

tions, the term ‘most-favored-nation’ is a misnomer which has led to public misunderstanding.

“(C) It is neither the purpose nor the effect of the most-favored-nation principle to treat any country as ‘most favored’. To the contrary, the principle reflects the intention to confer on a country the same trade benefits that are conferred on any other country, that is, the intention not to discriminate among trading partners.

“(D) The term ‘normal trade relations’ is a more accurate description of the principle of non-discrimination as it applies to the tariffs applicable generally to imports from United States trading partners, that is, the general rates of duty set forth in column 1 of the Harmonized Tariff Schedule of the United States.

“(2) POLICY.—It is the sense of the Congress that—

“(A) the language used in United States laws, treaties, agreements, executive orders, directives, and regulations should more clearly and accurately reflect the underlying principles of United States trade policy; and

“(B) accordingly, the term ‘normal trade relations’ should, where appropriate, be substituted for the term ‘most-favored-nation’.”

§ 2482. Exercise of functions of International Trade Commission

(a) Preliminary investigation

In order to expedite the performance of its functions under this chapter, the International Trade Commission may conduct preliminary investigations, determine the scope and manner of its proceedings, and consolidate proceedings before it.

(b) Use of authority granted under other provisions

In performing its functions under this chapter, the Commission may exercise any authority granted to it under any other Act.

(c) Gathering of current information

The Commission shall at all times keep informed concerning the operation and effect of provisions relating to duties or other import restrictions of the United States contained in trade agreements entered into under the trade agreements program.

AMENDMENTS

1988—Pub. L. 100-418 substituted “Harmonized Tariff Schedule of the United States” for “Tariff Schedules of the United States” and inserted “removal,” after “including”.

EFFECTIVE DATE OF 1988 AMENDMENT

Amendment by Pub. L. 100-418 effective Jan. 1, 1989, and applicable with respect to articles entered on or after such date, see section 1217(b)(1) of Pub. L. 100-418, set out as an Effective Date note under section 3001 of this title.

DELEGATION OF FUNCTIONS

Authority of President under this section to embody rectifications, technical or conforming changes, or similar modifications in the Harmonized Tariff Schedule delegated to the United States Trade Representative by par. (4) of Proc. No. 6969, Jan. 27, 1997, 62 F.R. 4417.

PROC. NO. 6914. TO MODIFY THE ALLOCATION OF TARIFF-RATE QUOTAS FOR CERTAIN CHEESES

Proc. No. 6914, Aug. 26, 1996, 61 F.R. 45851, provided:

1. On January 1, 1995, Austria, Finland, and Sweden acceded to the European Communities (EC), and the EC customs union of 12 member countries (“EC-12”) was enlarged to a customs union of 15 member countries (“EC-15”). At that time, the EC-12, Austria, Finland, and Sweden withdrew their tariff schedules under the World Trade Organization and applied the common external tariff of the EC-12 to imports into the EC-15. The United States and the EC then entered into negotiations under Article XXIV:6 and Article XXVIII of the General Agreement on Tariffs and Trade 1994 to compensate the United States for the resulting increase in some tariffs on U.S. exports to Austria, Finland, and Sweden.

2. On July 22, 1996, the United States and the EC signed an agreement concluding the negotiations on compensation. To recognize the membership of Austria, Finland, and Sweden in the EC-15, the tariff-rate quota (TRQ) allocations for cheeses from these countries will become part of the total TRQ allocations for cheeses from the EC-15, but will be reserved for use by these countries through 1997.

3. Section 404(d)(3) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3601(d)(3)) authorizes the President to allocate the in-quota quantity of a tariff-rate quota for any agricultural product among supplying countries or customs areas and to modify any allocation as the President determines appropriate. Pursuant to section 404(d)(3) of the URAA, I have determined that it is appropriate to modify the TRQ allocations for cheeses by providing that the TRQ allocations for cheeses from Austria, Finland, and Sweden will become part of the total TRQ allocations for cheeses from the EC-15, but will be reserved for use by these countries through 1997.

4. Section 604 of the Trade Act of 1974, as amended (“Trade Act”) (19 U.S.C. 2483), authorizes the President to embody in the Harmonized Tariff Schedule of the United States (HTS) the substance of the relevant provisions of that Act, and of other Acts affecting import treatment, and actions thereunder, including the removal, modification, continuance, or imposition of any
