SPECIAL STUDY OF SIMPLIFICATION OF NEED ANALYSIS AND APPLICATION FOR TITLE IV AID

Pub. L. 108-199, div. E, title III, § 305, Jan. 23, 2004, 118 Stat. 263, provided that:

“(a) STUDY REQUIRED.—The Advisory Committee on Student Financial Assistance established by section 491 of the Higher Education Act of 1965 (20 U.S.C. 1098), hereafter in this section referred to as ‘the Advisory Committee’, shall conduct a thorough study of the feasibility of simplifying the need analysis methodology for all Federal student financial assistance programs and the process of applying for such assistance.

“(b) REQUIRED SUBJECTS OF STUDY.—In performing the study, the Advisory Committee shall, at a minimum, examine the following:

“(1) whether the methodology used to calculate the expected family contribution can be simplified without significant adverse effects on program intent, costs, integrity, delivery, and distribution of awards;

“(2) whether the number of data elements, and, accordingly, the number and complexity of questions asked of students and families, used to calculate the expected family contribution can be reduced without such adverse effects;

“(3) whether the procedures for determining such data elements, including determining and updating offsets and allowances, is the most efficient, effective, and fair means to determine a family’s available income and assets;

“(4) whether the methodology used to calculate the expected family contribution, specifically the consideration of income earned by a dependent student and its effect on Pell grant eligibility, is an effective and fair means to determine a family’s available income and a student’s need;

“(5) whether the nature and timing of the application required in section 483 (a)(1) of the Higher Education Act of 1965 (20 U.S.C. 1090(a)(1)), eligibility and award determination, financial aid processing, and funds delivery can be streamlined further for students and families, institutions, and States;

“(6) whether it is feasible to allow students to complete only those limited sections of the financial aid application that apply to their specific circumstances and the State in which they reside;

“(7) whether a widely disseminated printed form, or the use of an Internet or other electronic means, can be developed to notify individuals of an estimation of their approximate eligibility for grant, work-study, and loan assistance upon completion and verification of the simplified application form;

“(8) whether information provided on other Federal forms (such as the form applying for supplemental security income under title XVI of the Social Security Act [42 U.S.C. 1381 et seq.], the form for applying for food stamps under the Food Stamp Act of 1977 [now the Food and Nutrition Act of 2008, 7 U.S.C. 2011 et seq.], and the schedule for applying for the earned income tax credit under section 32 of the Internal Revenue Code of 1986 [26 U.S.C. 32]) that are designed to determine eligibility for various Federal need-based assistance programs could be used to qualify potential students for the simplified needs test; and

“(9) whether any proposed changes to data elements collected, in addition to those used to calculate expected family contribution, or any proposed changes to the form’s design or the process of applying for aid, may have adverse effects on program costs, integrity, delivery, or distribution of awards, as well as, application development or application processing.

“(c) ADDITIONAL CONSIDERATIONS.—In conducting the feasibility study, the Advisory Committee’s primary objective under this subsection shall be simplifying the financial aid application forms and process and obtaining a substantial reduction in the number of required data items. In carrying out that objective, the Advisory Committee shall pay special attention to the needs of low-income and moderate-income students and families.

“(d) CONSULTATION.—

“(1) IN GENERAL.—The Advisory Committee shall consult with a broad range of interested parties in higher education, including parents and students, high school guidance counselors, financial aid and other campus administrators, appropriate State administrators, administrators of intervention and outreach programs, and appropriate officials from the Department of Education.

“(2) FORMS DESIGN EXPERT.—With the goal of making significant changes to the form to make the questions more easily understandable, the Advisory Com-

mittee shall consult a forms design expert to ensure that its recommendations for revision of the application form would assist in making the form easily readable and understood by parents, students, and other members of the public.

“(3) CONGRESSIONAL CONSULTATION.—The Advisory Committee shall consult on a regular basis with the Committee on Education and the Workforce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate in carrying out the feasibility study required by this subsection.

“(4) DEPARTMENTAL CONSULTATION.—The Secretary of Education shall provide such assistance to the Advisory Committee as is requested and practicable in conducting the study required by this subsection.

“(e) REPORTS.—

“(1) INTERIM REPORT.—The Advisory Committee shall, not later than 6 months after the date of enactment of this Act [Jan. 23, 2004], prepare and submit an interim report containing any such legislative changes as the Advisory Committee recommends to reform and simplify the needs analysis under part F of title IV of the Higher Education Act of 1965 (20 U.S.C. 1087kk et seq.) and forms and other requirements under such title to the Committee on Education and the Workforce of the House of Representatives, the Committee on Health, Education, Labor, and Pensions of the Senate, and the Secretary of Education.

“(2) FINAL REPORT.—The Advisory Committee shall, not later than 1 year after the date of enactment of this Act, prepare and submit a full final report on the study, including recommendations for regulatory and administrative changes required by this section, to the Committee on Education and the Workforce of the House of Representatives, the Committee on Health, Education, Labor, and Pensions of the Senate, and the Secretary of Education.

“(f) IMPLEMENTATION.—The Secretary of Education shall consult with the Committee on Education and the Workforce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate and shall subsequently initiate a redesign of the form required by section 483 of the Higher Education Act of 1965 (20 U.S.C. 1090). Such redesign shall include the testing of alternative simplified versions of the free Federal form. The Secretary shall keep the Committee on Education and the Workforce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate fully and currently informed on the progress of these efforts.

“(g) POSTPONEMENT OF TAX TABLE UPDATE PENDING REPORT AND IMPLEMENTATION.—The Secretary of Education shall not implement or enforce for the award year 2004-2005 the annual update to the allowances for State and other taxes in the tables used in the Federal needs analysis methodology, as prescribed by the Secretary on May 30, 2003 (68 Fed. Reg. 32473).”
