A claim under section 1645b of this title based upon a direct ownership interest in a corporation, association, or other entity may be considered, subject to the other provisions of this subchapter, if such corporation, association, or other entity on the date of the loss was not a national of the United States, without regard to the per centum of ownership vested in the claimant.

(c) Indirect ownership

A claim under section 1645b of this title based upon an indirect ownership interest in a corporation, association, or other entity may be considered, subject to the other provisions of this subchapter, only if at least 25 per centum of the entire ownership interest thereof, at the time of such loss, was vested in nationals of the United States or if, at the time of the loss, nationals of the United States in fact controlled the corporation, association, or entity, as determined by the Commission.

(d) Computation of award

The amount of any claim covered by subsection (b) or (c) of this section shall be calculated on the basis of the total loss suffered by the corporation, association, or other entity, with respect to which the claim is made, and shall bear the same proportion to such loss as the ownership interest of the claimant at the time of loss bears to the entire ownership interest thereof.

(Mar. 10, 1950, ch. 54, title VII, §705, as added Pub. L. 96-606, Dec. 28, 1980, 94 Stat. 3535.)

(b) In any case in which a claim under this subchapter is assigned by purchase before the Commission determines the amount due on that claim, the amount so determined shall not exceed the amount of actual consideration paid by the last such assignee.

(Mar. 10, 1950, ch. 54, title VII, §707, as added Pub. L. 96-606, Dec. 28, 1980, 94 Stat. 3536.)

§ 1645g. Consolidated awards

With respect to any claim under section 1645b of this title which, at the time of the award, is

vested in persons other than the person by whom the original loss was sustained, the Commission shall issue a consolidated award in favor of all claimants then entitled to the award, which award shall indicate the respective interests of such claimants in the award, and all such claimants shall participate, in proportion to their indicated interests, in any payments that may be made under this subchapter in all respects as if the award had been in favor of a single person.

(Mar. 10, 1950, ch. 54, title VII, §708, as added Pub. L. 96-606, Dec. 28, 1980, 94 Stat. 3536.)

(b) Priority of payments

(1) Upon certification of each award made pursuant to section 1645b of this title, the Secretary of the Treasury shall, out of the sums covered into the Claims Fund, make payments on account of such awards as follows, and in the following order of priority:

(A) Payment in the amount of \$2,500 or the principal amount of the award, whichever is less.

(B) Thereafter, payments from time to time, in ratable proportions, on account of the unpaid balance of the principal amounts of all awards according to the proportions which the unpaid balance of such awards bear to the total amount in the Claims Fund available for distribution at the time such payments are made.

(2) After payment has been made in full of the principal amounts of all awards pursuant to paragraph (1), pro rata payments may be made on account of any interest that may be allowed on such awards.

(c) Regulations

Payments or applications for payments under subsection (b) shall be made in accordance with such regulations as the Secretary of the Treasury may prescribe.
