

as they may deem necessary or appropriate for the needs of members of the Corps in their duties;

(5) promulgate regulation<sup>2</sup> to insure the safety, health, and welfare of the Corps members; and

(6) provide to the extent possible, that permanent or semipermanent facilities used as Corps camps be made available to local schools, school districts, State junior colleges and universities, and other education institutions for use as environmental/ecological education camps during periods of nonuse by the Corps program.

Costs for operations maintenance, and staffing of Corps camp facilities during periods of use by non-Corps programs as well as any liability for personal injury or property damage stemming from such use shall be the responsibility of the entity or organization using the facility and shall not be a responsibility of the Secretaries or the Corps.

**(b) Use of unoccupied Federal facilities and equipment**

Existing but unoccupied Federal facilities and surplus or unused equipment (or both), of all types including military facilities and equipment, shall be utilized for the purposes of the Corps, where appropriate and with the approval of the Federal agency involved. To minimize transportation costs, Corps members shall be employed on conservation projects as near to their places of residence as is feasible.

**(c) Contracts for the operation of projects**

The Secretary of the Interior and the Secretary of Agriculture may contract with any public agency or organization or any private nonprofit agency or organization which has been in existence for at least five years for the operation of any Youth Conservation Corps project.

for review and appropriate action, and that the provisions of Title II of the Revenue and Expenditure Control Act of 1968 shall not apply to appointments made to the Corps, to temporary supervisory personnel, or to temporary program support staff.

EFFECTIVE DATE OF 1993 AMENDMENT

Amendment by Pub. L. 103-82 effective Oct. 1, 1993, see section 123 of Pub. L. 103-82, set out as a note under section 1701 of this title.

**§ 1704. Grants to States**

**(a) Projects for preservation of non-Federal public lands and waters; “States” defined**

The Secretary of the Interior and the Secretary of Agriculture shall jointly establish a program under which grants shall be made to States to assist them in meeting the cost of projects for the employment of young men and women to develop, preserve, and maintain non-Federal public lands and waters within the States. For purposes of this section, the term “States” includes the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, the Trust Territory of the Pacific Islands, and American Samoa.

**(b) Application requirements for grants; approval by Secretaries**

(1) No grant may be made under this section unless an application therefor has been submitted to, and approved by, the Secretary of the Interior and the Secretary of Agriculture. Such application shall be in such form, and submitted in such manner, as the Secretaries shall jointly by regulation prescribe, and shall contain—

(A) assurances satisfactory to the Secretaries that individuals employed under the project for which the application is submitted shall (i) have attained the age of fifteen but not attained the age of nineteen, (ii) be permanent residents of the United States or its territories, possessions, or the Trust Territory of the Pacific Islands, (iii) be employed without regard to the personnel laws, rules, and regulations applicable to full-time employees of the applicant, (iv) be employed for a period of not more than ninety days in any calendar year, and (v) be employed without regard to their sex or social, economic, or racial classification; and

(B) such other information as the Secretaries may jointly by regulation prescribe.

(2) The Secretaries may approve applications which they determine (A) to meet the requirements of paragraph (1), and (B) are for projects which will further the development, preservation, or maintenance of non-Federal public lands or waters within the jurisdiction of the applicant.

**(c) Limitation on the amount of grant**

(1) The amount of any grant under this section shall be determined jointly by the Secretaries, except that no grant for any project may exceed 80 per centum of the cost (as determined by the Secretaries) of such project.

(2) Payments under grants under this section may be made in advance or by way of reimbursement and at such intervals and on such conditions as the Secretaries find necessary.

**(d) Appropriation percentage**

Thirty per centum of the sums appropriated under section 1706 of this title for any fiscal year shall be made available for grants under this section for such fiscal year.

June 30, 1973 and \$60,000,000 for fiscal year ending June 30, 1974.

## EFFECTIVE DATE OF 1993 AMENDMENT

Amendment by Pub. L. 103-82 effective Oct. 1, 1993, see section 123 of Pub. L. 103-82, set out as a note under section 1701 of this title.

## SUBCHAPTER II—PUBLIC LANDS CORPS

**§ 1721. Congressional findings and purpose****(a) Findings**

The Congress finds the following:

(1) Conserving or developing natural and cultural resources and enhancing and maintaining environmentally important lands and waters through the use of the Nation's young men and women in a Public Lands Corps can benefit those men and women by providing them with education and work opportunities, furthering their understanding and appreciation of the natural and cultural resources, and providing a means to pay for higher education or to repay indebtedness they have incurred to obtain higher education while at the same time benefiting the Nation's economy and its environment.

(2) Many facilities and natural resources located on eligible service lands are in disrepair or degraded and in need of labor intensive rehabilitation, restoration, and enhancement work which cannot be carried out by Federal agencies at existing personnel levels.

(3) Youth conservation corps have established a good record of restoring and maintaining these kinds of facilities and resources in a cost effective and efficient manner, especially when they have worked in partnership arrangements with government land management agencies.

**(b) Purpose**

It is the purpose of this subchapter to—

(1) perform, in a cost-effective manner, appropriate conservation projects on eligible service lands where such projects will not be performed by existing employees;

(2) assist governments and Indian tribes in performing research and public education tasks associated with natural and cultural resources on eligible service lands;

(3) expose young men and women to public service while furthering their understanding and appreciation of the Nation's natural and cultural resources;

(4) expand educational opportunities by rewarding individuals who participate in national service with an increased ability to pursue higher education or job training; and

(5) stimulate interest among the Nation's young men and women in conservation careers by exposing them to conservation professionals in land managing agencies.

(Pub. L. 91-378, title II, § 202, as added Pub. L. 103-82, title I, § 105(6), Sept. 21, 1993, 107 Stat. 848.)

## EFFECTIVE DATE
