§ 3809. Committee staff

The grant of trade promotion authority under this chapter is likely to increase the activities of the primary committees of jurisdiction in the area of international trade. In addition, the creation of the Congressional Oversight Group under section 3807 of this title will increase the participation of a broader number of Members of Congress in the formulation of United States trade policy and oversight of the international trade agenda for the United States. The primary committees of jurisdiction should have adequate staff to accommodate these increases in activities.
