

under the Act of August 11, 1939, as amended [this section].”

§ 590z. Utilization of services, materials, funds, etc., of Federal, State, or municipal agencies, or of individuals

In connection with the investigation, construction, or operation and maintenance of a project, pursuant to the authority of this subchapter, the Secretary is authorized to utilize (1) in such manner as the President may direct, services, labor, materials, or other property, including money, supplied by the Work Projects Administration, the Civilian Conservation Corps, the Office of Indian Affairs, the Department of Agriculture, or any other Federal agency, for which the United States shall be reimbursed in such amounts as the President may fix for each project, within the limits of the water users' ability to repay costs as found by the Secretary under section 590z-1(a)(iv) of this title; and (2) such services, labor, materials, easements or property, including money, as may be contributed by any State or political subdivision thereof, State agency, municipal corporation, or other organization, or individuals, if, in the judgment of the Secretary, the acceptance thereof will not impair the title of the United States to the project works and will not reduce the probability that the project water users can meet the obligations to the United States entered into pursuant to this subchapter. Moneys received and accepted under (2) of this section shall be and remain available for expenditure for the purposes for which contributed in like manner as if said sums had been specifically appropriated for said purposes.

(Aug. 11, 1939, ch. 717, § 2, 53 Stat. 1419; Oct. 14, 1940, ch. 861, 54 Stat. 1120.)

AMENDMENTS

1940—Act Oct. 14, 1940, reenacted section.

TRANSFER OF FUNCTIONS

For transfer of functions of other officers, employees, and agencies of Department of the Interior, with certain exceptions, to Secretary of the Interior, with power to delegate, see Reorg. Plan No. 3 of 1950, §§ 1, 2, eff. May 24, 1950, 15 F.R. 3174, 64 Stat. 1262, set out in the Appendix to Title 5, Government Organization and Employees.

2053, 67 Stat. 631, set out in the Appendix to Title 5, and its functions transferred to Department of Health, Education, and Welfare by section 5 of Reorg. Plan No. 1 of 1953.

Department of Health, Education, and Welfare was redesignated Department of Health and Human Services by section 3508(b) of Title 20, Education.

DRAINAGE FACILITIES AND MINOR CONSTRUCTION

Contracts with repayment organizations for construction of drainage facilities and minor items in irrigation works, see section 505 of Title 43, Public Lands.

§ 590z-1. Prerequisites for construction of project

(a) Investigation and report to President

No construction of a project may be undertaken pursuant to the authority of this subchapter unless and until the Secretary has made an investigation thereof and has submitted to the President his report and findings on—

(i) the engineering feasibility of the proposed construction;

(ii) the estimated cost of the proposed construction;

(iii) the part of the estimated cost which properly can be allocated to irrigation;

(iv) the part of the estimated cost which probably can be repaid by the water users in accordance with the requirements of section 590z-2 of this title;

(v) the part of the estimated cost which can properly be allocated to municipal or miscellaneous water supplies or power and probably be returned to the United States in revenues therefrom;

(vi) the part of the estimated cost which can properly be allocated to the irrigation of Indian trust and tribal lands, and be repayable in accordance with existing law relating to Indian lands;

(vii) the part of the estimated cost which can properly be allocated to flood control as recommended by the Secretary after consultation with the Chief of Engineers, Department of the Army.

In connection with each such investigation, report, and finding, the Secretary shall consult with the Secretary of Agriculture regarding participation in the proposed project by the Department of Agriculture under the authority of sections 590z-3 and 590z-4 of this title; and the Secretary shall also transmit to the President a report by the Secretary of Agriculture to the President on the participation, if any, proposed by the Department of Agriculture. The project shall be deemed authorized and may be undertaken pursuant to this subchapter if (1) the Secretary finds and certifies to the President that the project has engineering feasibility and that the water users probably can repay, in accordance with the requirements of section 590z-2 of this title an amount equal to or in excess of that part of the estimated cost allocated by him to irrigation to be met by expenditure of moneys appropriated pursuant to section 590z-10(1) of this title; and (2) the President has approved said report and findings and has found that services, labor, materials, easements, and other property, including money, for the construction of the project, should be made available to the Department of the Interior by the Works
