(1) To carry out the purposes of section 2291 of this title, there are authorized to be appropriated to the President \$147,783,000 for fiscal year 1993 and \$171,500,000 for fiscal year 1994.

(2) Amounts appropriated under this subsection are authorized to remain available until expended.

(b) Procurement of weapons and ammunition

(1) Prohibition

Except as provided in paragraph (2), funds made available to carry out this part shall not be made available for the procurement of weapons or ammunition.

(2) Exceptions

Paragraph (1) shall not apply with respect to funds for the procurement of—

(A) weapons or ammunition provided only for the defensive arming of aircraft used for narcotics-related purposes, or

(B) firearms and related ammunition provided only for defensive purposes to employees or contract personnel of the Department of State engaged in activities under this part,

if, at least 15 days before obligating those funds, the President notifies the appropriate congressional committees in accordance with the procedures applicable to reprogramming notifications under section 2394-1 of this title.

(c) Contributions and reimbursement

(1) To ensure local commitment to the activities assisted under this part, a country receiving assistance under this part should bear an appropriate share of the costs of any narcotics control program, project, or activity for which such assistance is to be provided. A country may bear such costs on an “in kind” basis.

(2)(A) The President is authorized to accept contributions from foreign governments to carry out the purposes of this part. Such contributions shall be deposited as an offsetting collection to the applicable appropriation account and may be used under the same terms and conditions as funds appropriated pursuant to this part.

Such reimbursements shall be deposited as an offsetting collection to the applicable appropriation and may be used under the same terms and conditions as funds appropriated pursuant to this part.

(d) Administrative assistance

(1) Except as provided in paragraph (2), personnel funded pursuant to this section are authorized to provide administrative assistance to personnel assigned to the bureau designated by the Secretary of State to replace the Bureau for International Narcotics Matters.

(2) Paragraph (1) shall not apply to the extent that it would result in a reduction in funds available for antinarcotics assistance to foreign countries.

(e) Advance notification of transfer of seized assets

The President shall notify the appropriate congressional committees at least 10 days prior to any transfer by the United States Government to a foreign country for narcotics control purposes of any property or funds seized by or otherwise forfeited to the United States Government in connection with narcotics-related activity.

(f) Treatment of funds

Funds transferred to and consolidated with funds appropriated pursuant to this part may be made available on such terms and conditions as are applicable to funds appropriated pursuant to this part. Funds so transferred or consolidated shall be apportioned directly to the bureau within the Department of State responsible for administering this part.

(g) Excess property

For purposes of this part, the Secretary of State may use the authority of section 2358 of this title, without regard to the restrictions of such section, to receive nonlethal excess property from any agency of the United States Government for the purpose of providing such property to a foreign government under the same terms and conditions as funds authorized to be appropriated for the purposes of this part.

1976—Pub. L. 94-329 inserted provision that authorized \$40,000,000 for the fiscal year 1976, no part of which can be obligated to any country where illegal opiate traffic is a significant problem unless the President certifies in writing to the Speaker of the House and chairman of the Senate Committee on Foreign Relations that the assistance furnished is significantly the amount of illegal opiates entering the international market, and authorized \$34,000,000 for the fiscal year 1977.

§ 2291c. Requirements relating to aircraft and other equipment

(a) Retention of title to aircraft

(1) In general

(A) Except as provided in paragraph (2), any aircraft made available to a foreign country under this part, or made available to a foreign country primarily for narcotics-related purposes under any other provision of law, shall be provided only on a lease or loan basis.

(B) Subparagraph (A) applies to aircraft made available at any time after October 27, 1986 (which was the date of enactment of the International Narcotics Control Act of 1986).

(2) Exceptions

(A) Paragraph (1) shall not apply to the extent that—

(i) the application of that paragraph with respect to particular aircraft would be contrary to the national interest of the United States; and

(ii) the President notifies the appropriate congressional committees in accordance with the procedures applicable to reprogramming notifications under section 2394–1 of this title.

(B) Paragraph (1) does not apply with respect to aircraft made available to a foreign country under any provision of law that authorizes

(3) Assistance for leasing of aircraft

(A) For purposes of satisfying the requirement of paragraph (1), funds made available for the “Foreign Military Financing Program” under section 23 of the Arms Export Control Act [22 U.S.C. 2763] may be used to finance the leasing of aircraft under chapter 6 of that Act [22 U.S.C. 2796 et seq.].

(B) Section 61(a)(3)¹ of that Act [22 U.S.C. 2796(a)(3)] shall not apply with respect to leases so financed; rather the entire cost of any such lease (including any renewals) shall be an initial, one time payment of the amount which would be the sales price for the aircraft if they were sold under section 21(a)(1)(B) or section 22 of that Act [22 U.S.C. 2761(a)(1)(B), 2762] (as appropriate).

(C) To the extent that aircraft so leased were acquired under chapter 5 of that Act [22 U.S.C. 2795 et seq.], funds used pursuant to this paragraph to finance such leases shall be credited to the Special Defense Acquisition Fund under chapter 5 of that Act (excluding the amount of funds that reflects the charges described in section 21(e)(1) of that Act [22 U.S.C. 2761(e)(1)]). (b) Permissible uses of aircraft and other equipment

The President shall take all reasonable steps to ensure that aircraft and other equipment made available to foreign countries under this part are used only in ways that are consistent with the purposes for which such equipment was made available.

(c) Reports

In the reports submitted pursuant to section 2291h(a) of this title, the President shall discuss—
