

graph (1) that, as determined by the Architect, is not required to meet current expenses. Each investment shall be made in an interest-bearing obligation of the United States or an obligation guaranteed both as to principal and interest by the United States that, as determined by the Architect, has a maturity date suitable for the purposes of the account. The Secretary of the Treasury shall credit interest earned on the obligations to the account.

(3) Receipts, obligations, and expenditures of funds under this section shall be included in annual estimates submitted by the Architect for the operation and maintenance of the Botanic Garden and such funds shall be expended by the Architect, without regard to section 6101 of title 41, for the purposes of this section after approval in appropriation Acts. All such sums shall remain available until expended, without fiscal year limitation.

(c) Donations of personal services

(1) In carrying out this section and his duties, the Architect of the Capitol may accept personal services, including educationally related work assignments for students in nonpay status, if the service is to be rendered without compensation.

(2) No person shall be permitted to donate his or her personal services under this section unless such person has first agreed, in writing, to waive any and all claims against the United States arising out of or in connection with such services, other than a claim under the provisions of chapter 81 of title 5.

(3) No person donating personal services under this section shall be considered an employee of the United States for any purpose other than for purposes of chapter 81 of title 5.

(4) In no case shall the acceptance of personal services under this section result in the reduction of pay or displacement of any employee of the Botanic Garden.

(d) Tax deductions

Any gift accepted by the Architect of the Capitol under this section shall be considered a gift to the United States for purposes of income, estate, and gift tax laws of the United States.

§ 2148. Administration of educational outreach and services

(a) Cooperative agreements

The Architect of the Capitol, subject to the direction of the Joint Committee of Congress on the Library, may enter into cooperative agreements with entities under such terms as the Architect determines advisable, in order to support the United States Botanic Garden in carrying out its duties, authorities, and mission.

(b) No-cost agreements

(1) The Architect of the Capitol may, subject to the direction of the Joint Committee of Congress on the Library, enter into a no-cost agreement, through a contract, cooperative agreement, or memorandum of understanding, with a qualified entity to conduct, or provide support for, an educational exhibit, program, class, or outreach that benefits the educational mission of the United States Botanic Garden.

(2) Any agreement under paragraph (1) may—

(A) allow the qualified entity to accept fees for any program or class described in paragraph (1) in order to cover all or a portion of the entity's costs of any supplies, honoraria, or associated expenses for the program or class; and

(B) subject to such terms as the Architect considers appropriate and necessary, grant temporary concessions to the qualified entity, or allow the qualified entity to grant temporary concessions to another person, in connection with an educational exhibit, program, class, or outreach described in paragraph (1), including concessions for food and merchandise sales that are specifically related to the educational mission involved.

(3) Section 5104(c) of title 40 shall not apply to any activity carried out under this subsection.

(4) In this subsection, the term “qualified entity” means—

(A) the National Fund for the United States Botanic Garden; and

(B) any other organization described in section 501(c) of title 26 and exempt from tax under section 501(a) of such title that the Architect of the Capitol determines shares interests complementary to the educational mission of the United States Botanic Garden.

(c) Construction or improvement of real property

Any authority under subsection (a) or (b) shall not apply to any agreement providing for the construction or improvement of real property.

(d) Applicability

This section shall apply with respect to fiscal year 2015 and each succeeding fiscal year.

SUBCHAPTER VII—OTHER ENTITIES AND SERVICES

§ 2161. Transferred**Editorial Notes****CODIFICATION**

Section 2161 was editorially reclassified as section 4902 of this title.

§ 2162. Capitol Power Plant**(a) Designation**

The heating, lighting, and power plant constructed under the terms of the Act approved April 28, 1904 (33 Stat. 479, chapter 1762) shall be known as the “Capitol Power Plant”.

(b) Definition

In this section, the term “carbon dioxide energy efficiency” means the quantity of elec-

tricity used to power equipment for carbon dioxide capture and storage or use.

(c) Feasibility study

The Architect of the Capitol shall conduct a feasibility study evaluating the available methods to capture, store, and use carbon dioxide emitted from the Capitol Power Plant as a result of burning fossil fuels. In carrying out the feasibility study, the Architect of the Capitol is encouraged to consult with individuals with expertise in carbon capture and storage or use, including experts with the Environmental Protection Agency, Department of Energy, academic institutions, non-profit organizations, and industry, as appropriate. The study shall consider—

(1) the availability of technologies to capture and store or use Capitol Power Plant carbon dioxide emissions;

(2) strategies to conserve energy and reduce carbon dioxide emissions at the Capitol Power Plant; and

(3) other factors as determined by the Architect of the Capitol.

(d) Demonstration projects**(1) In general**

If the feasibility study determines that a demonstration project to capture and store or use Capitol Power Plant carbon dioxide emissions is technologically feasible and economically justified (including direct and indirect economic and environmental benefits), the Architect of the Capitol may conduct 1 or more demonstration projects to capture and store or use carbon dioxide emitted from the Capitol Power Plant as a result of burning fossil fuels.

(2) Factors for consideration

In carrying out such demonstration projects, the Architect of the Capitol shall consider—

(A) the amount of Capitol Power Plant carbon dioxide emissions to be captured and stored or used;

(B) whether the proposed project is able to reduce air pollutants other than carbon dioxide;

(C) the carbon dioxide energy efficiency of the proposed project;

(D) whether the proposed project is able to use carbon dioxide emissions;

(E) whether the proposed project could be expanded to significantly increase the amount of Capitol Power Plant carbon dioxide emissions to be captured and stored or used;

(F) the potential environmental, energy, and educational benefits of demonstrating the capture and storage or use of carbon dioxide at the U.S. Capitol; and

(G) other factors as determined by the Architect of the Capitol.

(3) Terms and conditions

A demonstration project funded under this section shall be subject to such terms and conditions as the Architect of the Capitol may prescribe.

(e) Authorization of appropriations

There is authorized to be appropriated to carry out the feasibility study and demonstra-
