretary shall determine whether the application has produced sufficient evidence to warrant establishing a Pinniped-Fishery Interaction Task Force to address the situation described in the application. If the Secretary determines sufficient evidence has been provided, the Secretary shall establish a Pinniped-Fishery Interaction Task Force and publish a notice in the Federal Register requesting public comment on the application.

(2) A Pinniped-Fishery Interaction Task Force established under paragraph (1) shall consist of designated employees of the Department of Commerce, scientists who are knowledgeable about the pinniped interaction that the application addresses, representatives of affected conservation and fishing community organizations, Indian Treaty tribes, the States, and such other organizations as the Secretary deems appropriate.

(3) Within 60 days after establishment, and after reviewing public comments in response to

the Federal Register notice under paragraph (1), the Pinniped-Fishery Interaction Task Force shall—

(A) recommend to the Secretary whether to approve or deny the proposed intentional lethal taking of the pinniped or pinnipeds, including along with the recommendation a description of the specific pinniped individual or individuals, the proposed location, time, and method of such taking, criteria for evaluating the success of the action, and the duration of the intentional lethal taking authority; and

(B) suggest nonlethal alternatives, if available and practicable, including a recommended course of action.

(4) Within 30 days after receipt of recommendations from the Pinniped-Fishery Interaction Task Force, the Secretary shall either approve or deny the application. If such application is approved, the Secretary shall immediately take steps to implement the intentional lethal taking, which shall be performed by Federal or State agencies, or qualified individuals under contract to such agencies.

(5) After implementation of an approved application, the Pinniped-Fishery Interaction Task Force shall evaluate the effectiveness of the permitted intentional lethal taking or alternative actions implemented. If implementation was ineffective in eliminating the problem interaction, the Task Force shall recommend additional actions. If the implementation was effective, the Task Force shall so advise the Secretary, and the Secretary shall disband the Task Force.

**(d) Considerations**

In considering whether an application should be approved or denied, the Pinniped-Fishery Interaction Task Force and the Secretary shall consider—

(1) population trends, feeding habits, the location of the pinniped interaction, how and when the interaction occurs, and how many individual pinnipeds are involved;

(2) past efforts to nonlethally deter such pinnipeds, and whether the applicant has demonstrated that no feasible and prudent alternatives exist and that the applicant has taken all reasonable nonlethal steps without success;

(3) the extent to which such pinnipeds are causing undue injury or impact to, or imbalance with, other species in the ecosystem, including fish populations; and

(4) the extent to which such pinnipeds are exhibiting behavior that presents an ongoing threat to public safety.

**(e) Limitation**

The Secretary shall not approve the intentional lethal taking of any pinniped from a species or stock that is—

(1) listed as a threatened species or endangered species under the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.);

(2) depleted under this chapter; or

(3) a strategic stock.

**(f) Temporary marine mammal removal authority on the waters of the Columbia River and its tributaries**

**(1) Removal authority**

Notwithstanding any other provision of this chapter, the Secretary may issue a permit to

an eligible entity to authorize the intentional lethal taking on the waters of the Columbia River and its tributaries of individually identifiable sea lions that are part of a population or stock that is not categorized under this chapter as depleted or strategic for the purpose of protecting—

(A) species of salmon, steelhead, or eulachon that are listed as endangered species or threatened species under the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.); and

(B) species of lamprey or sturgeon that are not so listed as endangered or threatened but are listed as a species of concern.

**(2) Permit process**

**(A) In general**

An eligible entity may apply to the Secretary for a permit under this subsection.

**(B) Timelines and procedures of application**

The timelines and procedures described in subsection (c) shall apply to applications for permits under this subsection in the same manner such timelines apply to applications under subsection (b).

**(C) Coordination**

The Secretary shall establish procedures to coordinate issuance of permits under this subsection, including application procedures and timelines, delegation and revocation of permits to and between eligible entities, monitoring, periodic review, and geographic, seasonal take, and species-specific considerations.

**(D) Duration of permit**

A permit under this subsection shall be effective for a period of not more than 5 years, and may be renewed by the Secretary.

**(3) Limitations on annual takings**

The Secretary shall apply the process for determining limitations on annual take of sea lions under subsection (c) to determinations on limitations under this subsection, and the cumulative number of sea lions authorized to be taken each year under all permits in effect under this subsection shall not exceed 10 percent of the annual potential biological removal level for sea lions.

**(4) Qualified individuals**

Intentional lethal takings under this subsection shall—

(A) be humane within the meaning of such term under section 1362(4) of this title;

(B) require that capture, husbandry, transportation, and euthanasia protocols are based on standards propagated by an Institutional Animal Care and Use Committee and that primary euthanasia be limited to humane chemical methods; and

(C) be implemented by agencies or qualified individuals described in subsection (c)(4), or by individuals employed by the eligible entities described in paragraph (6).

**(5) Suspension of permitting authority**

If, 5 years after December 18, 2018, the Secretary, after consulting with State and tribal

fishery managers, determines that lethal removal authority is no longer necessary to protect salmonid and other fish species from sea lion predation, the Secretary shall suspend the issuance of permits under this subsection.

**(6) Eligible entity defined**

**(A) Definition**

In this subsection, the term “eligible entity” means—

(i) with respect to removal in the mainstem of the Columbia River, from river mile 112 to the McNary Dam and its tributaries in the State of Washington, and its tributaries in the State of Oregon above Bonneville Dam, the State of Washington, the State of Oregon, and the State of Idaho;

(ii) with respect to removal in the mainstem Columbia River from river mile 112 to the McNary Dam and its tributaries within the State of Washington and in any of its tributaries above Bonneville Dam within the State of Oregon, the Nez Perce Tribe, the Confederated Tribes of the Umatilla Indian Reservation, the Confederated Tribes of the Warm Springs Reservation of Oregon, and the Confederated Tribes and Bands of the Yakama Nation; and

(iii) with respect to removal in the Willamette River and other tributaries of the Columbia River within the State of Oregon below Bonneville Dam, a committee recognized by the Secretary under subparagraph (D).

**(B) Delegation authority**

The Secretary may allow eligible entities described in clause (i) or (ii) of subparagraph (A) to delegate their authority under a permit under this subsection to the Columbia River Intertribal Fish Commission for removal in the mainstem of the Columbia River above river mile 112 and below McNary Dam, in the Columbia River tributaries in the State of Washington, or in tributaries within the State of Oregon above Bonneville Dam and below McNary Dam.

**(C) Additional delegation authority**

The Secretary may allow an eligible entity described in subparagraph (A)(i) to delegate its authority under a permit under this subsection to any entity described in subclause (i) or (ii) of subparagraph (A) with respect to removal in the mainstem of the Columbia River above river mile 112 and below McNary Dam, in the Columbia River tributaries in the State of Washington, or in tributaries in the State of Oregon above Bonneville Dam and below McNary Dam.

**(D) Committee requirements**

**(i) In general**

The Secretary shall recognize a committee established in accordance with this subparagraph as being eligible for a permit under this subsection, for purposes of subparagraph (A)(iii).

**(ii) Membership**

A committee established under this subparagraph shall consist of the State of Oregon and each of the following:

(I) The Confederated Tribes of Siletz Indians or the Confederated Tribes of the Grand Ronde Community, or both.

(II) The Confederated Tribes of the Warm Springs or the Confederated Tribes of the Umatilla Reservation, or both.

**(iii) Majority agreement required**

A committee established under this subparagraph may take action with respect to a permit application and removal under this subsection only with majority agreement by the committee members.

**(iv) Nonapplicability of FACA**

The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to a committee established under this subparagraph.

**(7) Individual exception**

For purposes of this subsection, any sea lion located upstream of river mile 112 and downstream of McNary Dam, or in any tributary to the Columbia River that includes spawning habitat of threatened or endangered salmon or steelhead is deemed to be individually identifiable.

**(8) Significant negative impact exception**

For purposes of this subsection, any sea lion located in the mainstem of the Columbia River upstream of river mile 112 and downstream of McNary Dam, or in any tributary to the Columbia River that includes spawning habitat of threatened or endangered salmon or steelhead is deemed to be having a significant negative impact, within the meaning of subsection (b)(1).

**(9) Definition**

In this subsection, the term “Indian tribe” has the meaning given such term in section 5304 of title 25.

**(g) Regionwide pinniped-fishery interaction study**

(1) The Secretary may conduct a study, of not less than three high predation areas in anadromous fish migration corridors within the Northwest Region of the National Marine Fisheries Service, on the interaction between fish and pinnipeds. In conducting the study, the Secretary shall consult with other State and Federal agencies with expertise in pinniped-fishery interaction. The study shall evaluate—

(A) fish behavior in the presence of predators generally;

(B) holding times and passage rates of anadromous fish stocks in areas where such fish are vulnerable to predation;

(C) whether additional facilities exist, or could be reasonably developed, that could improve escapement for anadromous fish; and

(D) other issues the Secretary considers relevant.

(2) Subject to the availability of appropriations, the Secretary may, not later than 18

months after the commencement of the study under this subsection, transmit a report on the results of the study to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Merchant Marine and Fisheries of the House of Representatives.

(3) The study conducted under this subsection may not be used by the Secretary as a reason for delaying or deferring a determination or consideration under subsection (c) or (d).

**(h) Gulf of Maine Task Force**

The Secretary shall establish a Pinniped-Fishery Interaction Task Force to advise the Secretary on issues or problems regarding pinnipeds interacting in a dangerous or damaging manner with aquaculture resources in the Gulf of Maine. No later than 2 years from April 30, 1994, the Secretary shall after notice and opportunity for public comment submit to the Committee on Merchant Marine and Fisheries of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing recommended available alternatives to mitigate such interactions.

**(i) Requirements applicable to task forces**

(1) Any task force established under this section—

(A) shall to the maximum extent practicable, consist of an equitable balance among representatives of resource user interests and nonuser interests; and

(B) shall not be subject to the Federal Advisory Committee Act (5 App. U.S.C.).

(2) Meetings of any task force established under this section shall be open to the public, and prior notice of those meetings shall be given to the public by the task force in a timely fashion.

**(j) Gulf of Maine harbor porpoise**

(1) Nothing in section 1386 of this title shall prevent the Secretary from publishing a stock assessment for Gulf of Maine harbor porpoise in an expedited fashion.

(2) In developing and implementing a take reduction plan under section 1387 of this title for Gulf of Maine harbor porpoise, the Secretary shall consider all actions already taken to reduce incidental mortality and serious injury of such stock, and may, based on the recommendations of the take reduction team for such stock, modify the time period required for compliance with section 1387(f)(5)(A) of this title, but in no case may such modification extend the date of compliance beyond April 1, 1997.

SUBCHAPTER III—MARINE MAMMAL COMMISSION

**§ 1401. Establishment**

**(a) Designation**

There is hereby established the Marine Mammal Commission (hereafter referred to in this subchapter as the “Commission”).

**(b) Membership and term of office**

(1) Effective September 1, 1982, the Commission shall be composed of three members who shall be appointed by the President, by and with the advice and consent of the Senate. The President shall make his selection from a list of individuals knowledgeable in the fields of marine ecology and resource management, and who are not in a position to profit from the taking of marine mammals. Such list shall be submitted to him by the Chairman of the Council on Environmental Quality and unanimously agreed to by that Chairman, the Secretary of the Smithsonian Institution, the Director of the National Science Foundation and the Chairman of the National Academy of Sciences. No member of the Commission may, during his period of service on the Commission, hold any other position as an officer or employee of the United States except as a retired officer or retired civilian employee of the United States.

(2) The term of office for each member shall be three years; except that of the members initially appointed to the Commission, the term of one member shall be for one year, the term of one member shall be for two years, and the term of one member shall be for three years. No member is eligible for reappointment; except that
