AMENDMENTS

2015—Par. (3). Pub. L. 114–95, §9215(i)(2)(A), substituted “The term ‘low-income student’ means an individual who is determined by a State educational agency or local educational agency to be a child ages 5 through 19, from a low-income family, on the basis of data used by the Secretary to determine allocations under section 6333 of this title, data on children eligible

for free or reduced-price lunches under the Richard B. Russell National School Lunch Act, data on children in families receiving assistance under part A of title IV of the Social Security Act, or data on children eligible to receive medical assistance under the Medicaid program under title XIX of the Social Security Act, or through an alternate method that combines or extrapolates from those data.” for “The term ‘low-income student’ has the meaning given the term ‘low-income individual’ in section 6537(3) of this title.”

Par. (4). Pub. L. 114–95, §9215(i)(2)(B), substituted “The term ‘high concentration of low-income students’, used with respect to a school, means a school that serves a student population 40 percent or more of who are low-income students.” for “The term ‘high concentration of low-income students’ has the meaning given the term in section 6537(2) of this title.”

EFFECTIVE DATE OF 2015 AMENDMENT

Amendment by Pub. L. 114–95 effective Dec. 10, 2015, except with respect to certain noncompetitive programs and competitive programs, see section 5 of Pub. L. 114–95, set out as a note under section 6301 of this title.

**§ 9833. Advanced Placement and International Baccalaureate programs**

**(a) Program authorized**

From the amounts appropriated under subsection (l), the Secretary is authorized to award grants, on a competitive basis, to eligible entities to enable the eligible entities to carry out the authorized activities described in subsection (g).

**(b) Duration of grants**

The Secretary may award grants under this section for a period of not more than 5 years.

**(c) Coordination**

The Secretary shall coordinate the activities carried out under this section with any activities carried out under section 7114 or 7117 of this title that provide students access to accelerated learning programs that provide—

(1) postsecondary level courses accepted for credit at institutions of higher education, including dual or concurrent enrollment programs, and early college high schools; or

(2) postsecondary level instruction and examinations that are accepted for credit at institutions of higher education, including Advanced Placement and International Baccalaureate programs.

**(d) Priority**

In awarding grants under this section, the Secretary shall give priority to eligible entities that are part of a statewide strategy for increasing—

(1) the availability of Advanced Placement or International Baccalaureate courses in mathematics, science, and critical foreign languages, and pre-Advanced Placement or pre-International Baccalaureate courses in such subjects, in high-need schools; and

(2) the number of students who participate in Advanced Placement or International Baccalaureate courses in mathematics, science, and critical foreign language in high-need schools, and take and score a 3, 4, or 5 on an Advanced Placement examination in such a subject, or pass an examination administered by the International Baccalaureate Organization in such a subject in such schools.

<sup>1</sup> So in original. Probably should be preceded by “section”.

**(e) Equitable distribution**

The Secretary, to the extent practicable, shall—

(1) ensure an equitable geographic distribution of grants under this section among the States; and

(2) promote an increase in participation in Advanced Placement or International Baccalaureate mathematics, science, and critical foreign language courses and examinations in all States.

**(f) Application****(1) In general**

Each eligible entity desiring a grant under this section shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require.

**(2) Contents**

The application shall, at a minimum, include a description of—

(A) the goals and objectives for the project, including—

(i) increasing the number of teachers serving high-need schools who are qualified to teach Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages;

(ii) increasing the number of qualified teachers serving high-need schools who are teaching Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages to students in the high-need schools;

(iii) increasing the number of Advanced Placement or International Baccalaureate courses in mathematics, science, and critical foreign languages that are available to students attending high-need schools; and

(iv) increasing the number of students attending a high-need school, particularly low-income students, who enroll in and pass—

(I) Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages; and

(II) pre-Advanced Placement or pre-International Baccalaureate courses in such a subject (where provided in accordance with subparagraph (B));

(B) how the eligible entity will ensure that students have access to courses, including pre-Advanced Placement and pre-International Baccalaureate courses, that will prepare the students to enroll and succeed in Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages;

(C) how the eligible entity will provide professional development for teachers assisted under this section;

(D) how the eligible entity will ensure that teachers serving high-need schools are qualified to teach Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages;

(E) how the eligible entity will provide for the involvement of business and community organizations and other entities, including institutions of higher education, in the activities to be assisted; and

(F) how the eligible entity will use funds received under this section, including how the eligible entity will evaluate the success of its project.

**(g) Authorized activities****(1) In general**

Each eligible entity that receives a grant under this section shall use the grant funds to carry out activities designed to increase—

(A) the number of qualified teachers serving high-need schools who are teaching Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages; and

(B) the number of students attending high-need schools who enroll in, and pass, the examinations for such Advanced Placement or International Baccalaureate courses.

**(2) Permissive activities**

The activities described in paragraph (1) may include—

(A) teacher professional development, in order to expand the pool of teachers in the participating State, local educational agency, or high-need school who are qualified to teach Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages;

(B) pre-Advanced Placement or pre-International Baccalaureate course development and professional development;

(C) coordination and articulation between grade levels to prepare students to enroll and succeed in Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages;

(D) purchase of instructional materials;

(E) activities to increase the availability of, and participation in, online Advanced Placement or International Baccalaureate courses in mathematics, science, and critical foreign languages;

(F) reimbursing low-income students attending high-need schools for part or all of the cost of Advanced Placement or International Baccalaureate examination fees;

(G) carrying out subsection (j), relating to collecting and reporting data;

(H) in the case of a State educational agency that receives a grant under this section, awarding subgrants to local educational agencies to enable the local educational agencies to carry out authorized activities described in subparagraphs (A) through (G); and

(I) providing salary increments or bonuses to teachers serving high-need schools who—

(i) become qualified to teach, and teach, Advanced Placement or International Baccalaureate courses in mathematics, science, or a critical foreign language; or

(ii) increase the number of low-income students, who take Advanced Placement or

International Baccalaureate examinations in mathematics, science, or a critical foreign language with the goal of successfully passing such examinations.

**(h) Matching requirement**

**(1) In general**

Subject to paragraph (2), each eligible entity that receives a grant under this section shall provide, toward the cost of the activities assisted under the grant, from non-Federal sources, an amount equal to 100 percent of the amount of the grant, except that an eligible entity that is a high-need local educational agency shall provide an amount equal to not more than 50 percent of the amount of the grant.

**(2) Waiver**

The Secretary may waive all or part of the matching requirement described in paragraph (1) for any fiscal year for an eligible entity described in subparagraph (A) or (B) of section 9832(2) of this title, if the Secretary determines that applying the matching requirement to such eligible entity would result in serious hardship or an inability to carry out the authorized activities described in subsection (g).

**(i) Supplement not supplant**

Grant funds provided under this section shall be used to supplement, not supplant, other Federal and non-Federal funds available to carry out the activities described in subsection (g).

**(j) Collecting and reporting requirements**

**(1) Report**

Each eligible entity receiving a grant under this section shall collect and report to the Secretary annually such data on the results of the grant as the Secretary may reasonably require, including data regarding—

(A) the number of students enrolling in Advanced Placement or International Baccalaureate courses in mathematics, science, or a critical foreign language, and pre-Advanced Placement or pre-International Baccalaureate courses in such a subject, by the grade the student is enrolled in, and the distribution of grades those students receive;

(B) the number of students taking Advanced Placement or International Baccalaureate examinations in mathematics, science, or a critical foreign language, and the distribution of scores on those examinations by the grade the student is enrolled in at the time of the examination;

(C) the number of teachers receiving training in teaching Advanced Placement or International Baccalaureate courses in mathematics, science, or a critical foreign language who will be teaching such courses in the next school year;

(D) the number of teachers becoming qualified to teach Advanced Placement or International Baccalaureate courses in mathematics, science, or a critical foreign language; and

(E) the number of qualified teachers who are teaching Advanced Placement or International Baccalaureate courses in mathematics, science, or critical foreign languages to students in a high-need school.

**(2) Reporting of data**

Each eligible entity receiving a grant under this section shall report data required under paragraph (1)—

(A) disaggregated by subject area;

(B) in the case of student data, disaggregated in the same manner as information is disaggregated under section 6311(b)(2)(B)(xi) of this title; and

(C) to the extent feasible, in a manner that allows comparison of conditions before, during, and after the project.

**(k) Evaluation and report**

From the amount made available for any fiscal year under subsection (l), the Secretary shall reserve such sums as may be necessary—

(1) to conduct an annual independent evaluation, by grant or by contract, of the program carried out under this section, which shall include an assessment of the impact of the program on student academic achievement; and

(2) to prepare and submit an annual report on the results of the evaluation described in paragraph (1) to the Committee on Health, Education, Labor, and Pensions of the Senate, the Committee on Education and Labor of the House of Representatives, and the Committees on Appropriations of the Senate and House of Representatives.

**(l) Authorization of appropriations**

There are authorized to be appropriated to carry out this section \$75,000,000 for each of fiscal years 2011 through 2013.

(Pub. L. 110–69, title VI, § 6123, Aug. 9, 2007, 121 Stat. 636; Pub. L. 111–358, title X, § 1003(b), Jan. 4, 2011, 124 Stat. 4048; Pub. L. 114–95, title IX, § 9215(i)(3), Dec. 10, 2015, 129 Stat. 2167.)

AMENDMENTS

2015—Subsec. (c). Pub. L. 114–95, § 9215(i)(3)(A), substituted “any activities carried out under section 7114 or 7117 of this title that provide students access to accelerated learning programs that provide—” and pars. (1) and (2) for “the activities carried out under section 6535 of this title.”

Subsec. (j)(2)(B). Pub. L. 114–95, § 9215(i)(3)(B), substituted “section 6311(b)(2)(B)(xi) of this title” for “section 6311(h)(1)(C)(i) of this title”.

2011—Subsec. (h)(1). Pub. L. 111–358, § 1003(b)(1), substituted “50” for “100” and “100” for “200”.

Subsec. (l). Pub. L. 111–358, § 1003(b)(2), added subsec. (l) and struck out former subsec. (l). Prior to amendment, text read as follows: “There are authorized to be appropriated to carry out this section \$75,000,000 for fiscal year 2008, and such sums as may be necessary for each of the 2 succeeding fiscal years.”

SUBCHAPTER IV—ALIGNMENT OF  
EDUCATION PROGRAMS

CODIFICATION

Subtitle D of title VI of Pub. L. 110-69, comprising this subchapter, was redesignated subtitle B of title VI of Pub. L. 110-69 by Pub. L. 111-358, title X, §1002(b)(2), Jan. 4, 2011, 124 Stat. 4048.

**§ 9871. Alignment of secondary school graduation  
requirements with the demands of 21st century  
postsecondary endeavors and support  
for P-16 education data systems**

**(a) Purpose**

It is the purpose of this section—

(1) to promote more accountability with respect to preparation for higher education, the 21st century workforce, and the Armed Forces, by aligning—

(A) student knowledge, student skills, State academic content standards and assessments, and curricula, in elementary and secondary education, especially with respect to mathematics, science, reading, and, where applicable, engineering and technology; with

(B) the demands of higher education, the 21st century workforce, and the Armed Forces;

(2) to support the establishment or improvement of statewide P-16 education data systems that—

(A) assist States in improving the rigor and quality of State academic content standards and assessments;

(B) ensure students are prepared to succeed in—

(i) academic credit-bearing coursework in higher education without the need for remediation;

(ii) the 21st century workforce; or

(iii) the Armed Forces; and

(3) enable<sup>1</sup> States to have valid and reliable information to inform education policy and practice.

**(b) Definitions**

In this section:

**(1) P-16 education**

The term “P-16 education” means the educational system from preschool through the conferring of a baccalaureate degree.

**(2) Statewide partnership**

The term “statewide partnership” means a partnership that—

(A) shall include—

(i) the Governor of the State or the designee of the Governor;

(ii) the heads of the State systems for public higher education, or, if such a position does not exist, not less than 1 representative of a public degree-granting institution of higher education;

(iii) a representative of the agencies in the State that administer Federal or State-funded early childhood education programs;

(iv) not less than 1 representative of a public community college;

(v) not less than 1 representative of a technical school;

(vi) not less than 1 representative of a public secondary school;

(vii) the chief State school officer;

(viii) the chief executive officer of the State higher education coordinating board;

(ix) not less than 1 public elementary school teacher employed in the State;

(x) not less than 1 early childhood educator in the State;

(xi) not less than 1 public secondary school teacher employed in the State;

(xii) not less than 1 representative of the business community in the State; and

(xiii) not less than 1 member of the Armed Forces; and

(B) may include other individuals or representatives of other organizations, such as a school administrator, a faculty member at an institution of higher education, a member of a civic or community organization, a representative from a private institution of higher education, a dean or similar representative of a school of education at an institution of higher education or a similar teacher certification or licensure program, or the State official responsible for economic development.
