#### § 107. Operation of vending facilities

##### (a) Authorization

For the purposes of providing blind persons with remunerative employment, enlarging the economic opportunities of the blind, and stimulating the blind to greater efforts in striving to make themselves self-supporting, blind persons licensed under the provisions of this chapter shall be authorized to operate vending facilities on any Federal property.

##### (b) Preferences regulations; justification for limitation on operation

In authorizing the operation of vending facilities on Federal property, priority shall be given to blind persons licensed by a State agency as provided in this chapter; and the Secretary, through the Commissioner, shall, after consultation with the Administrator of General Services and other heads of departments, agencies, or instrumentalities of the United States in control of the maintenance, operation, and protection of Federal property, prescribe regulations designed to assure that—

(1) the priority under this subsection is given to such licensed blind persons (including assignment of vending machine income pursuant to section 107d-3 of this title to achieve and protect such priority), and

(2) wherever feasible, one or more vending facilities are established on all Federal prop-

erty to the extent that any such facility or facilities would not adversely affect the interests of the United States.

Any limitation on the placement or operation of a vending facility based on a finding that such placement or operation would adversely affect the interests of the United States shall be fully justified in writing to the Secretary, who shall determine whether such limitation is justified. A determination made by the Secretary pursuant to this provision shall be binding on any department, agency, or instrumentality of the United States affected by such determination. The Secretary shall publish such determination, along with supporting documentation, in the Federal Register.

#### CODIFICATION

The content of Pub. L. 93-516, including provisions thereof which amended and enacted various sections of this chapter, were originally contained in H.R. 14225, 93rd Congress, Second Session, which was pocket-voiced during the 31-day intrasession adjournment of the 93rd Congress for the Congressional elections in November, 1974. See 1974 Amendment note below.

Pursuant to an order of the United States District Court for the District of Columbia (*Kennedy v. Jones*, D.C.D.C. 1976, 412 F.Supp. 353) H.R. 14225 was deemed to have become law without the approval of the President on Nov. 21, 1974, and was given the designation Pub. L. 93-651. Therefore, for purposes of codification, this chapter should be deemed to have been amended by Pub. L. 93-651, Nov. 21, 1974, 89 Stat. 2-3, in exactly the same manner as it was amended by Pub. L. 93-516.

#### AMENDMENTS

1974—Subsec. (a). Pub. L. 93-516 designated first sentence of existing provisions as subsec. (a), substituted “purposes” for “purpose”, “vending facilities” for “vending stands”, and struck out “where such vending stands may be properly and satisfactorily operated by blind persons”. An identical amendment was made by Pub. L. 93-651. See Codification note above.

Subsec. (b). Pub. L. 93-516 designated second sentence of existing provisions as subsec. (b), in the provisions preceding par. (1) of subsec. (b) as so designated, substituted reference to vending facilities for reference to vending stands, substituted provisions requiring that priority be given to blind persons for provisions requiring that preference be given so far as feasible to blind persons, substituted provisions authorizing the Secretary after consultation with the Administrator of General Services, and other heads of departments, agencies, or instrumentalities of the United States in control of maintenance, operation, and protection of Federal property to prescribe regulations for provisions authorizing the head of each department or agency in control of the maintenance, operation, and protection of Federal property after consultation with the Secretary and with the approval of the President to prescribe regulations, struck out provisions that such regulations assure such preference including assignment of vending machine income to achieve and protect such preference for such blind persons without unduly inconveniencing such departments and agencies or adversely affecting the interests of the United States, and added pars. (1) and (2) and provisions following par. (2). An identical amendment was made by Pub. L. 93-651. See Codification note above.

1954—Act Aug. 3, 1954, provided that in authorizing the operation of vending stands preference shall be given, so far as feasible, to blind persons.
